

Tukituki Land Care: Catchment Appendices

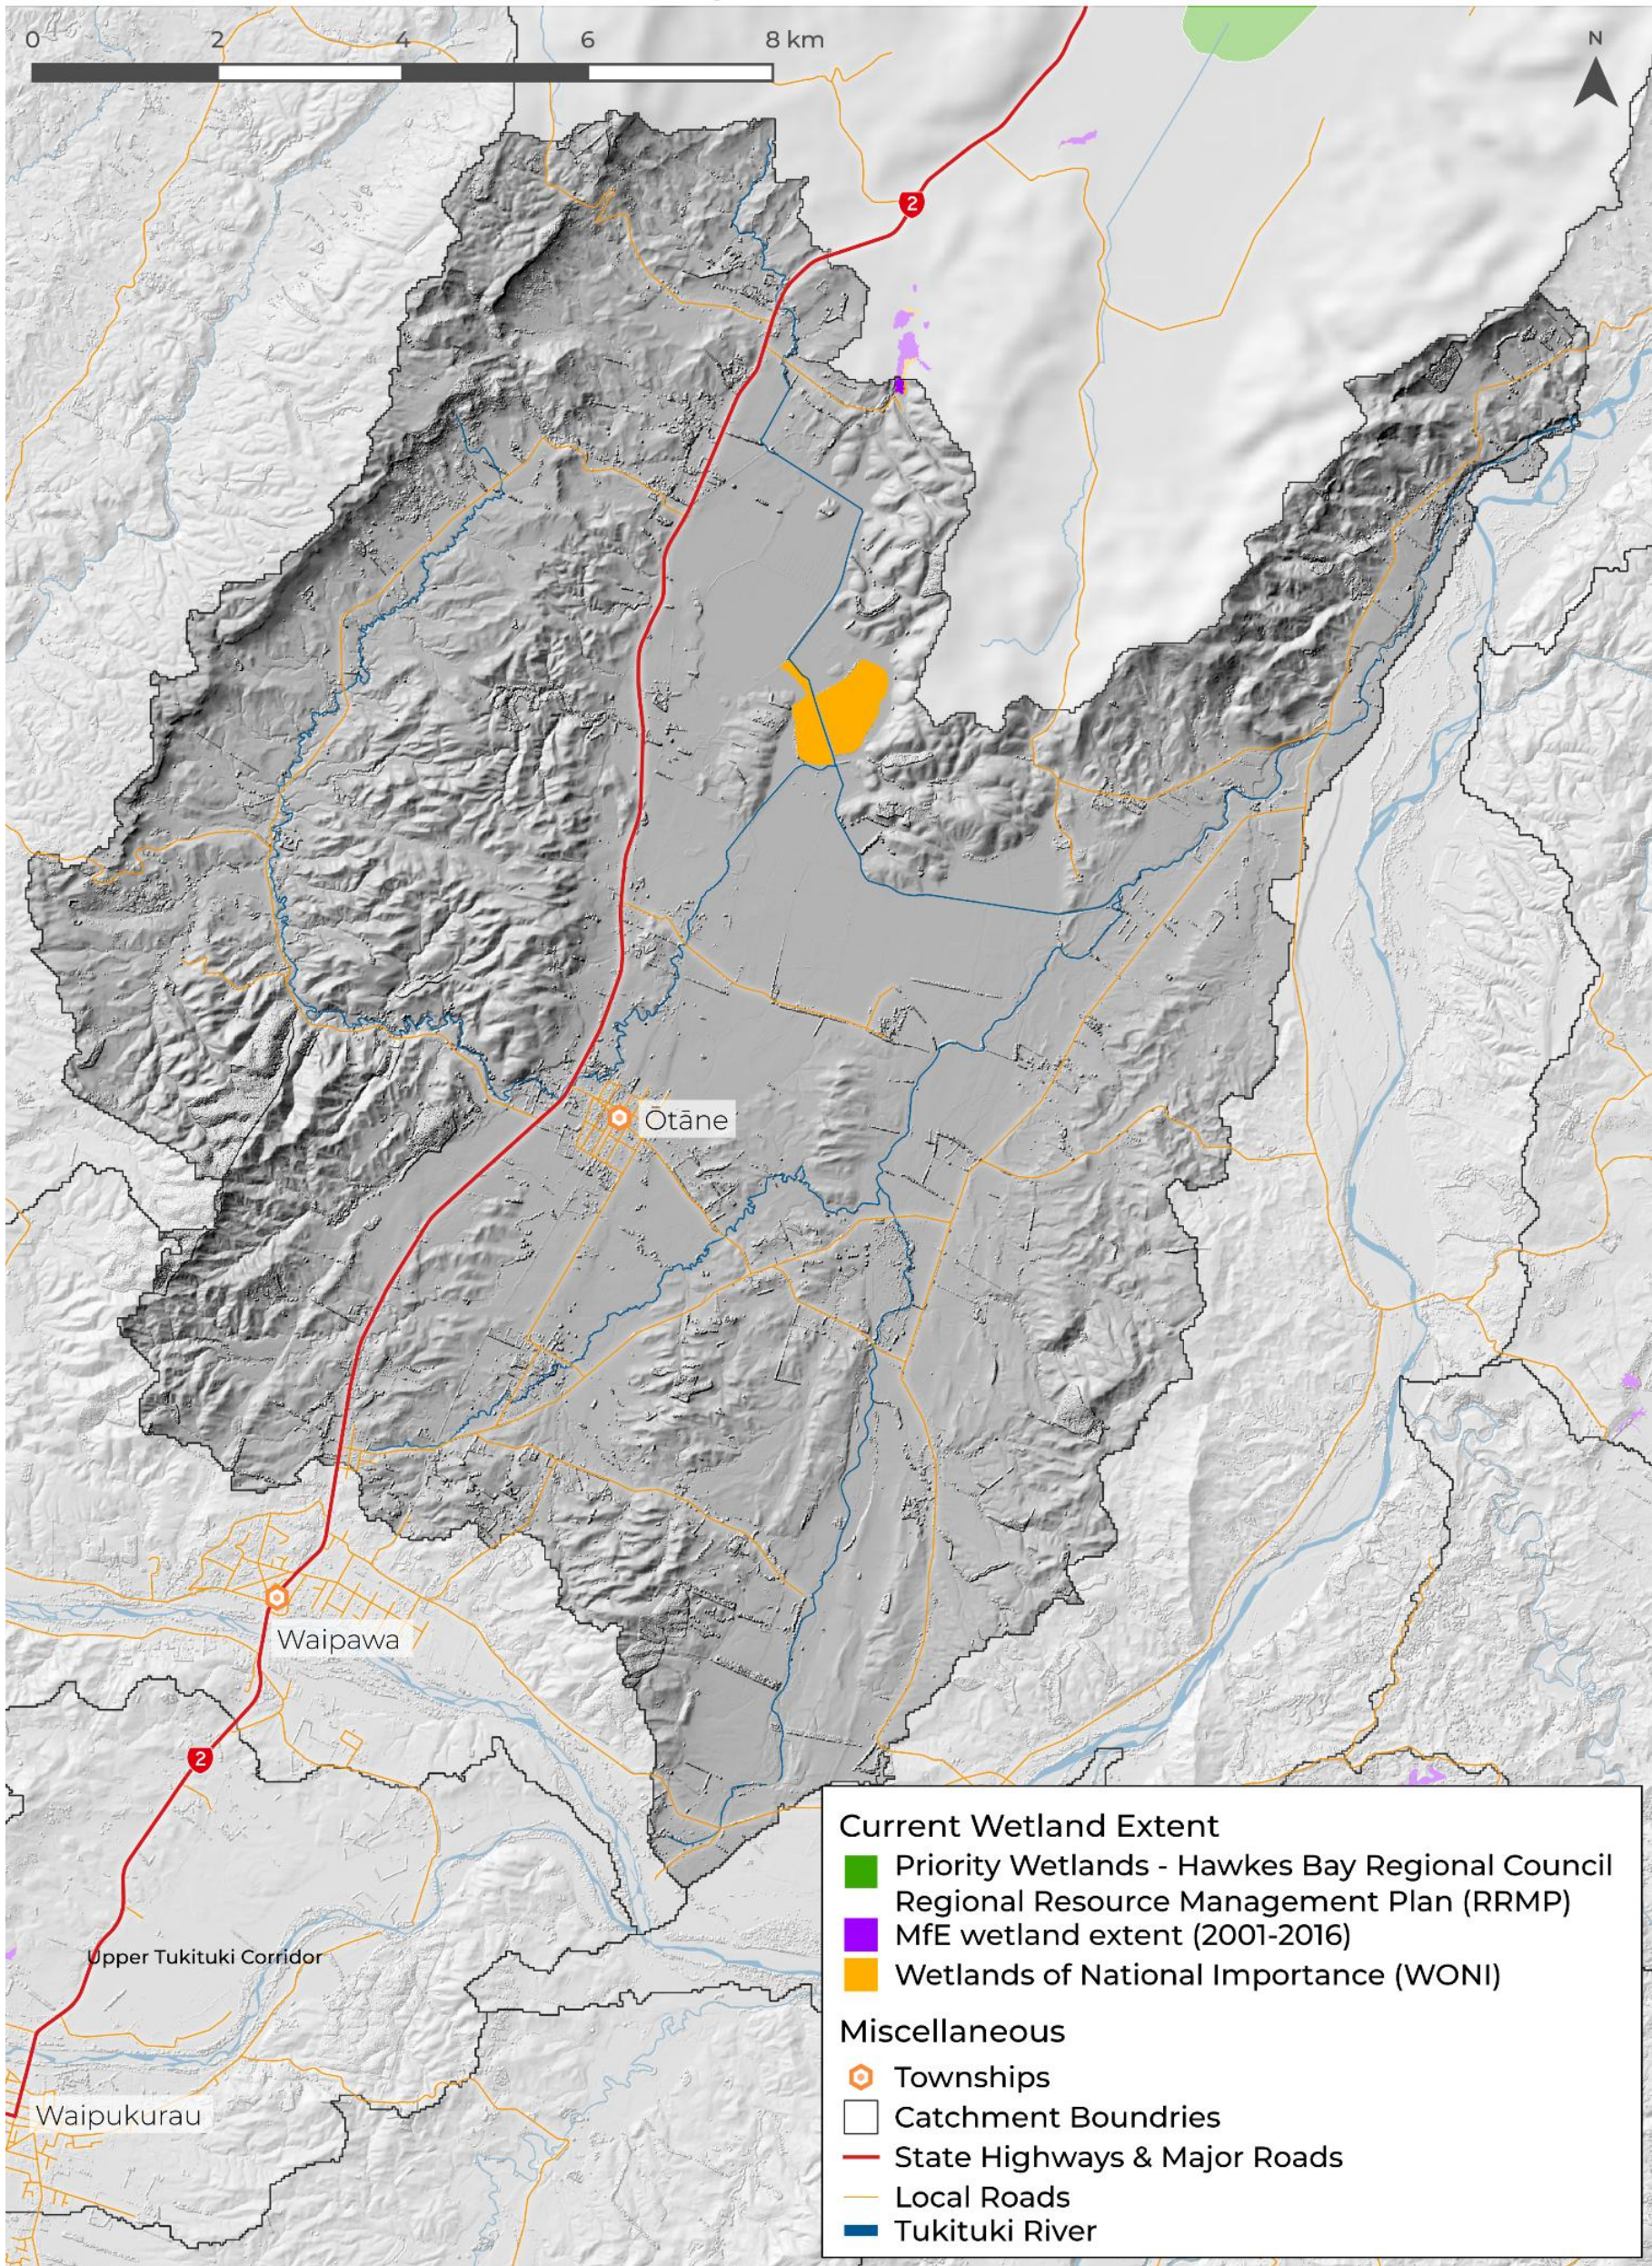

Papanui Catchment maps

These maps have been created as part of [THE BIG PICTURE PROJECT](#) and have been compiled as an appendix to the catchment planning project undertaken by EIS. While these maps maybe a useful resource for TLC, they are supplementary to the outputs provided as part of that project.

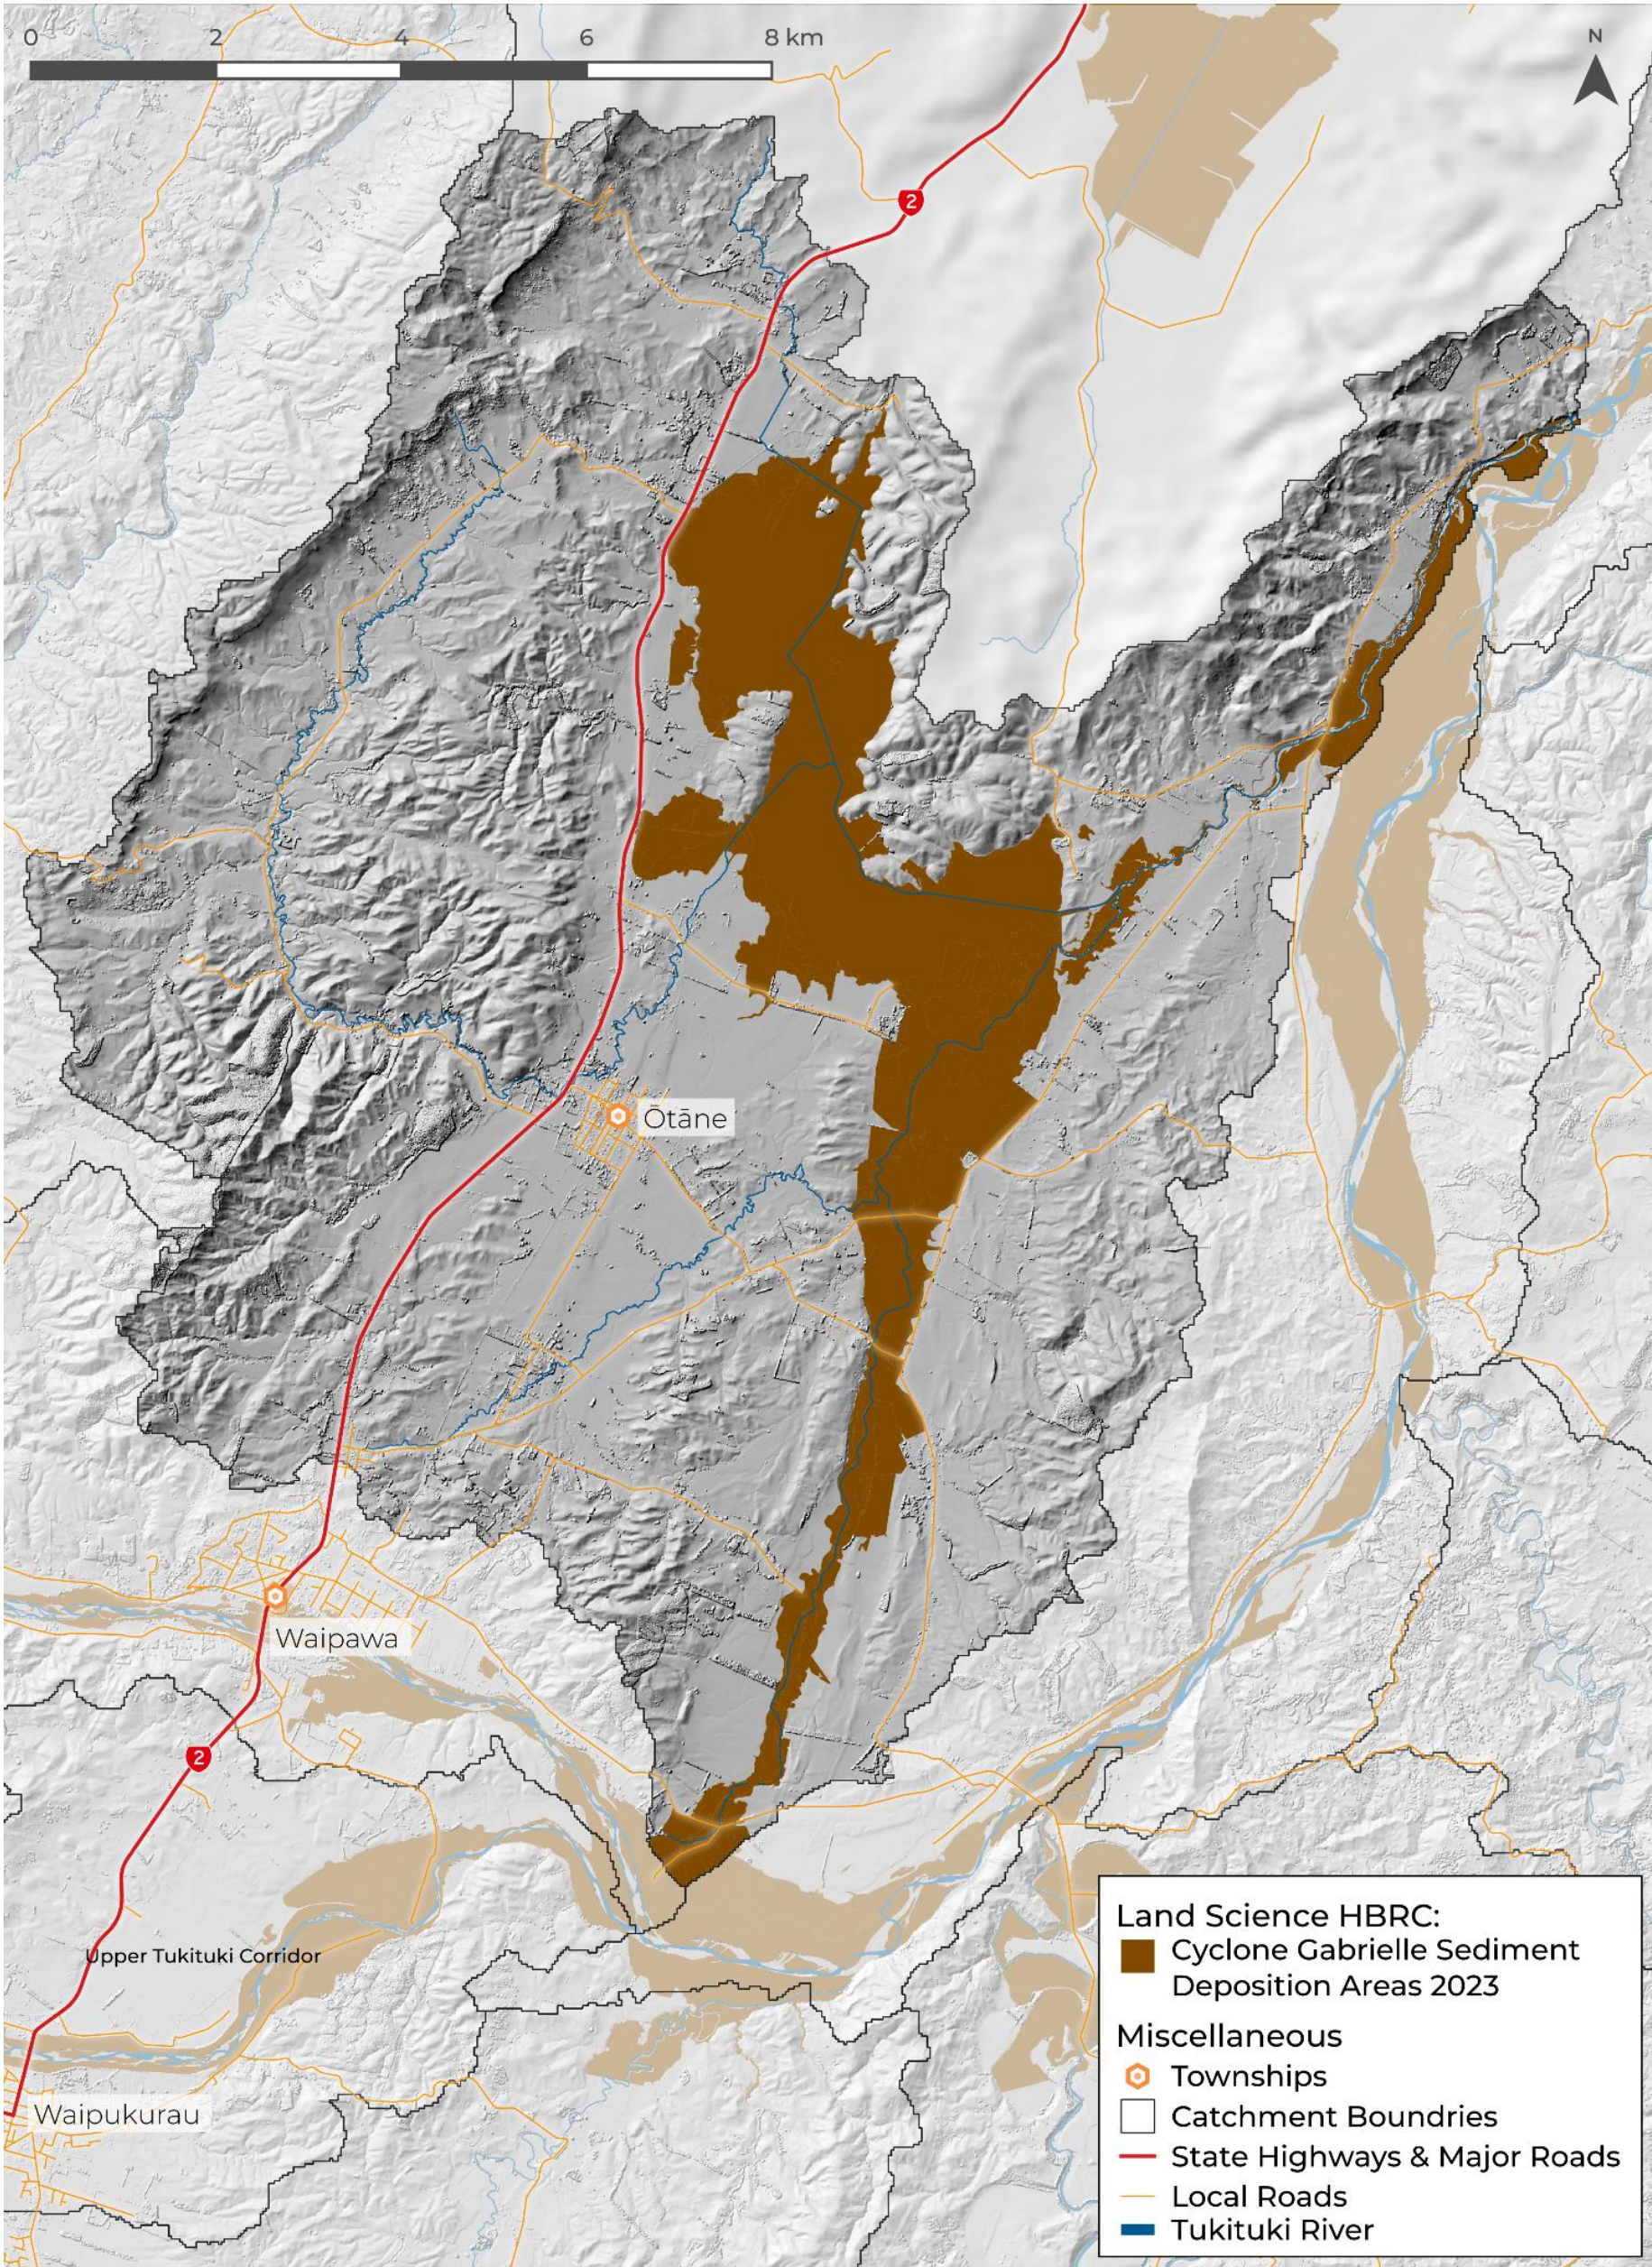

December 2024

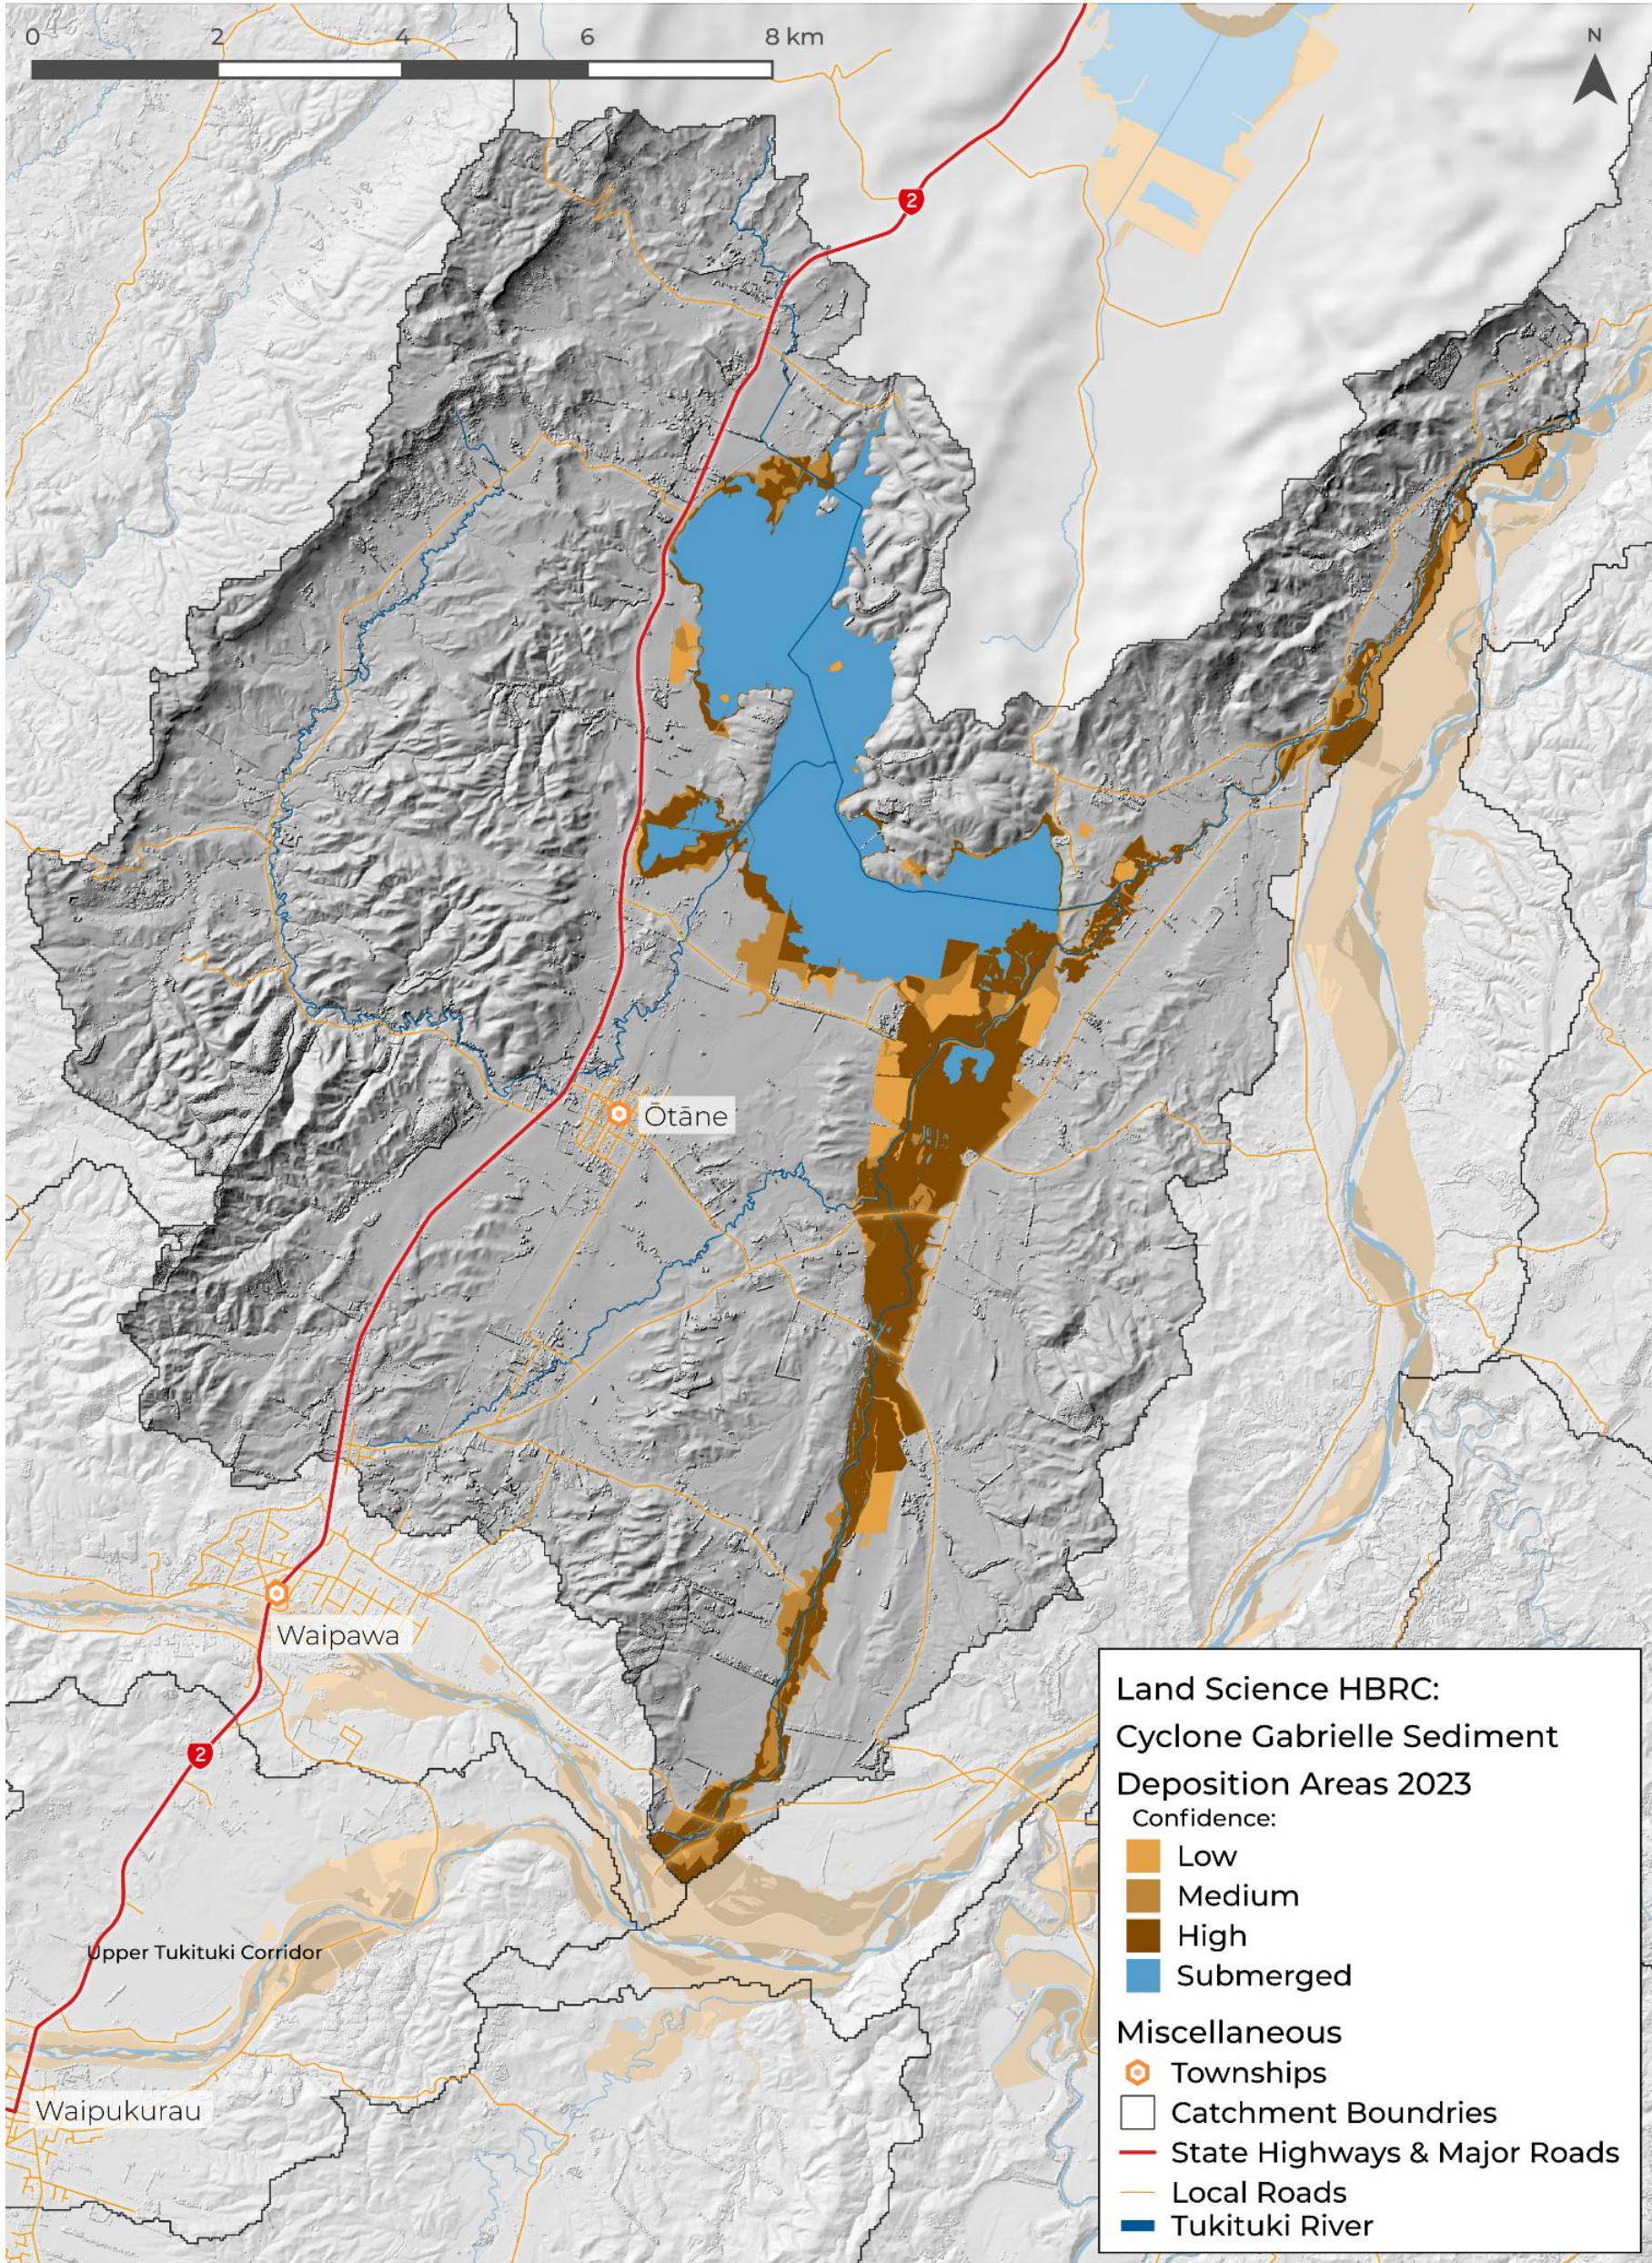

Current Wetland Extent - Papanui

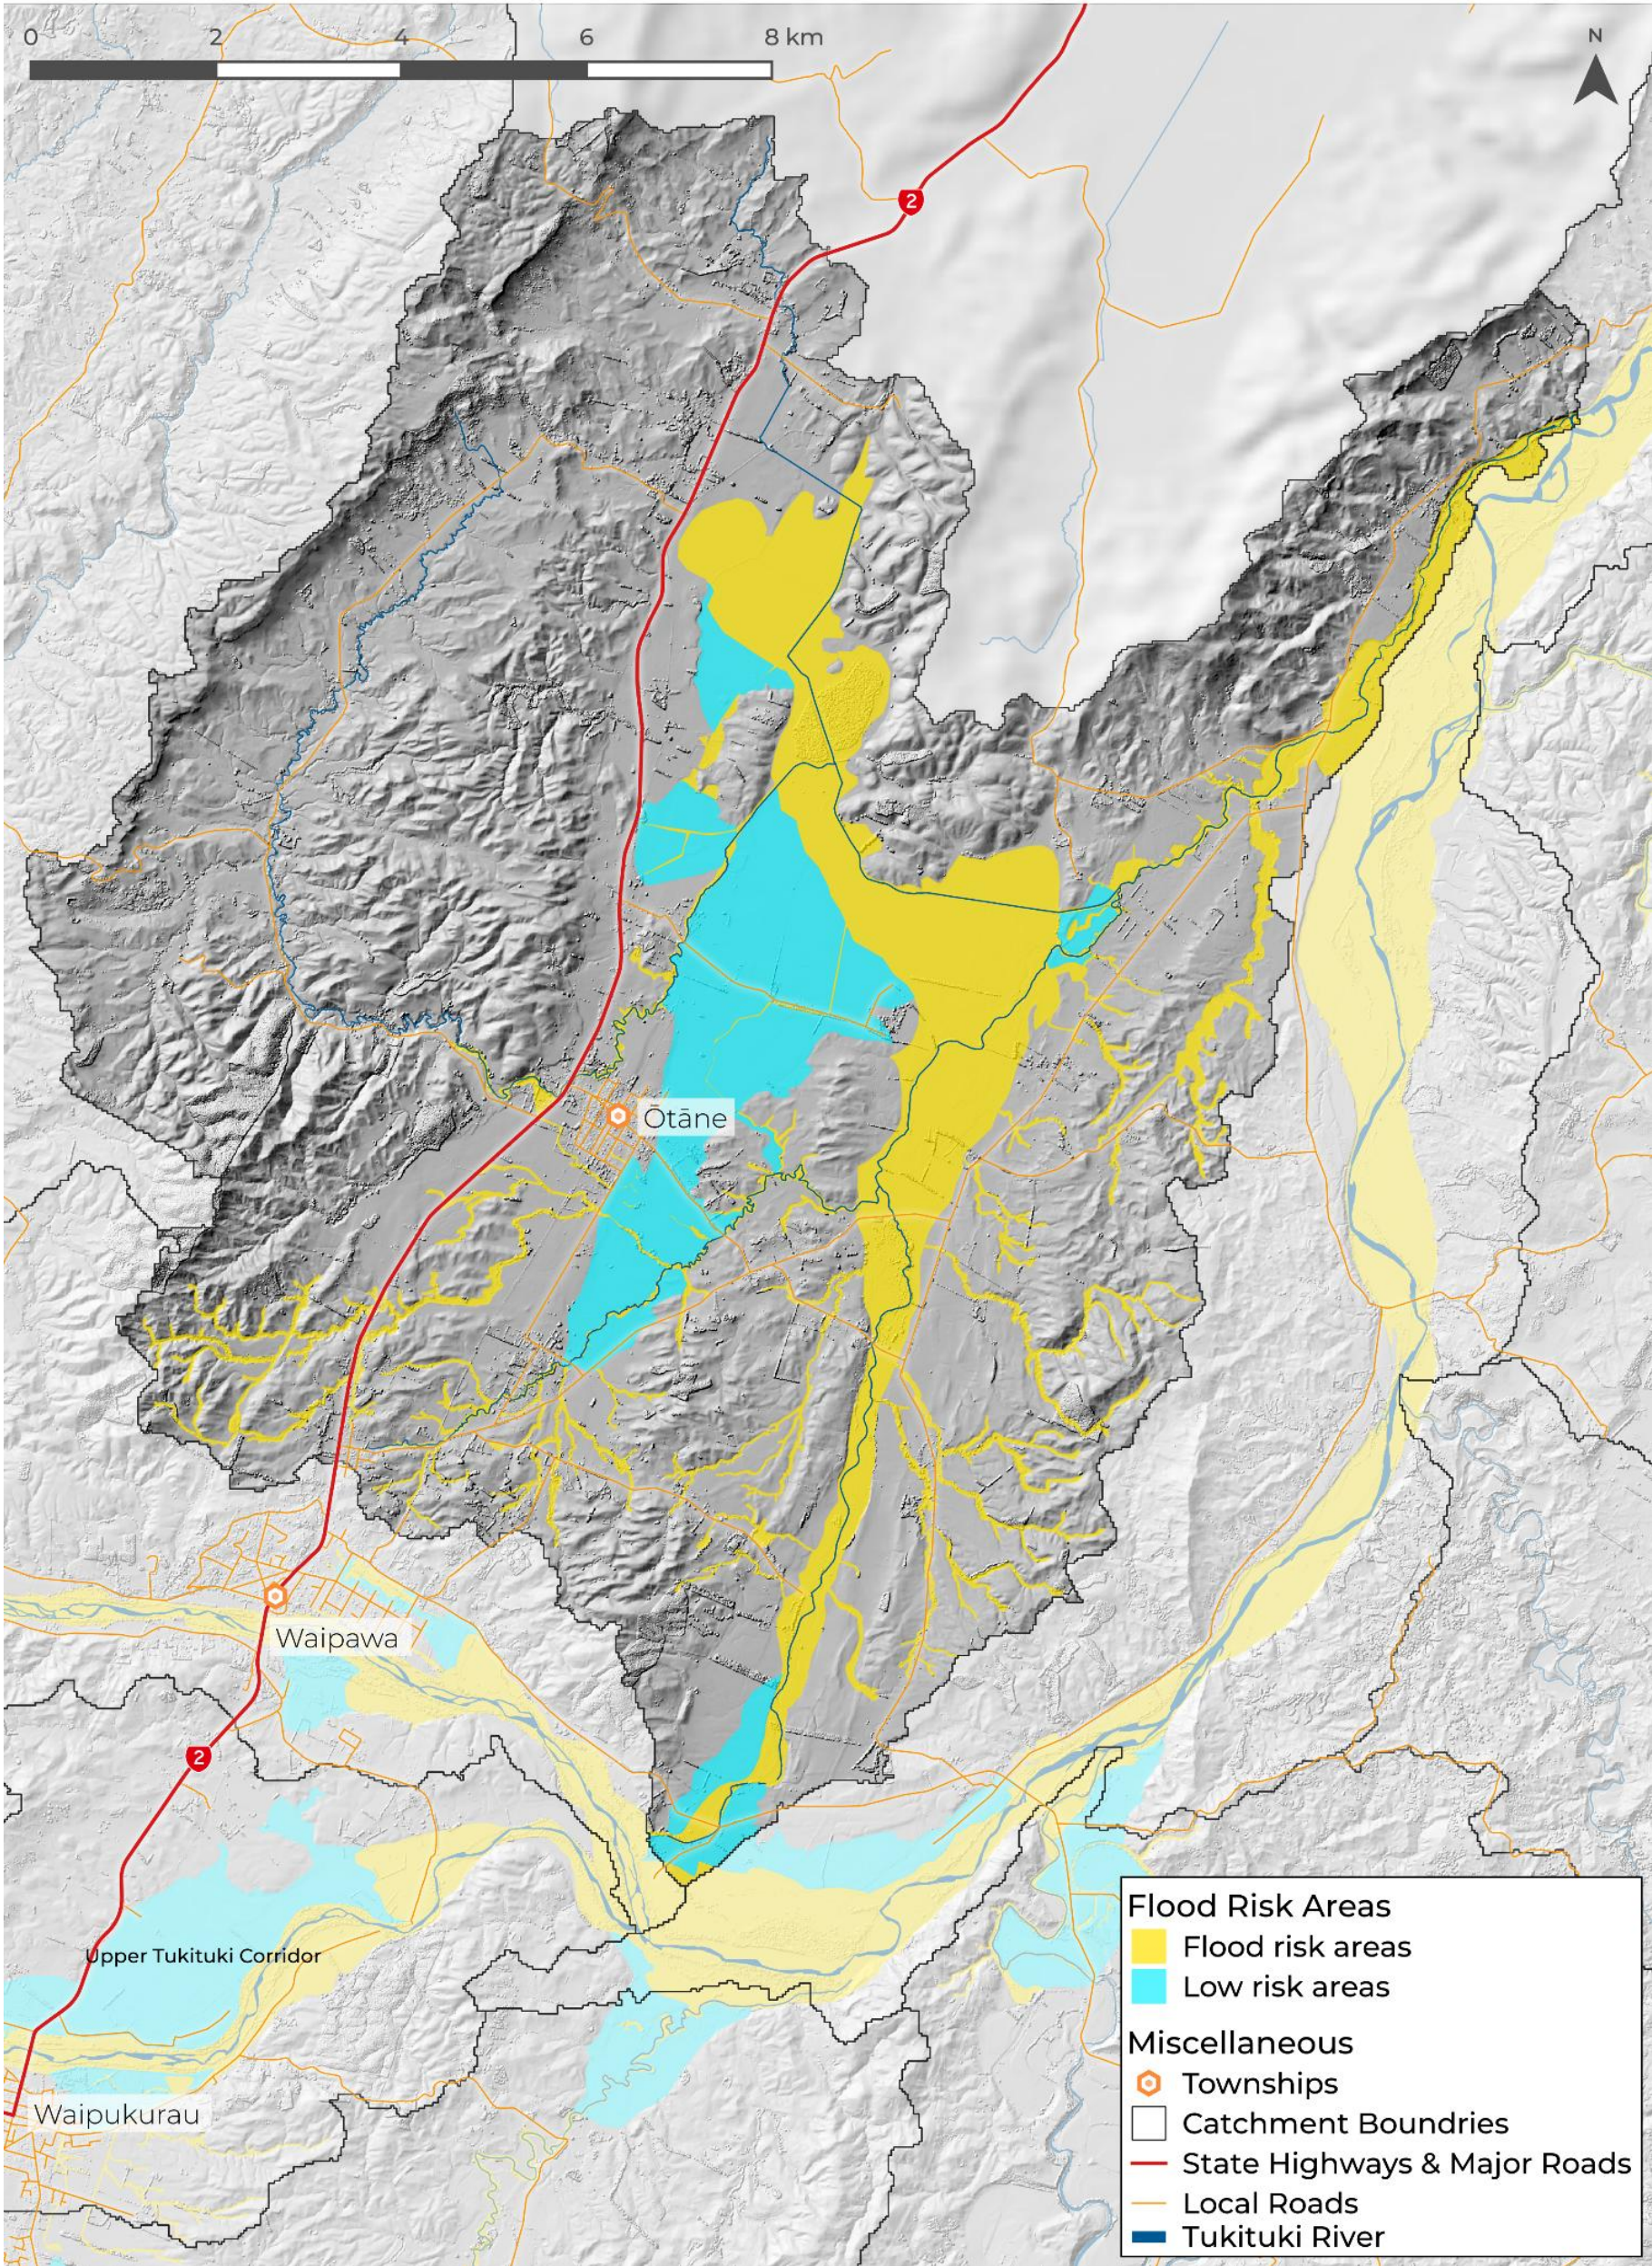

Cyclone Gabrielle Sediment Deposition Areas 2023 - Papanui

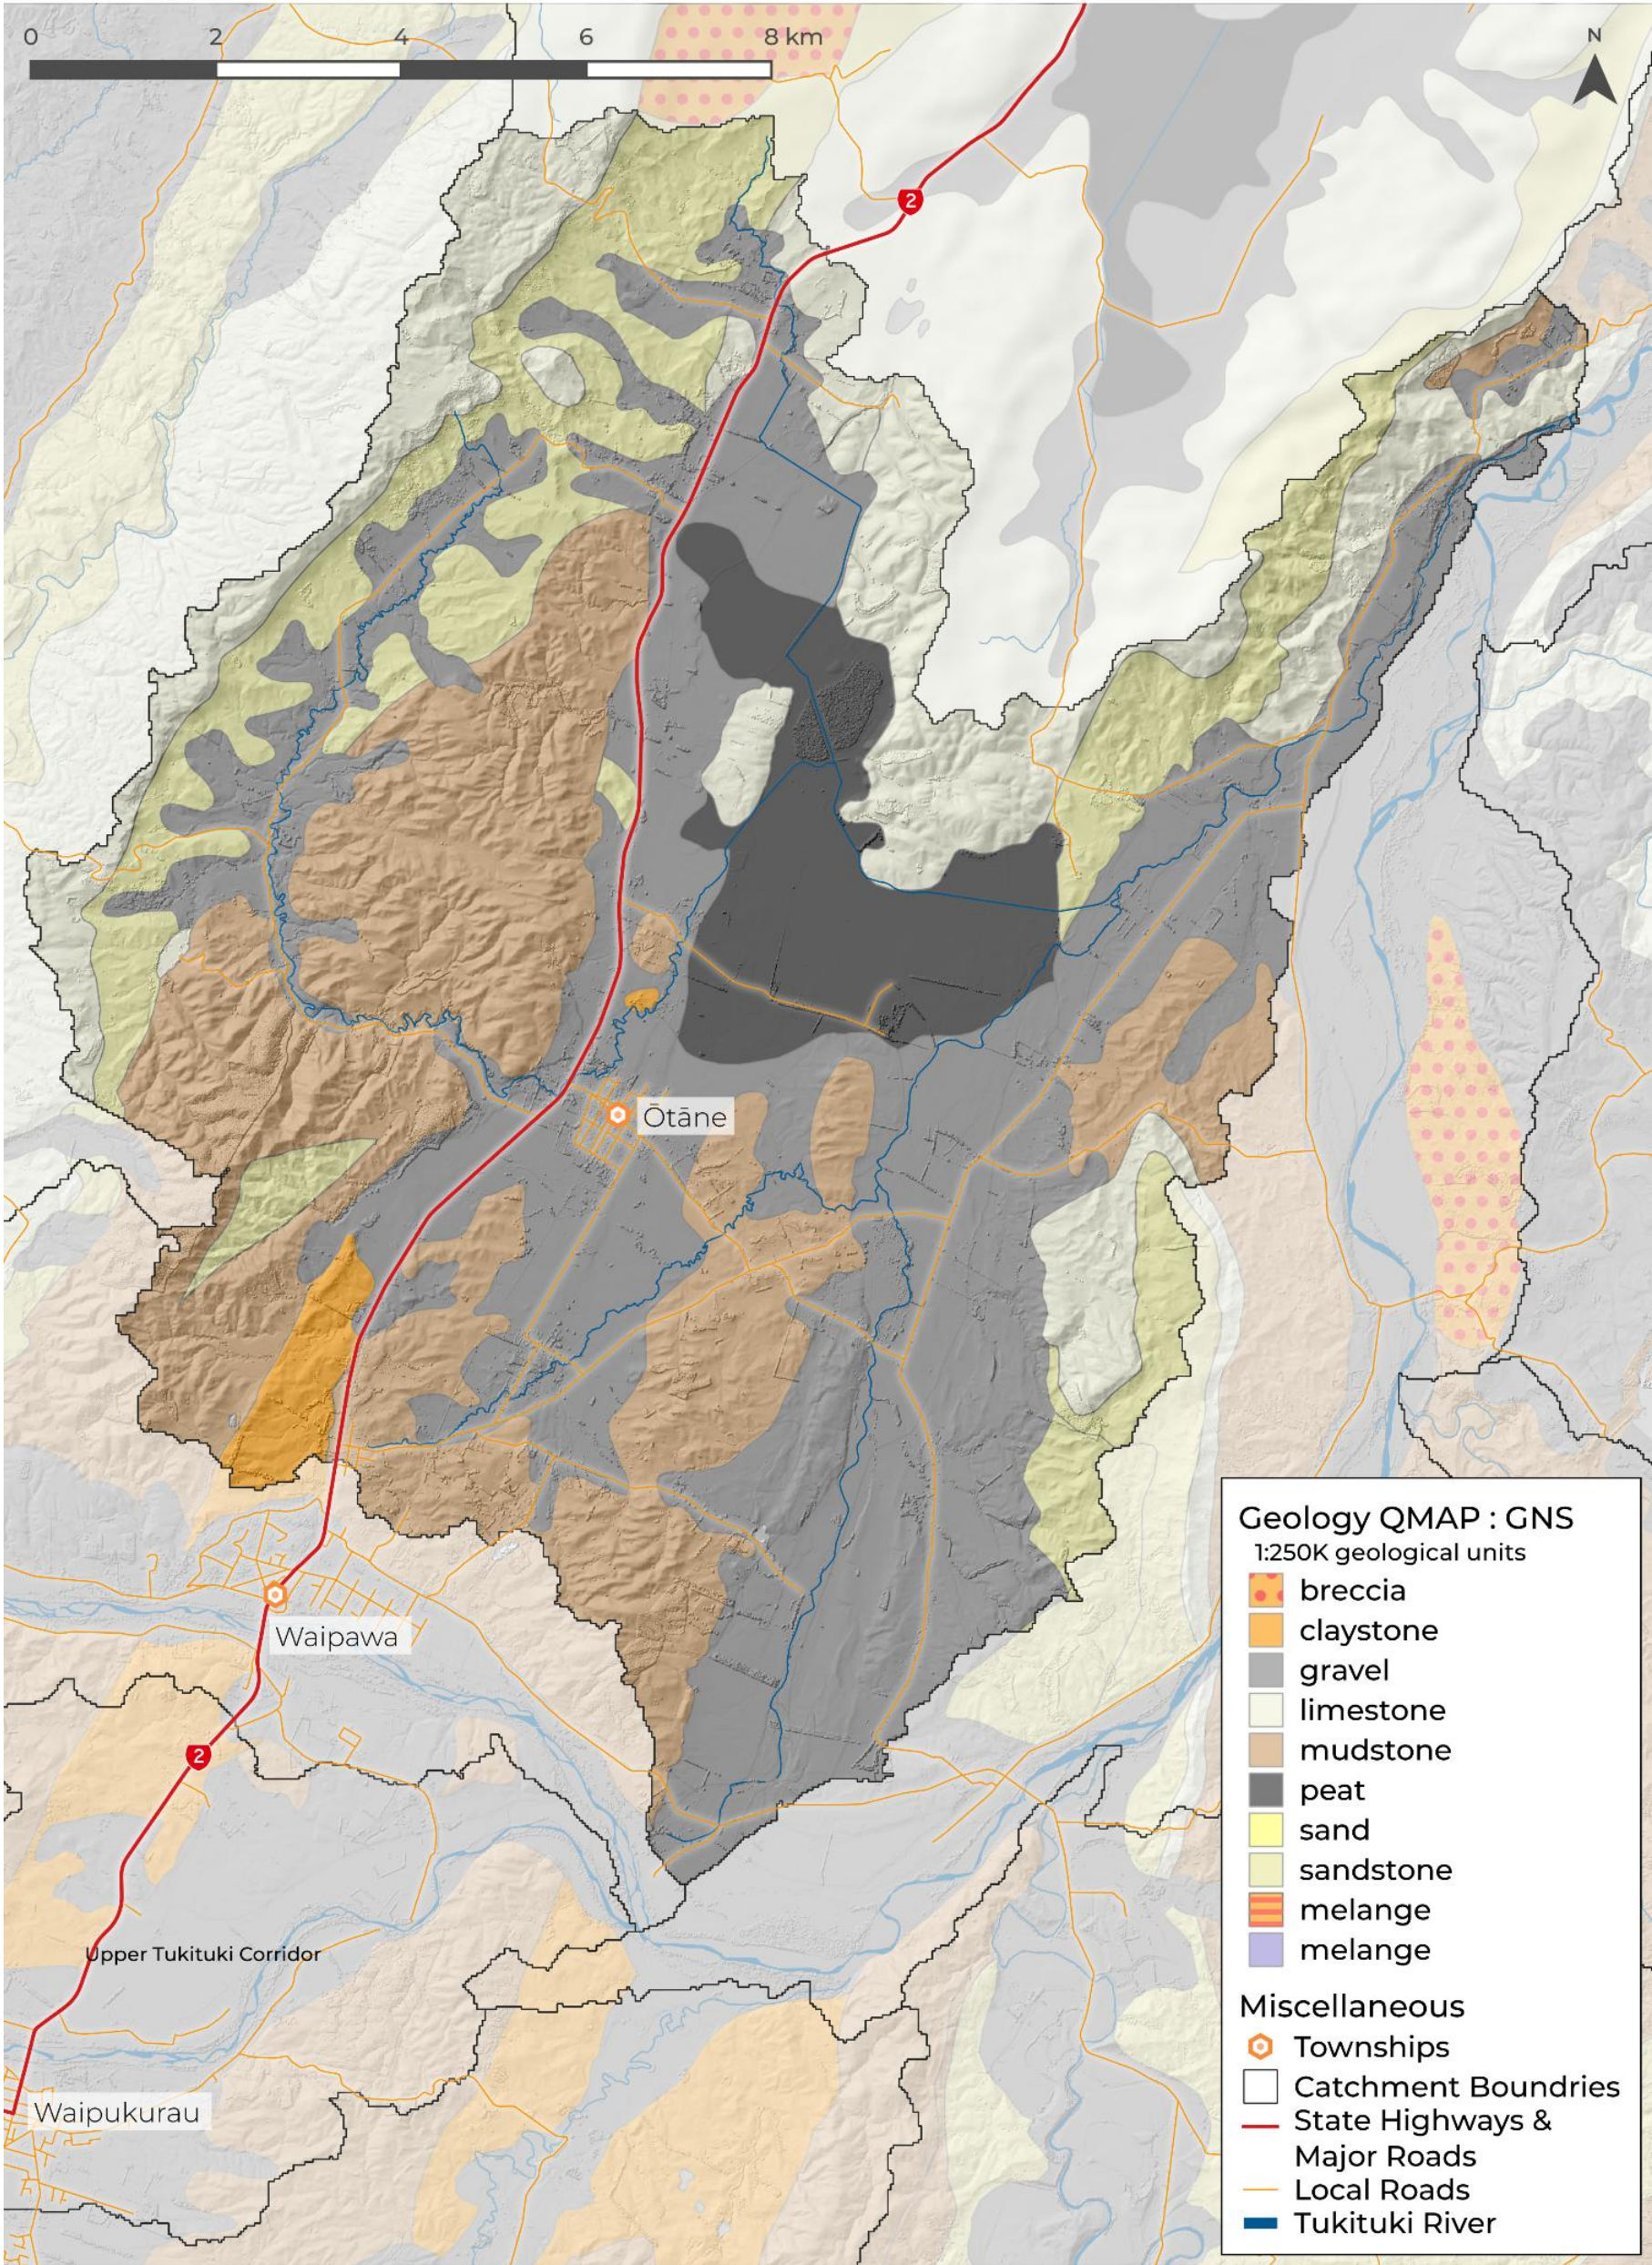

Cyclone Gabrielle Sediment Deposition Areas 2023 - Papanui

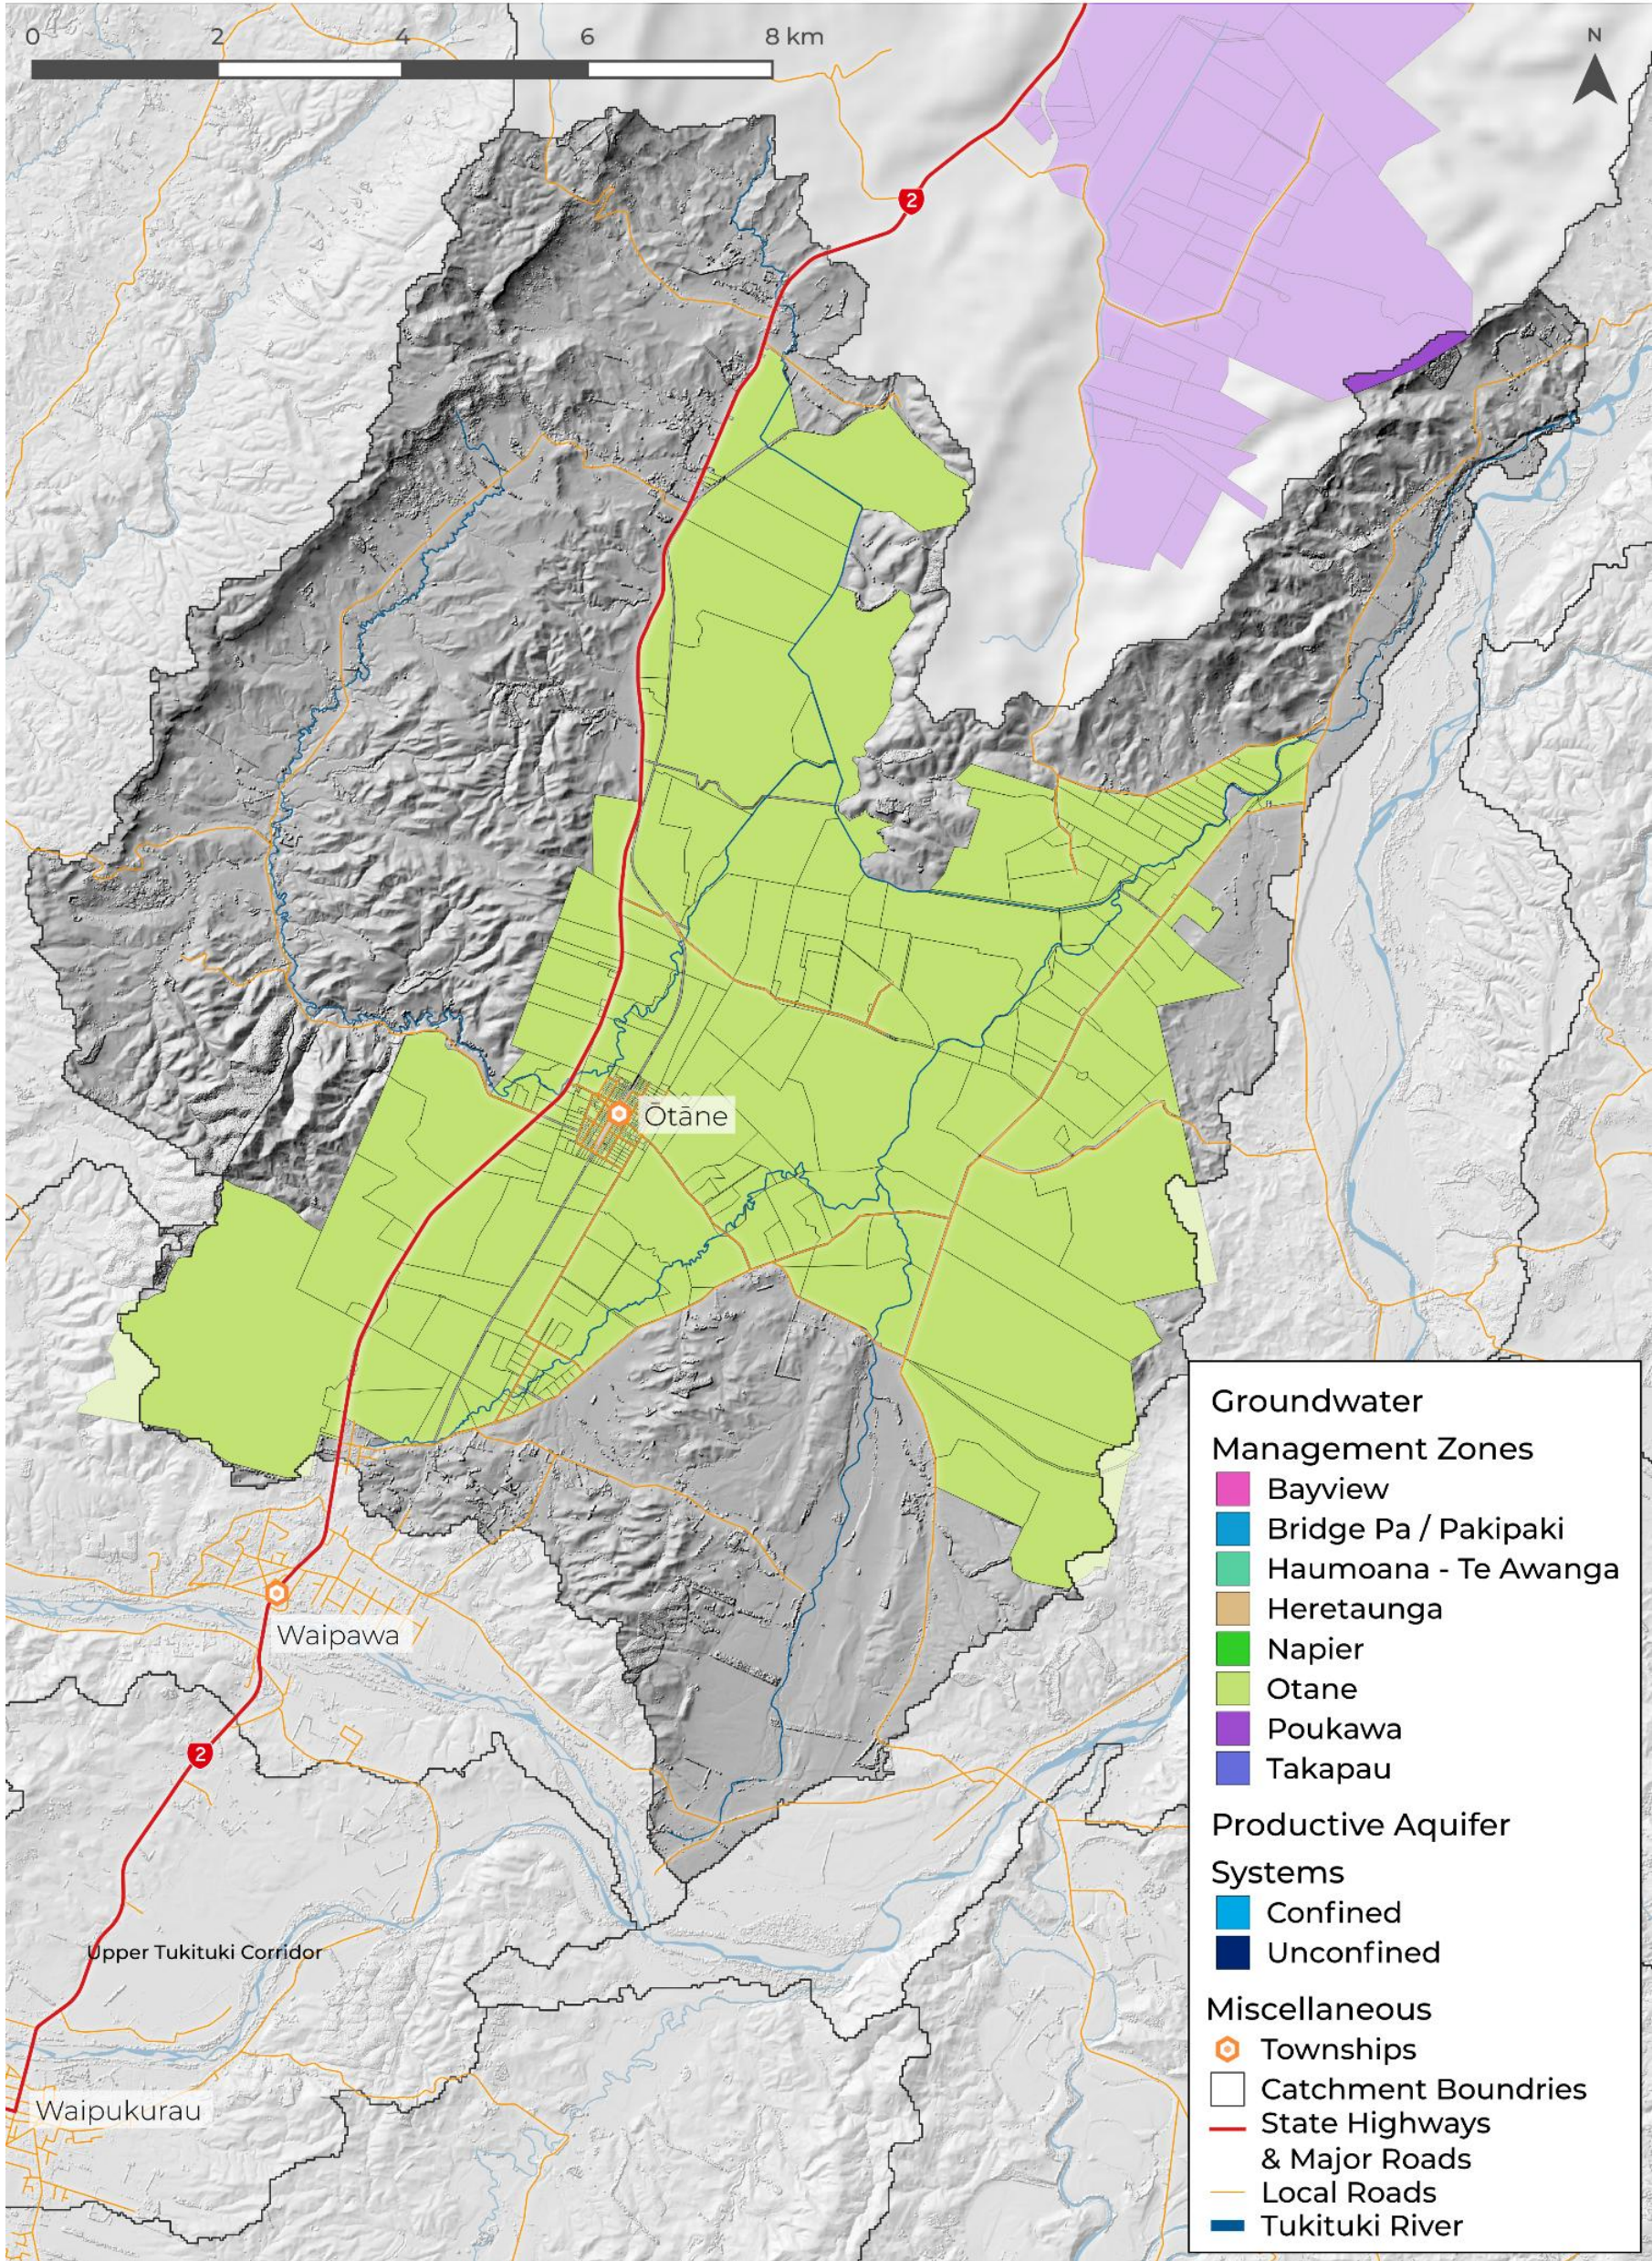

Flood Risk Areas - Papanui

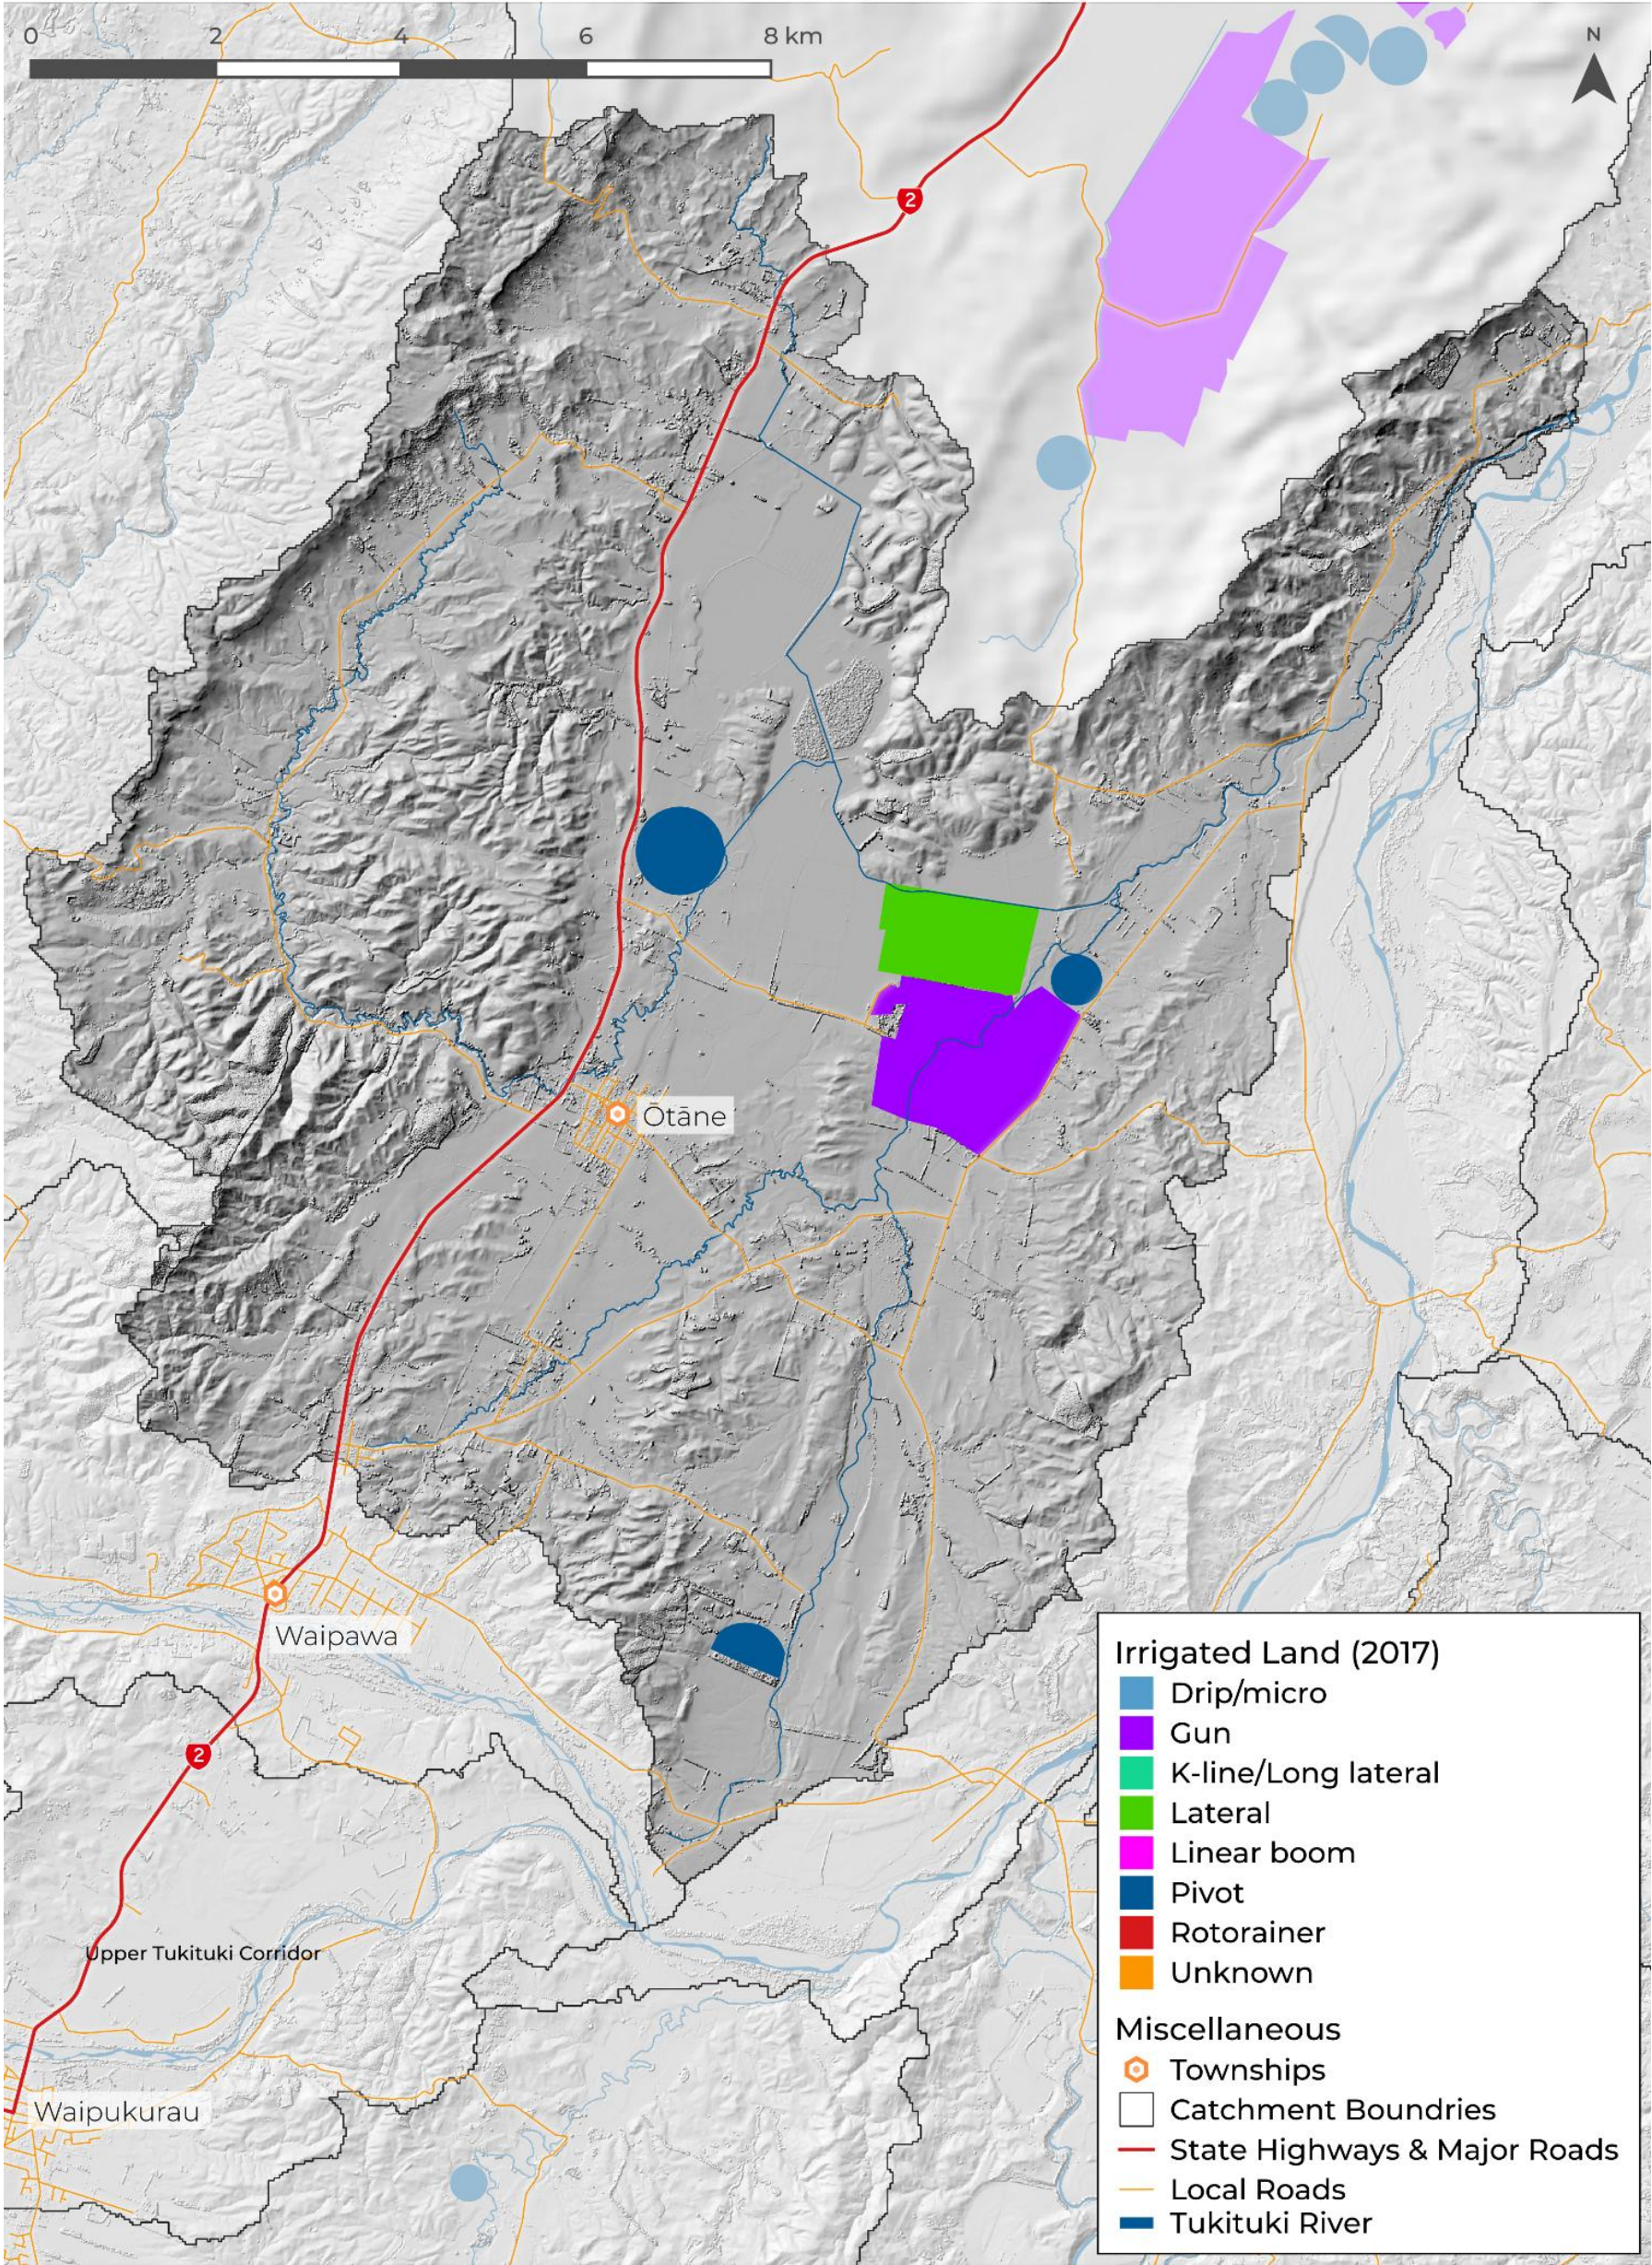

Geology QMAP: GNS - Papanui

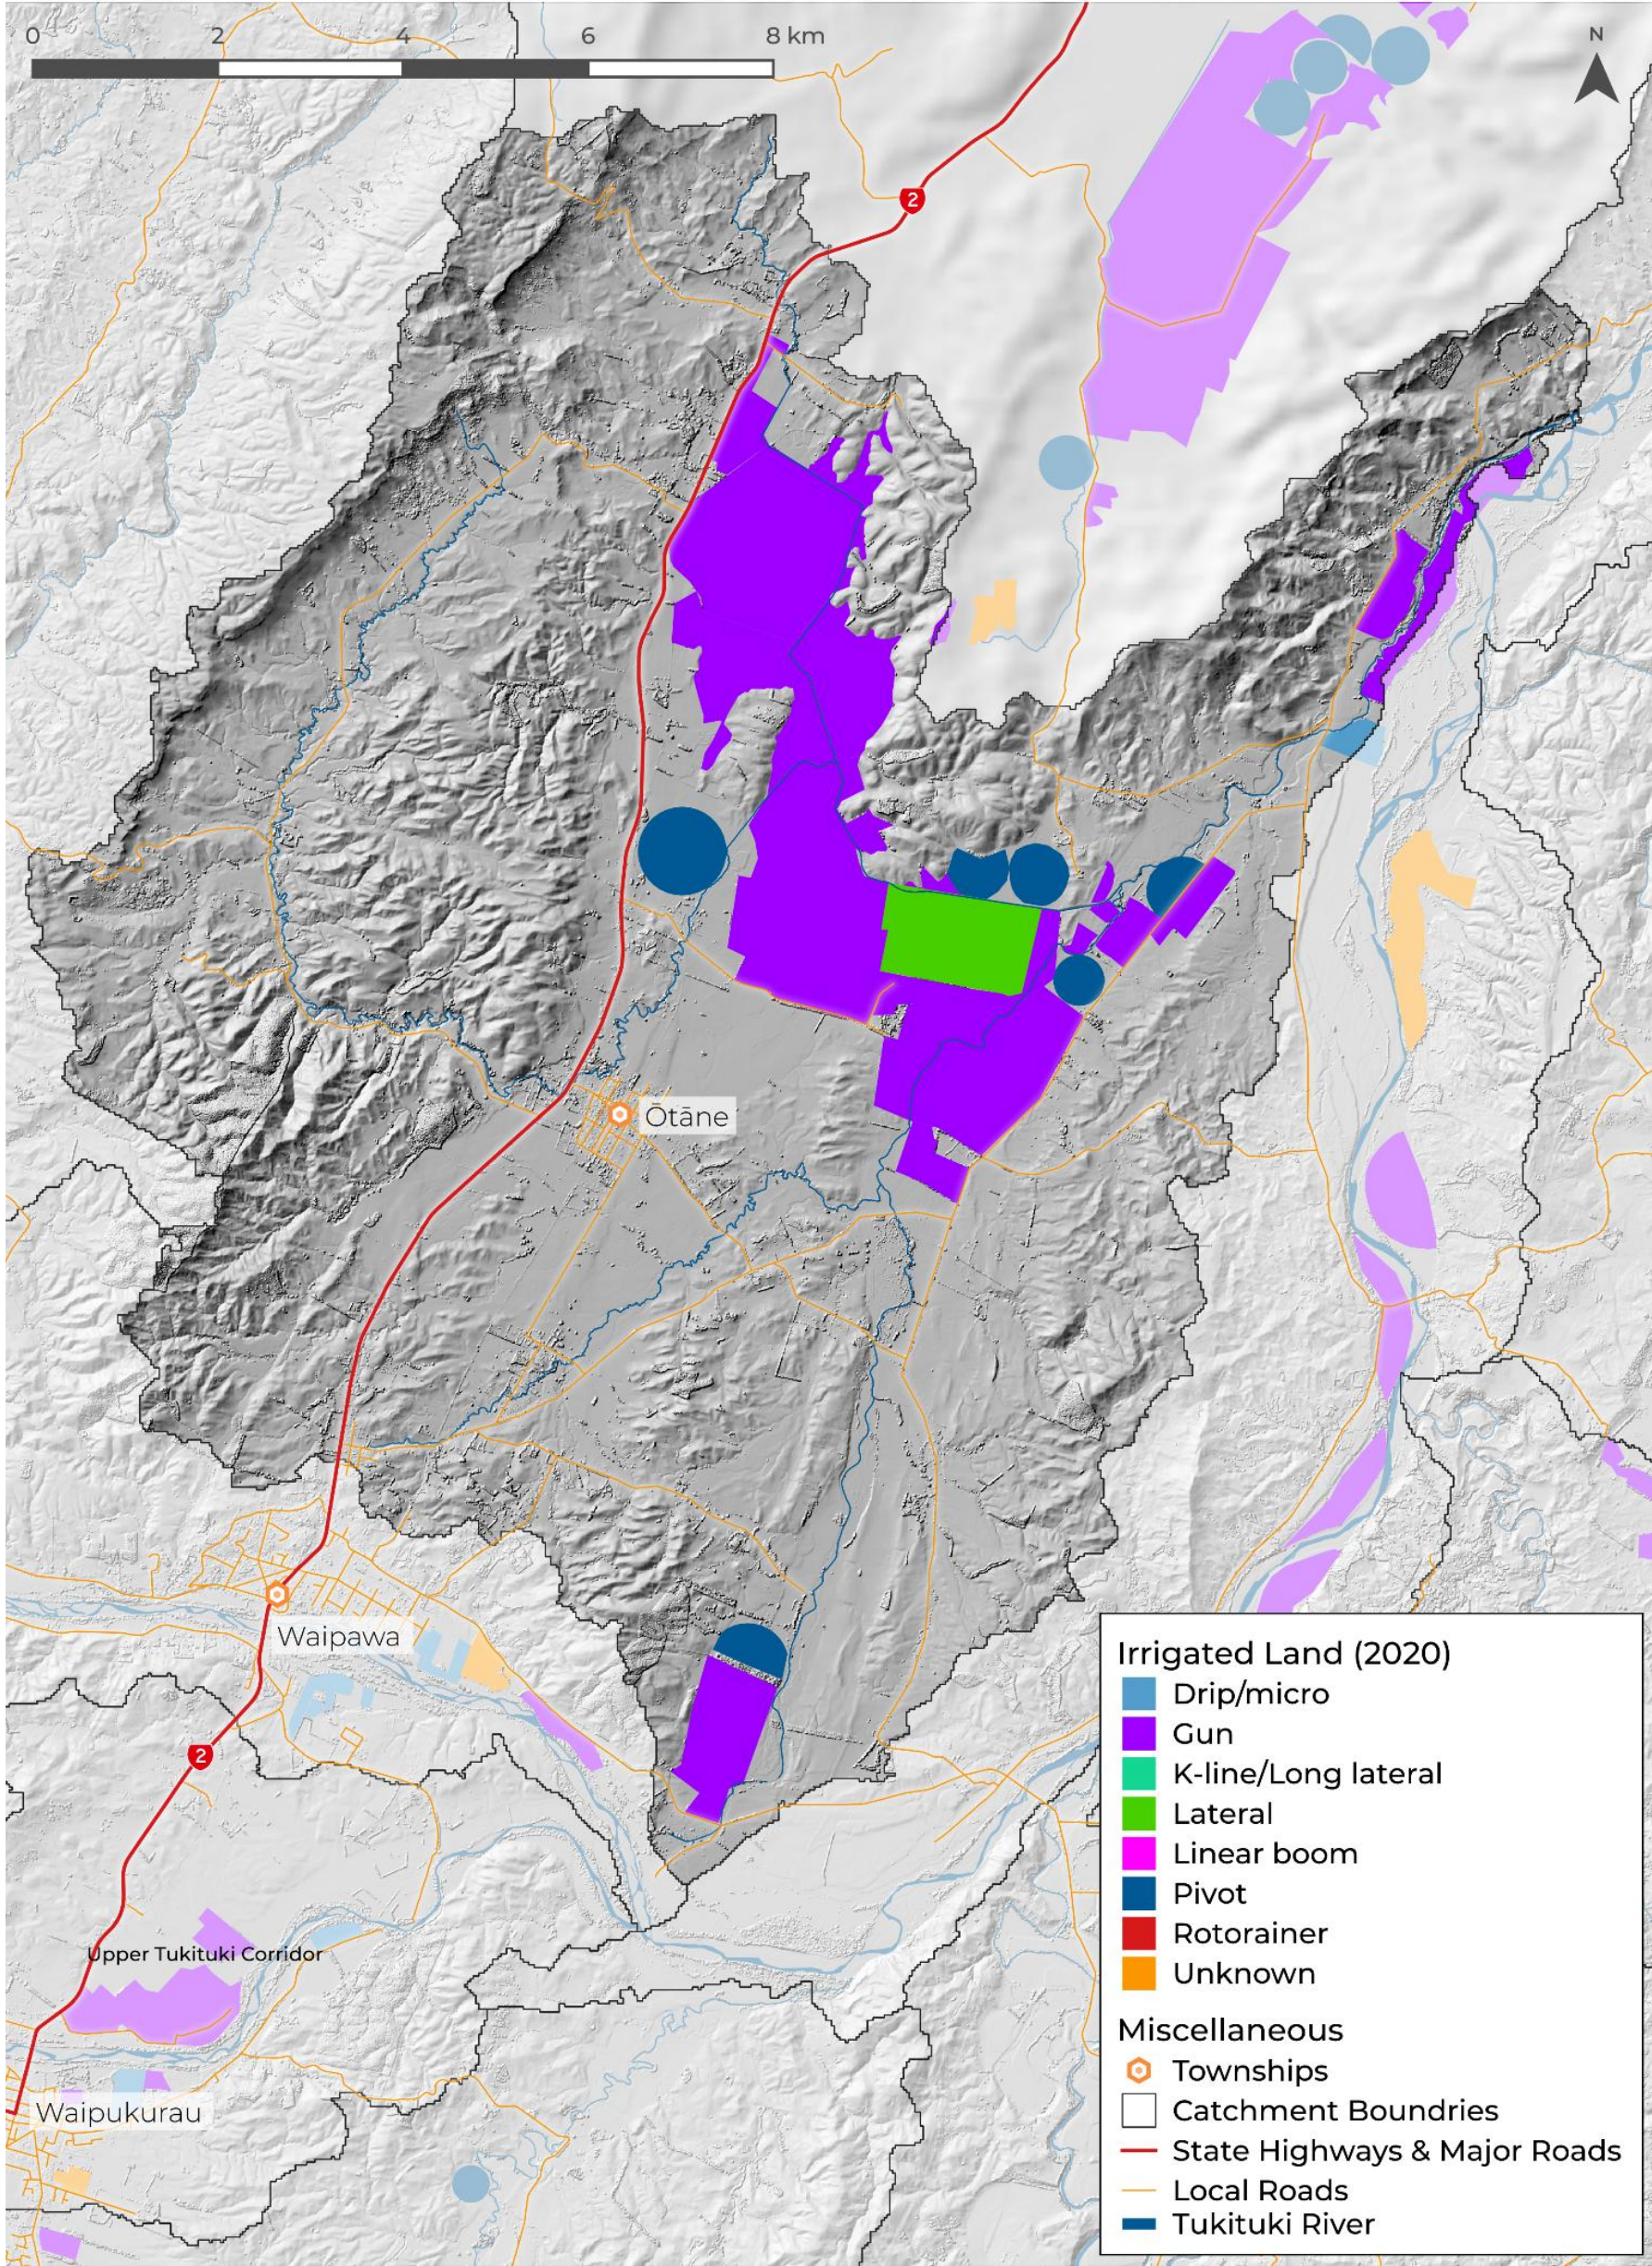

Groundwater - Papanui

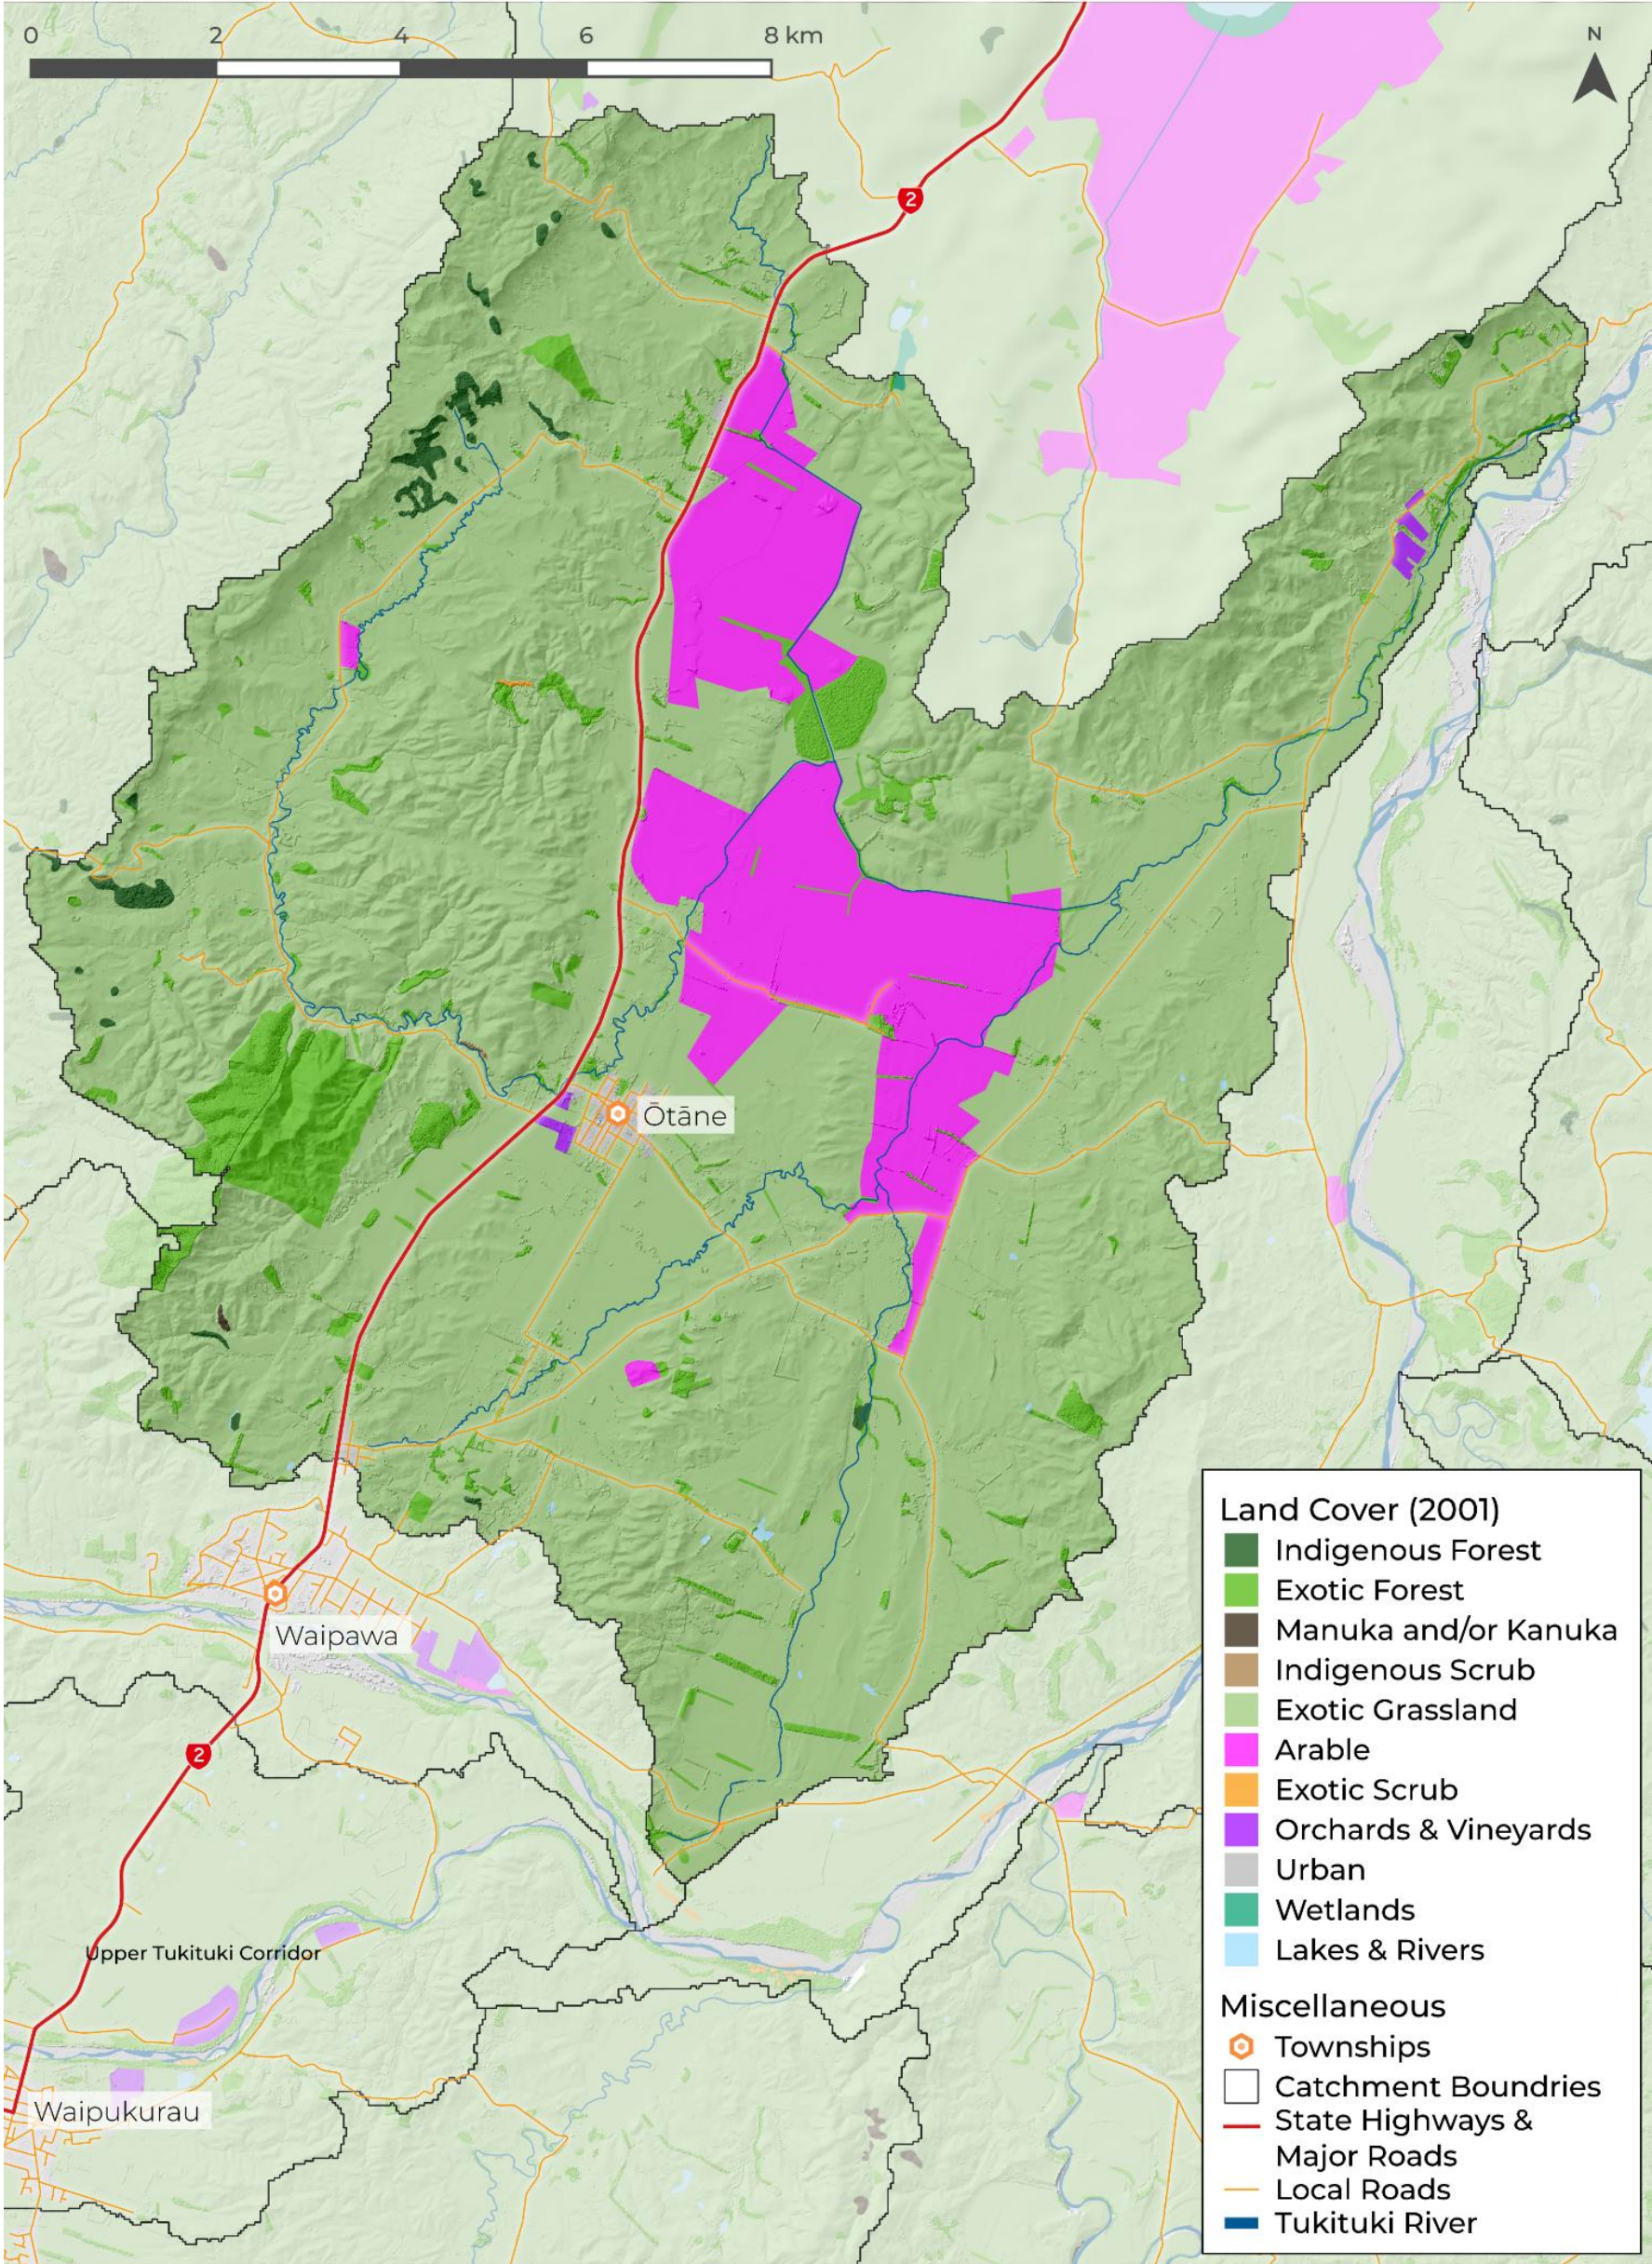

Irrigated Land (2017) - Papanui

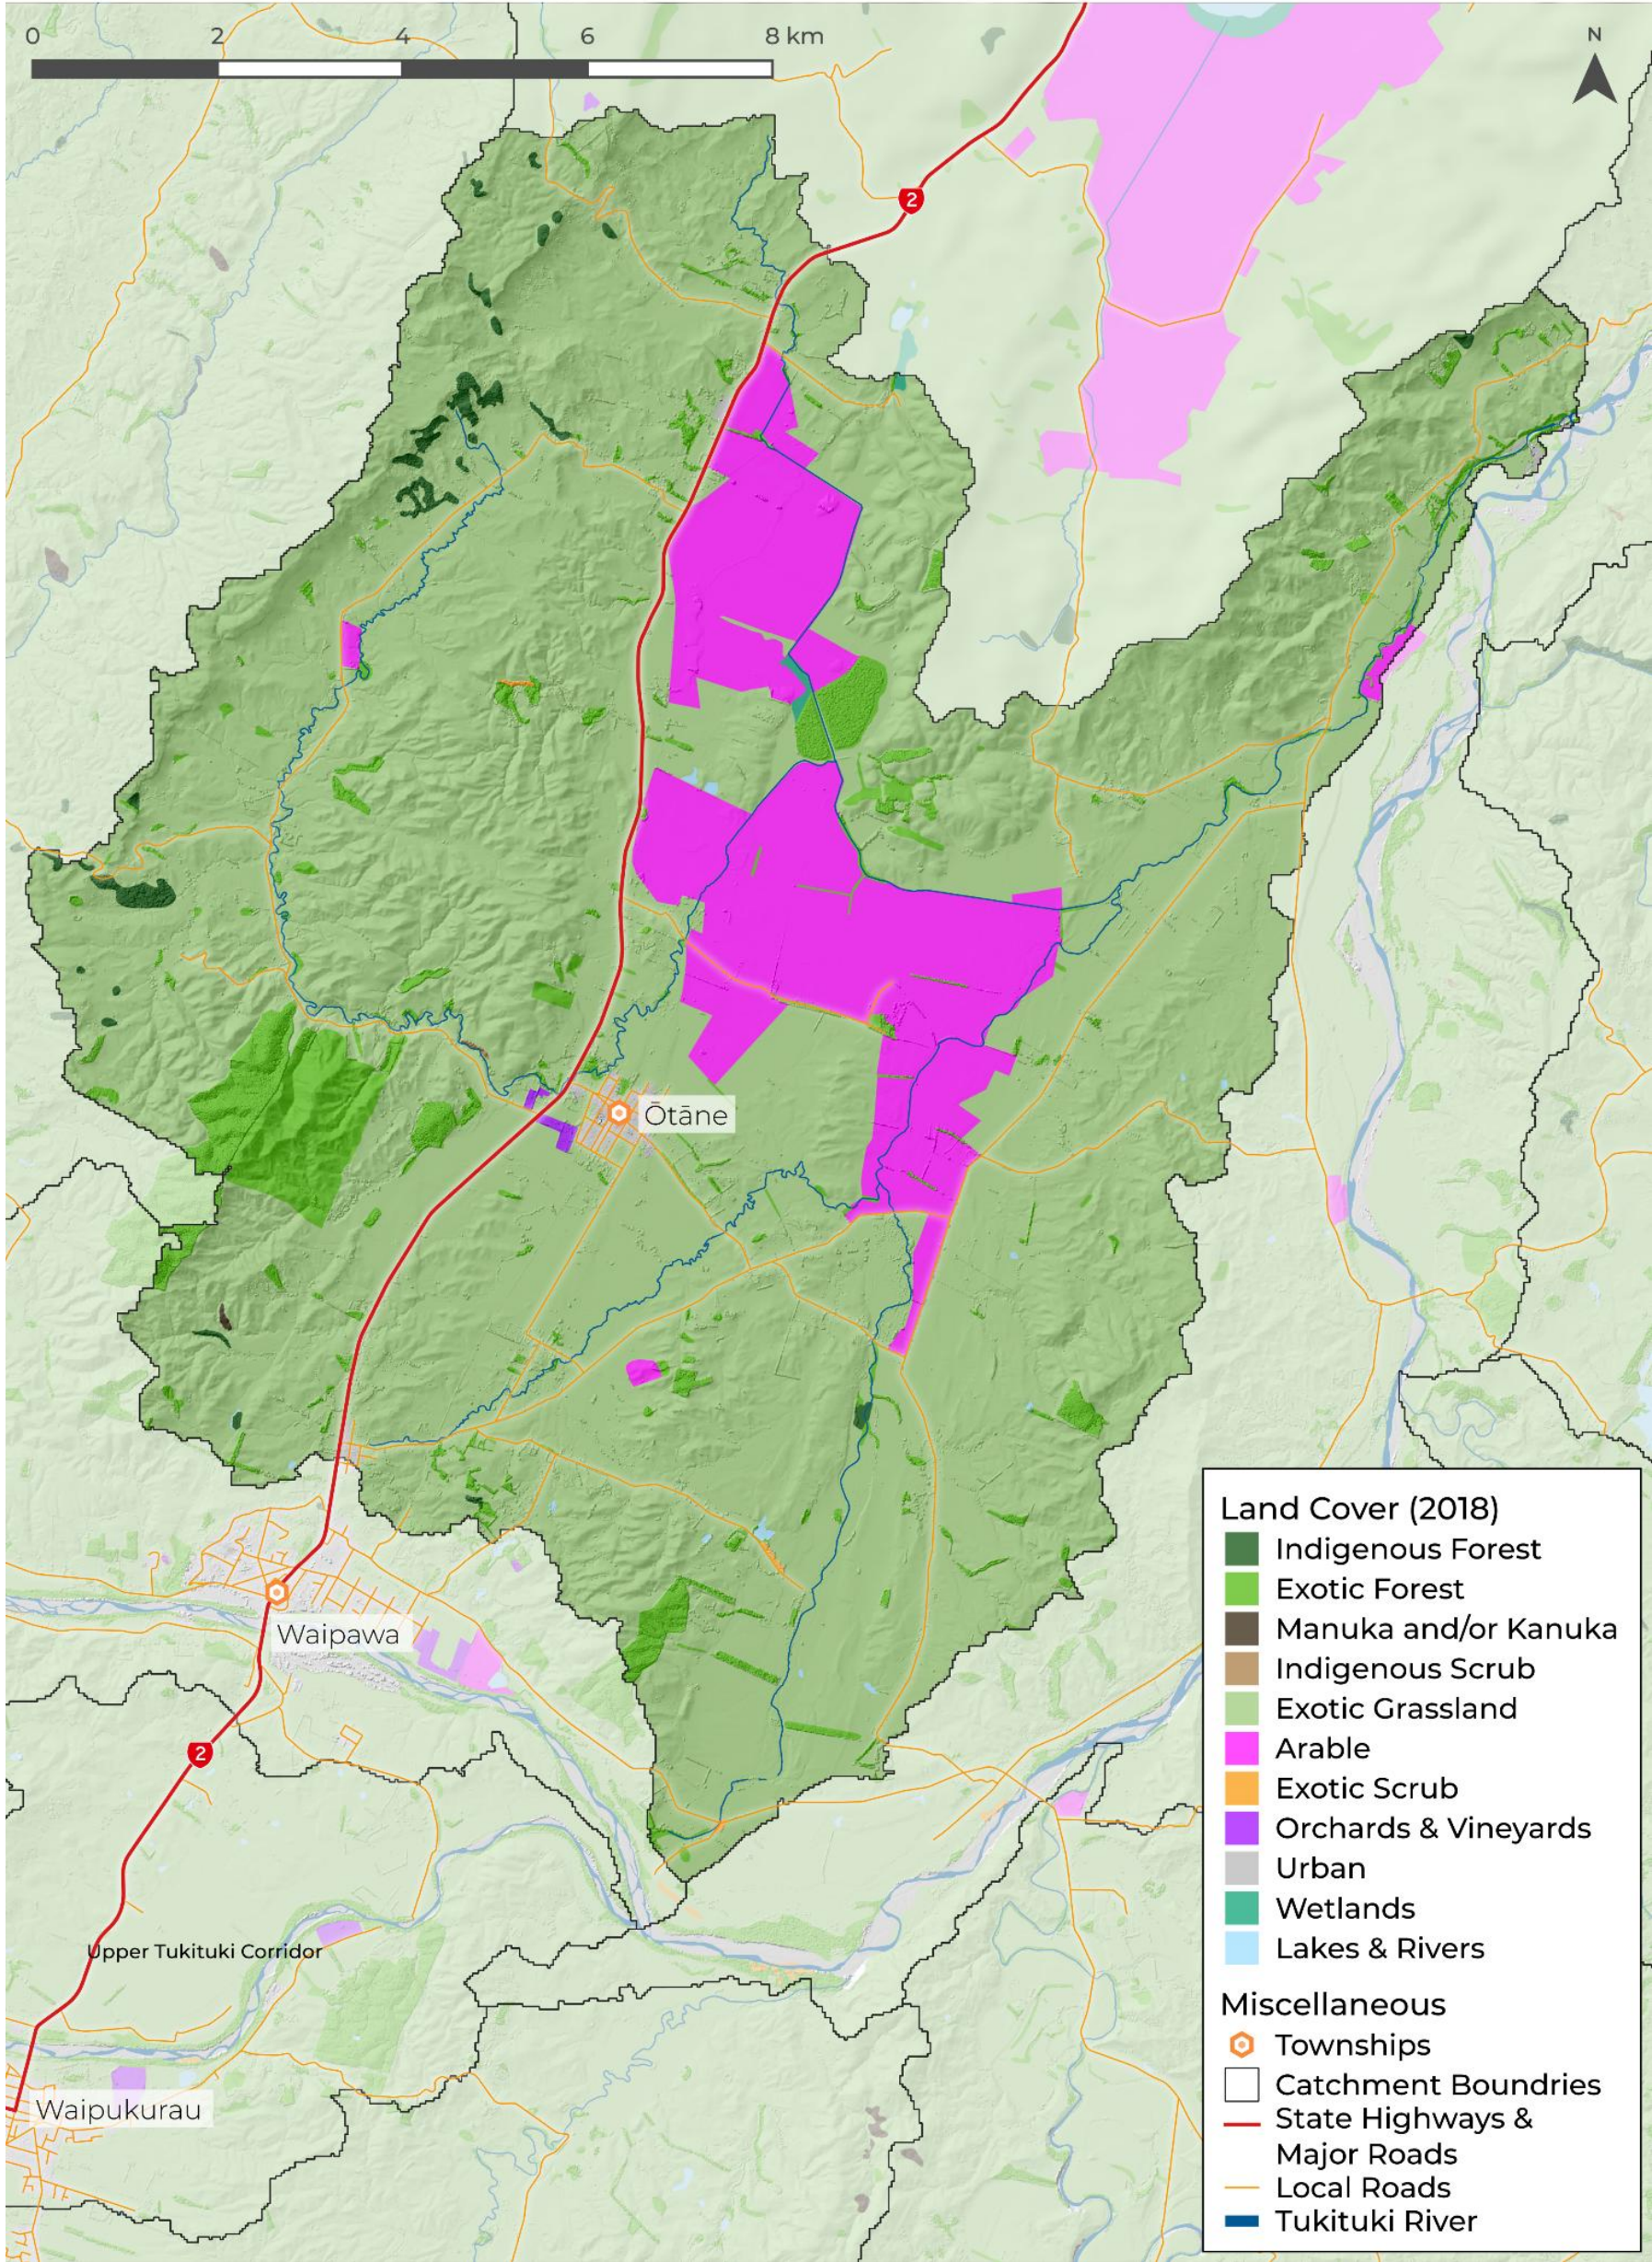

Irrigated Land (2020) - Papanui

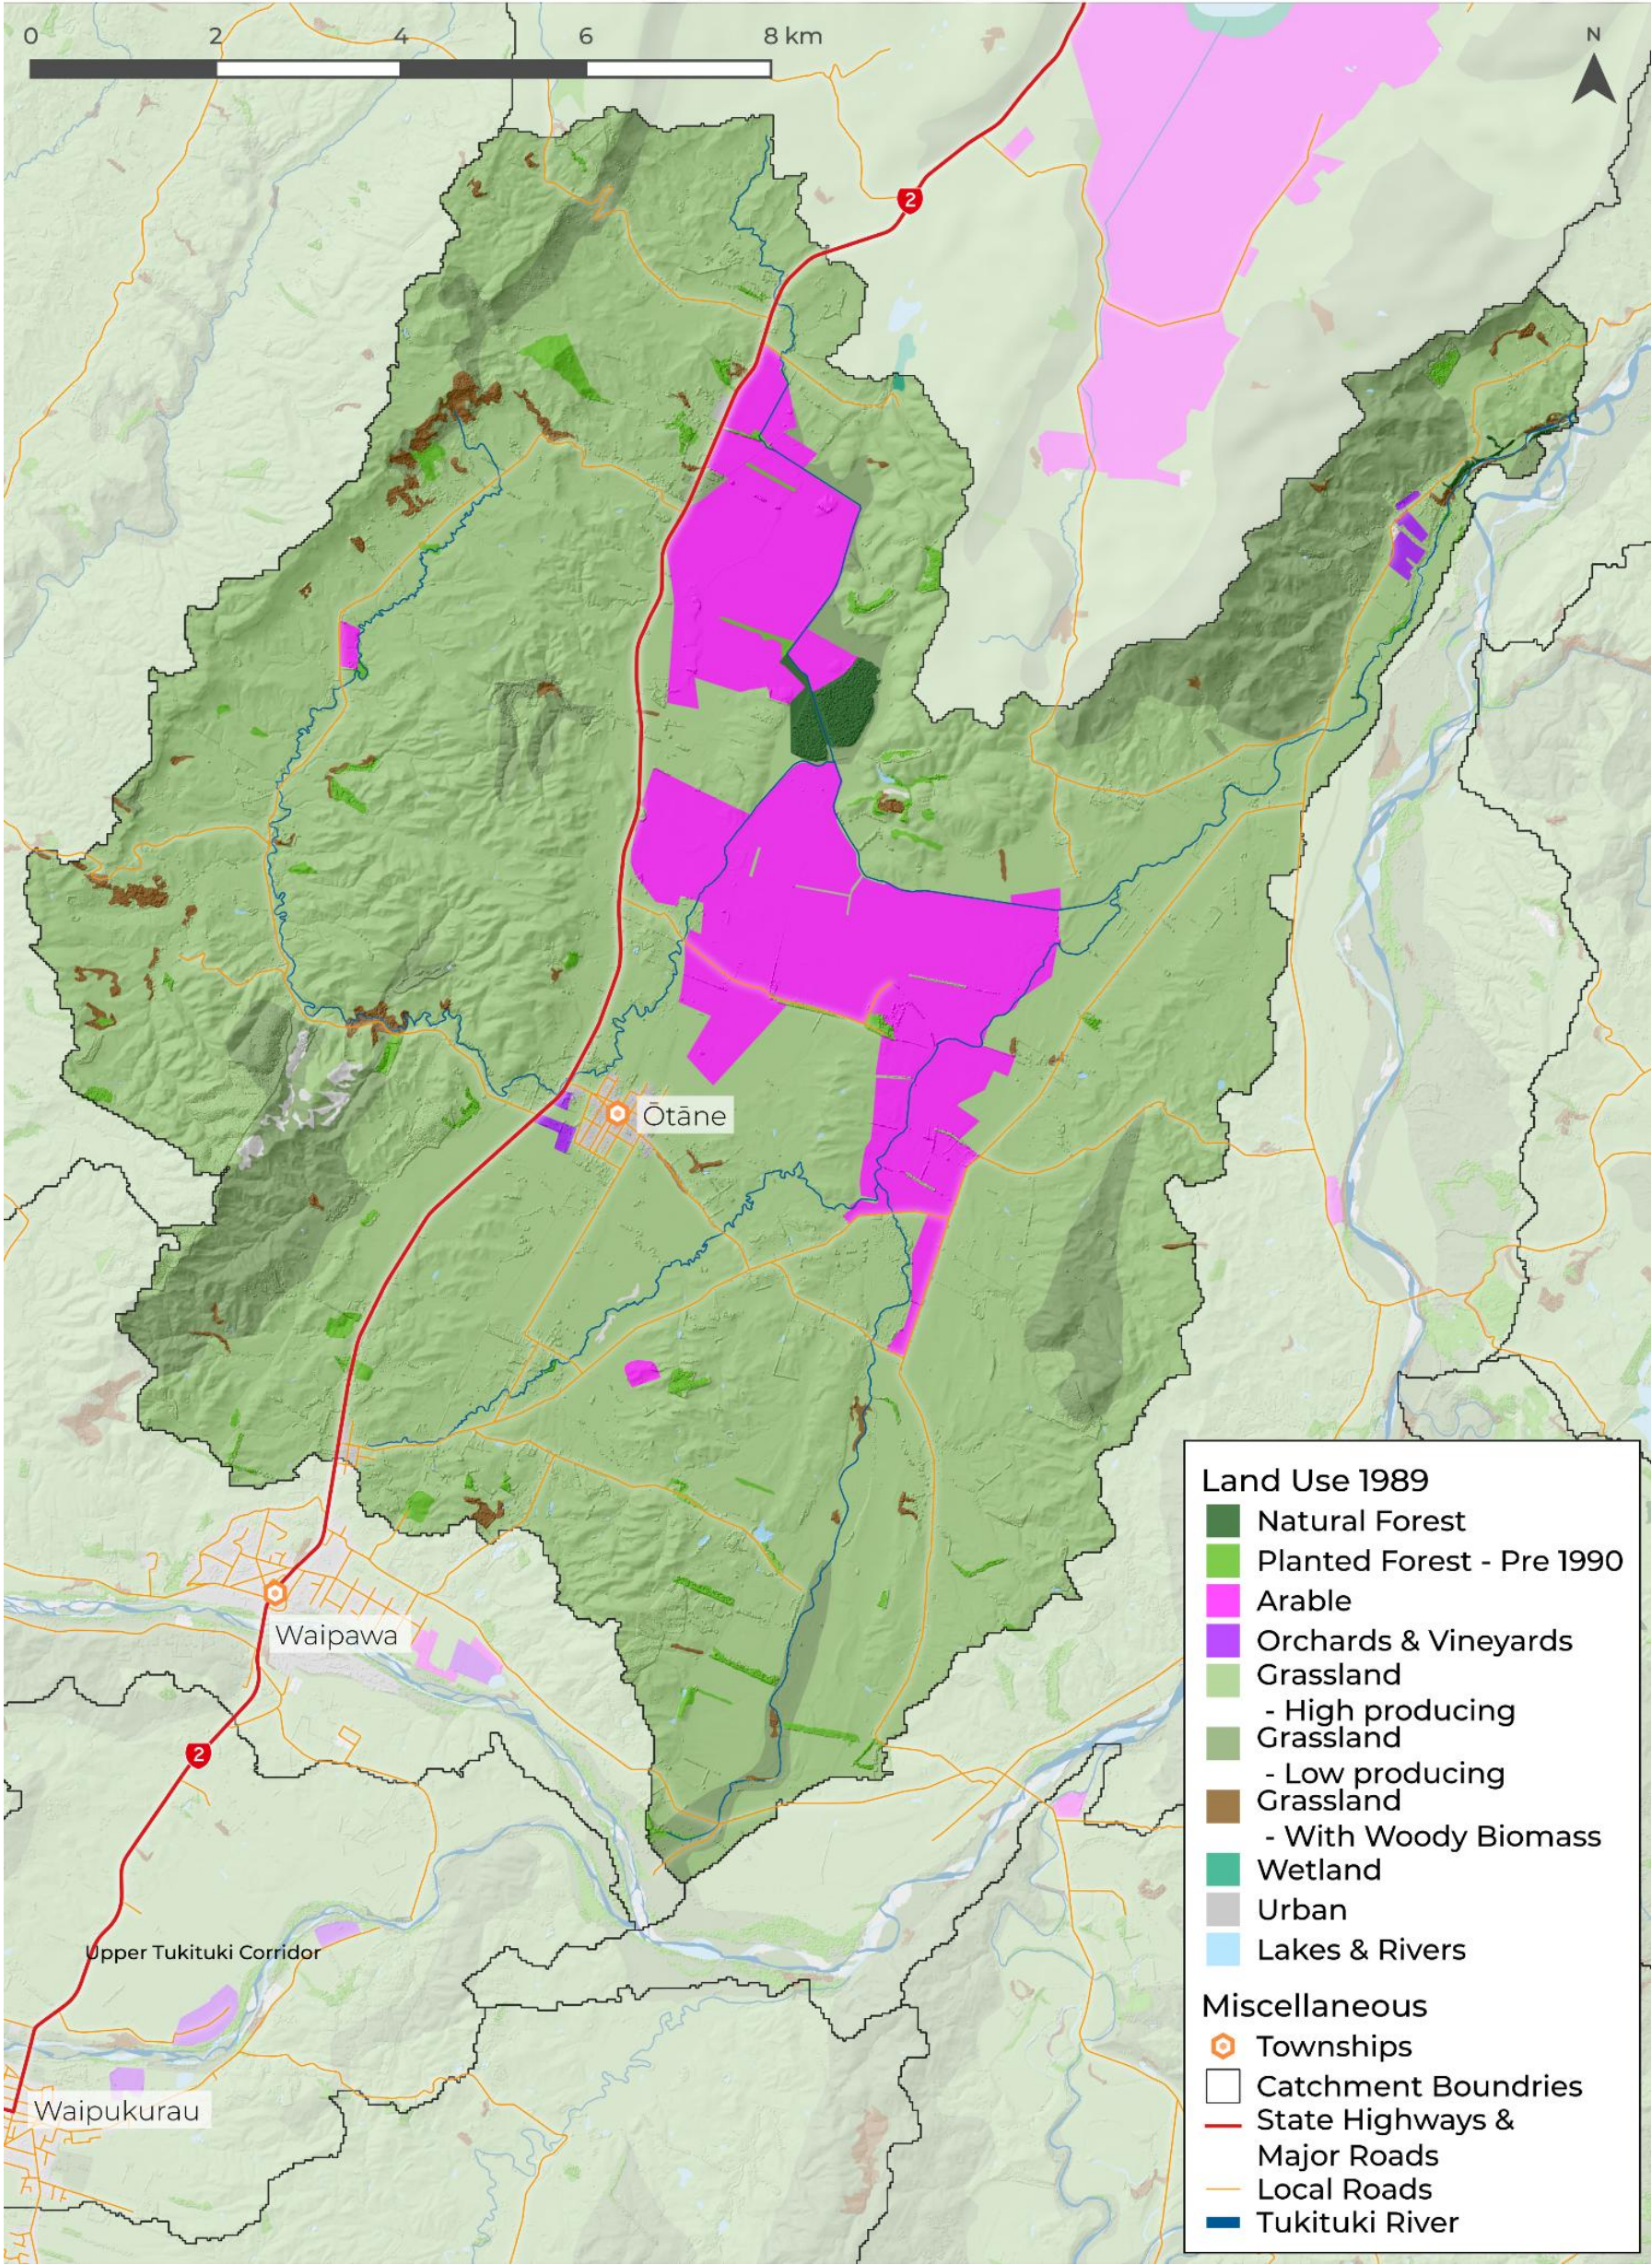

Land Cover (2001) - Papanui

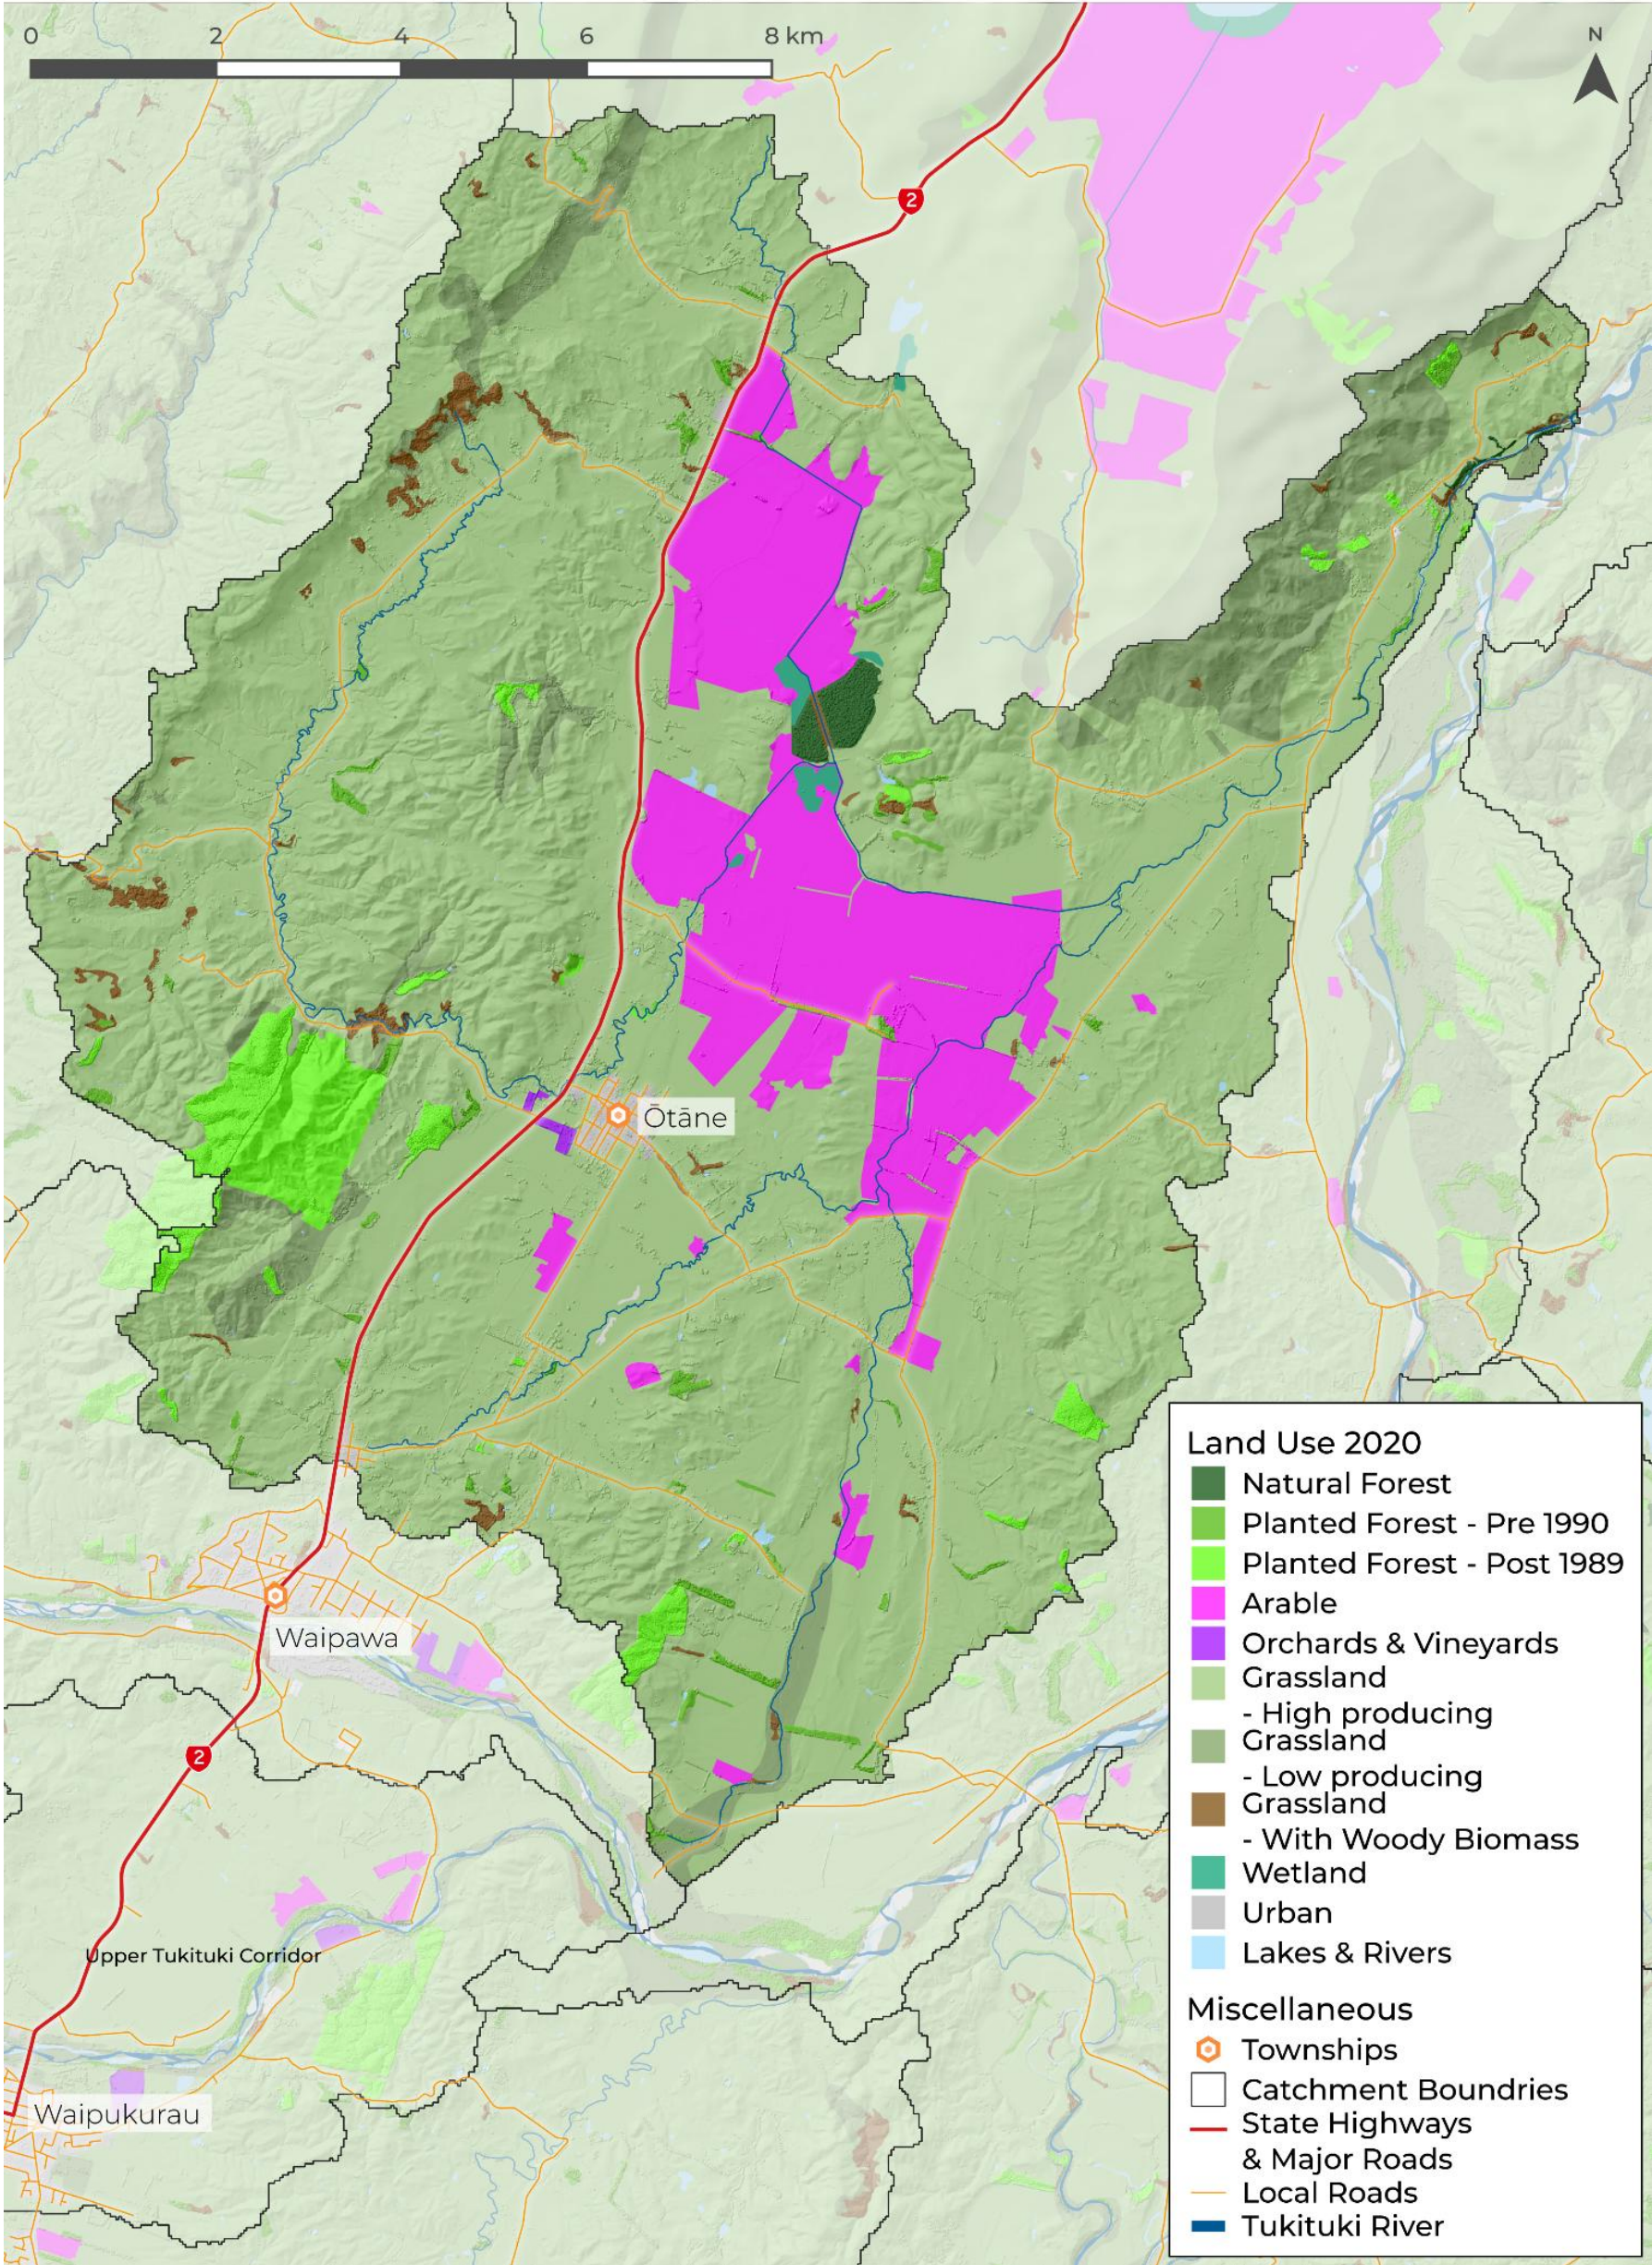

Land Cover (2018) - Papanui

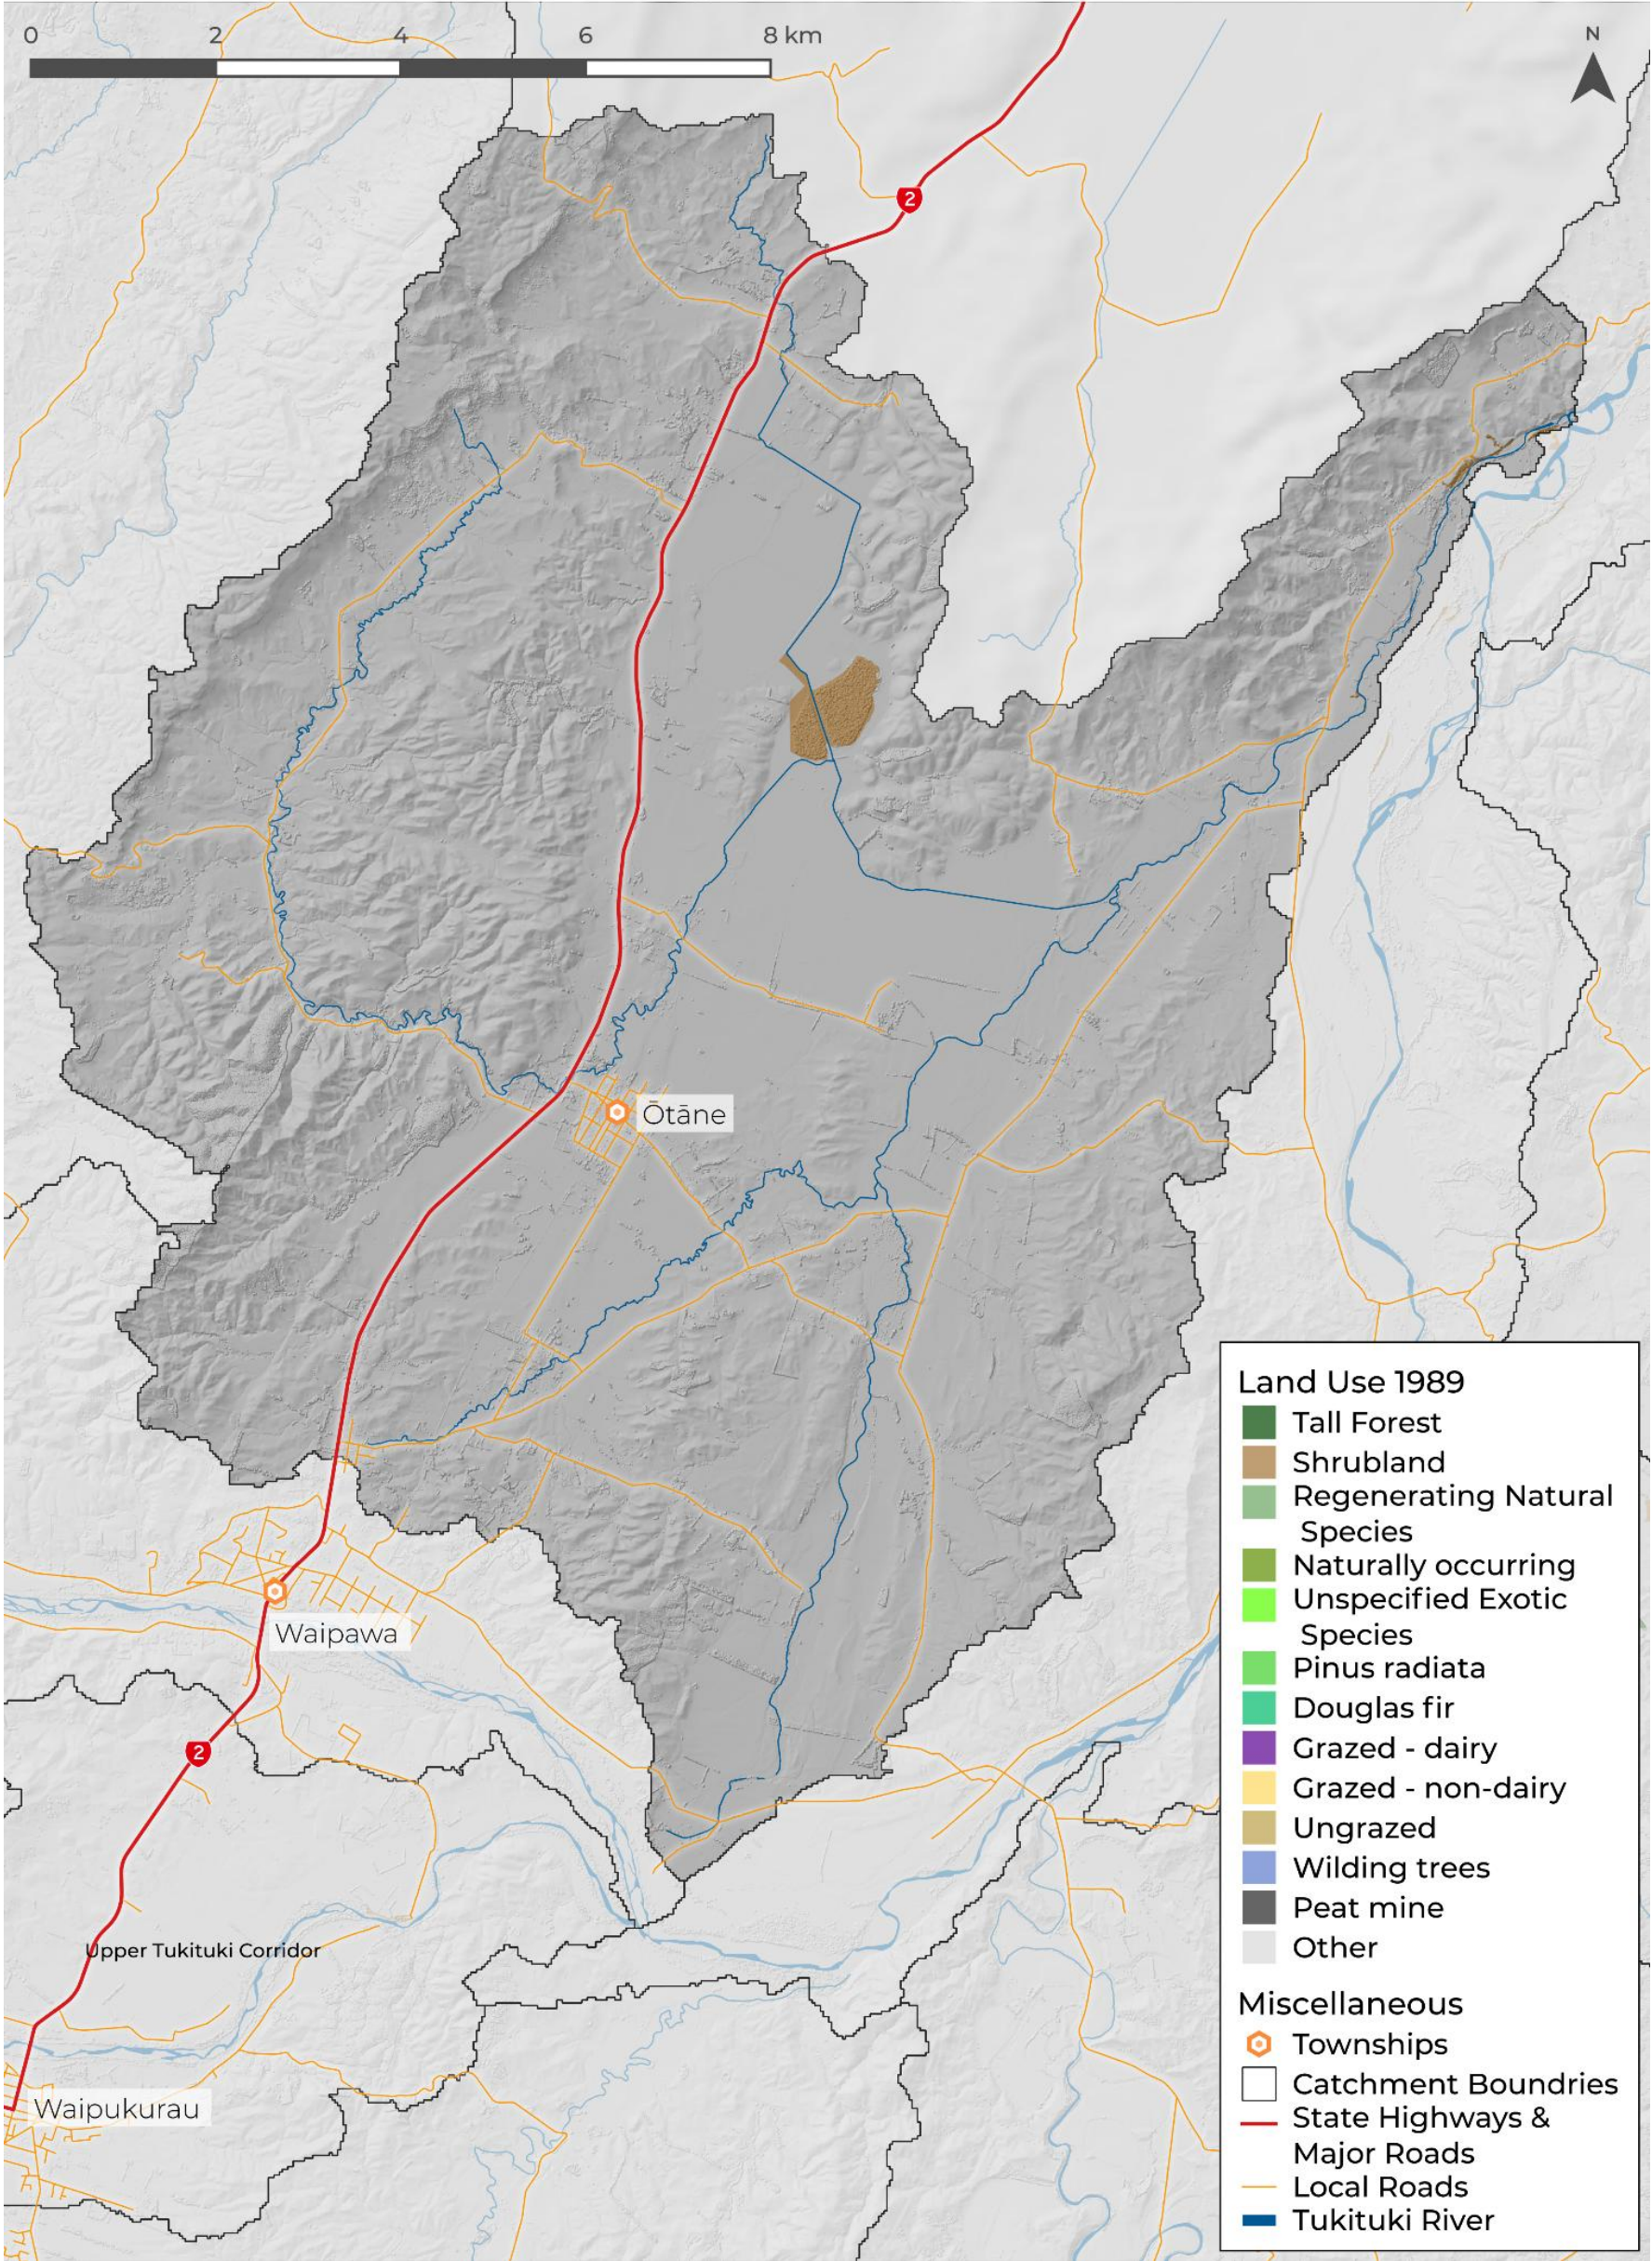

Land Use (LUCAS) 1989 - Papanui

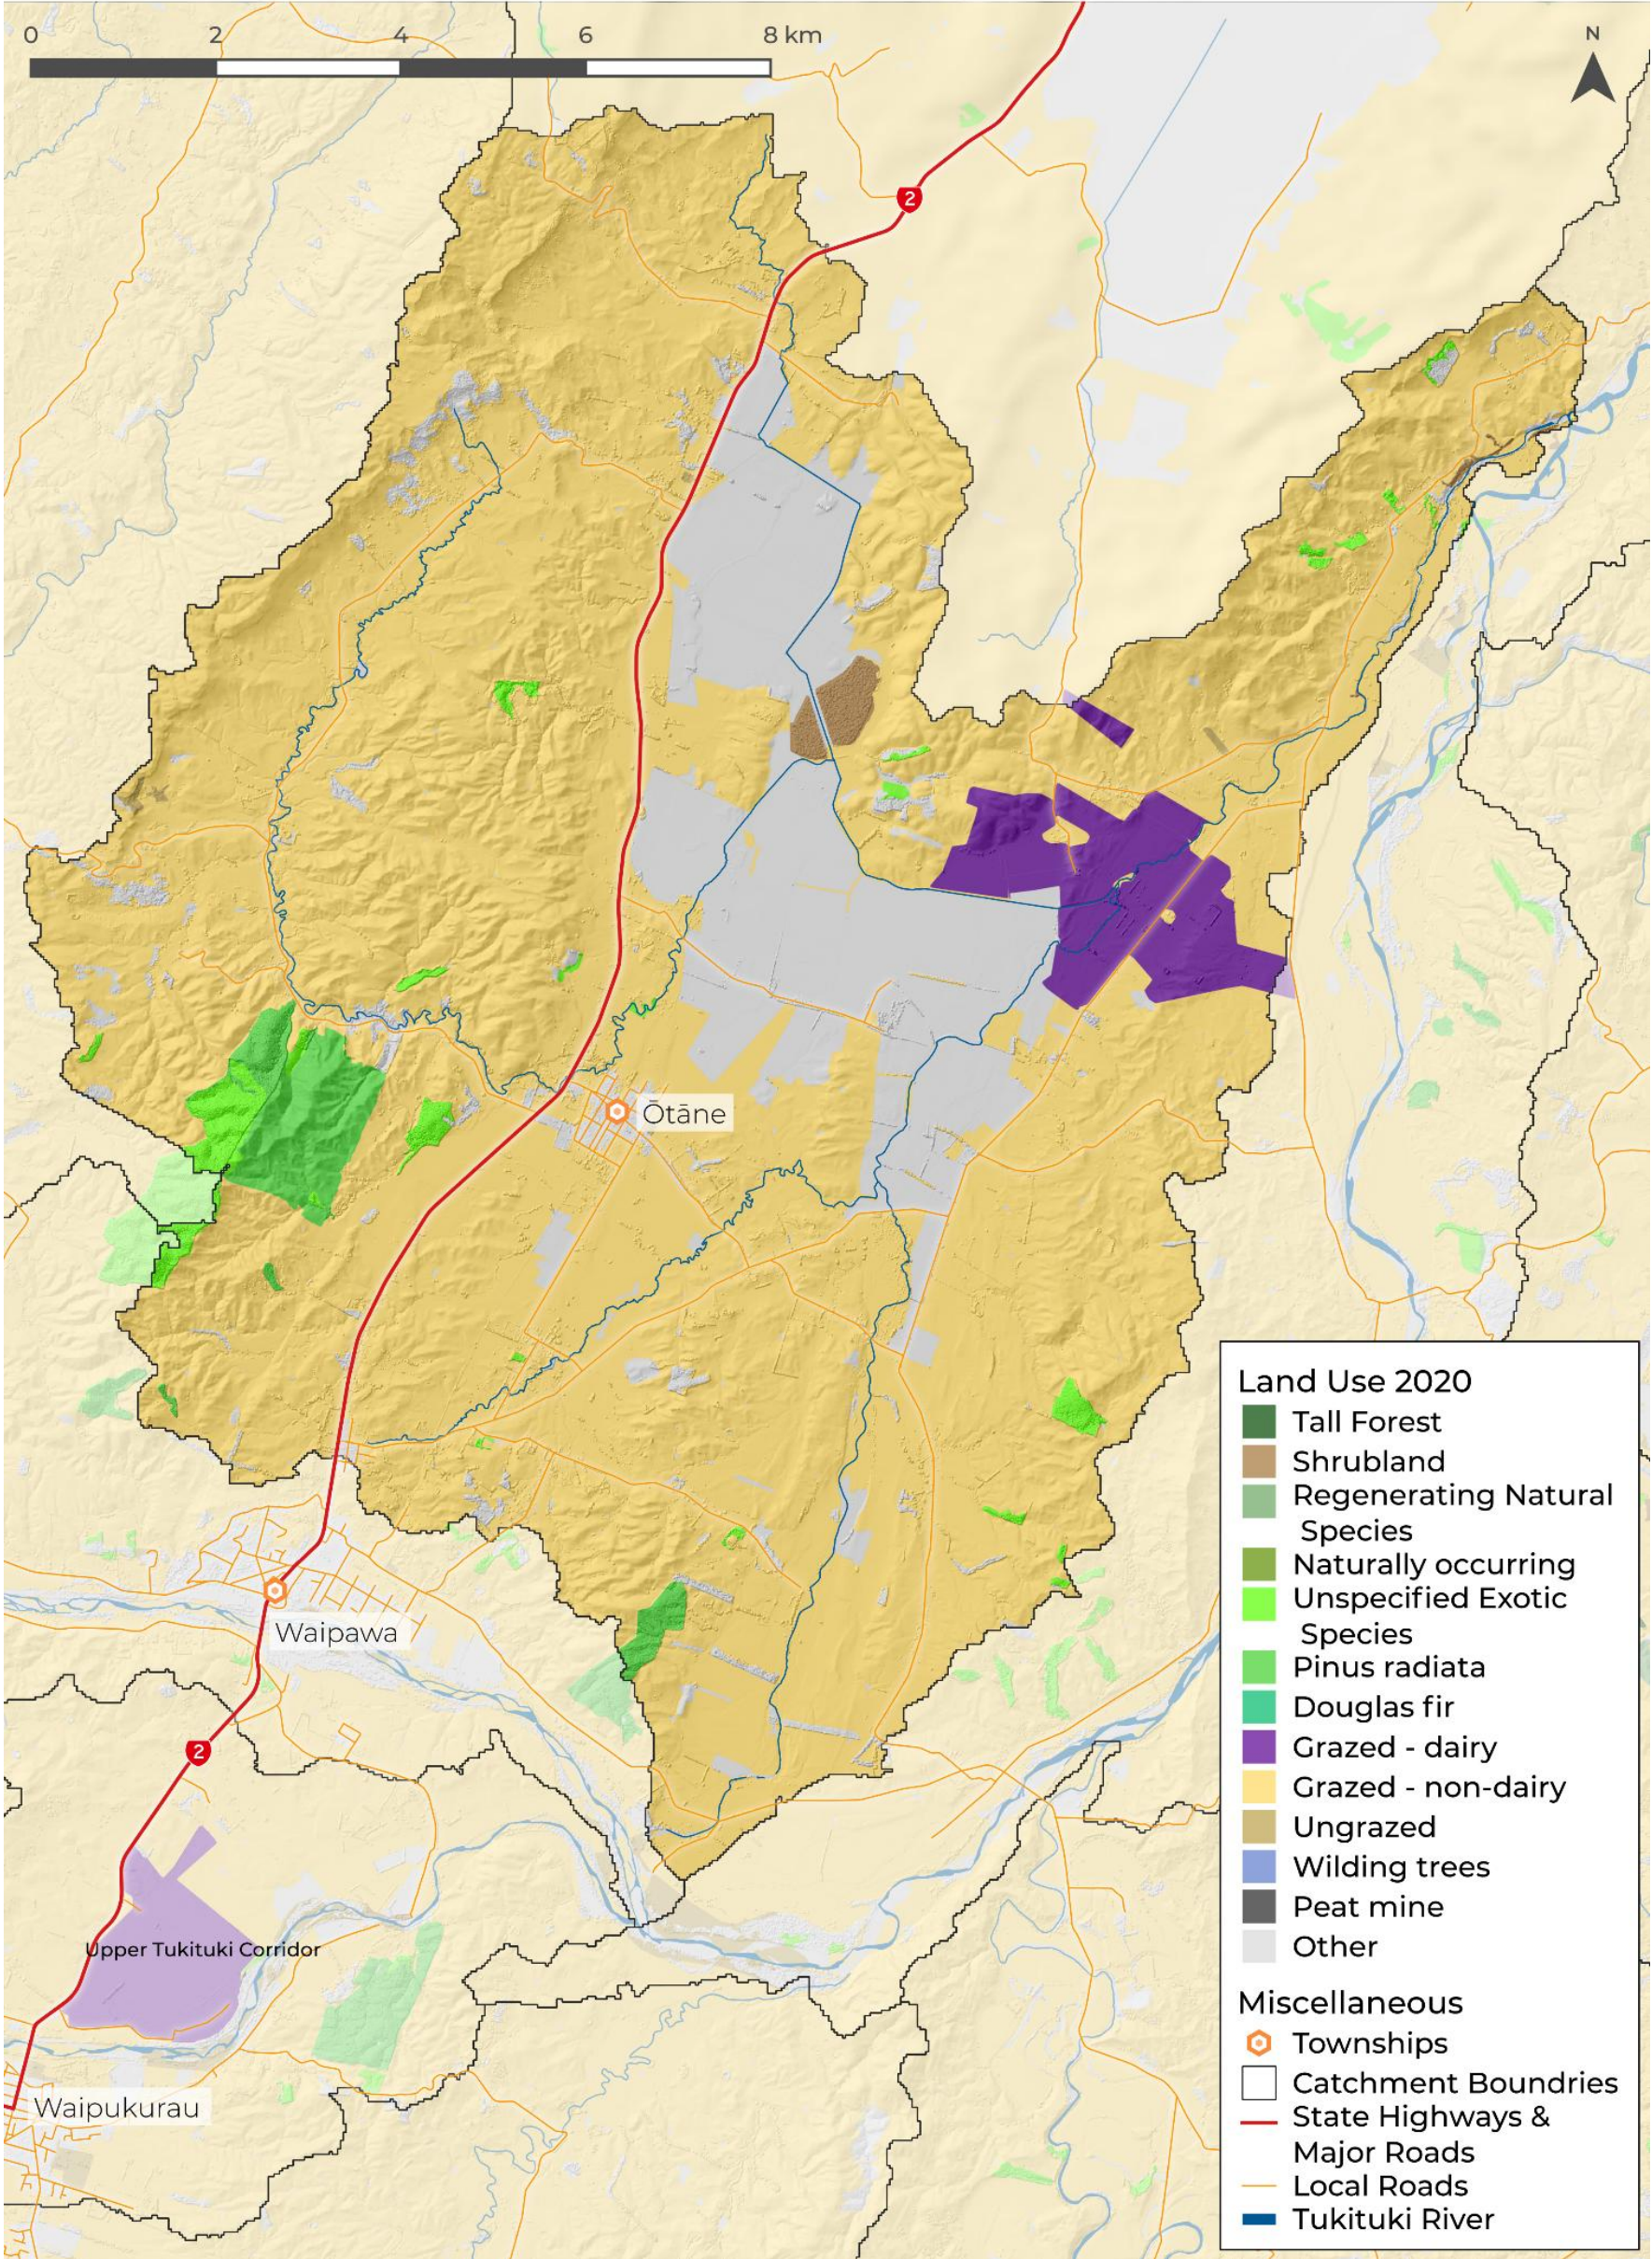

Land Use (LUCAS) 2020 - Papanui

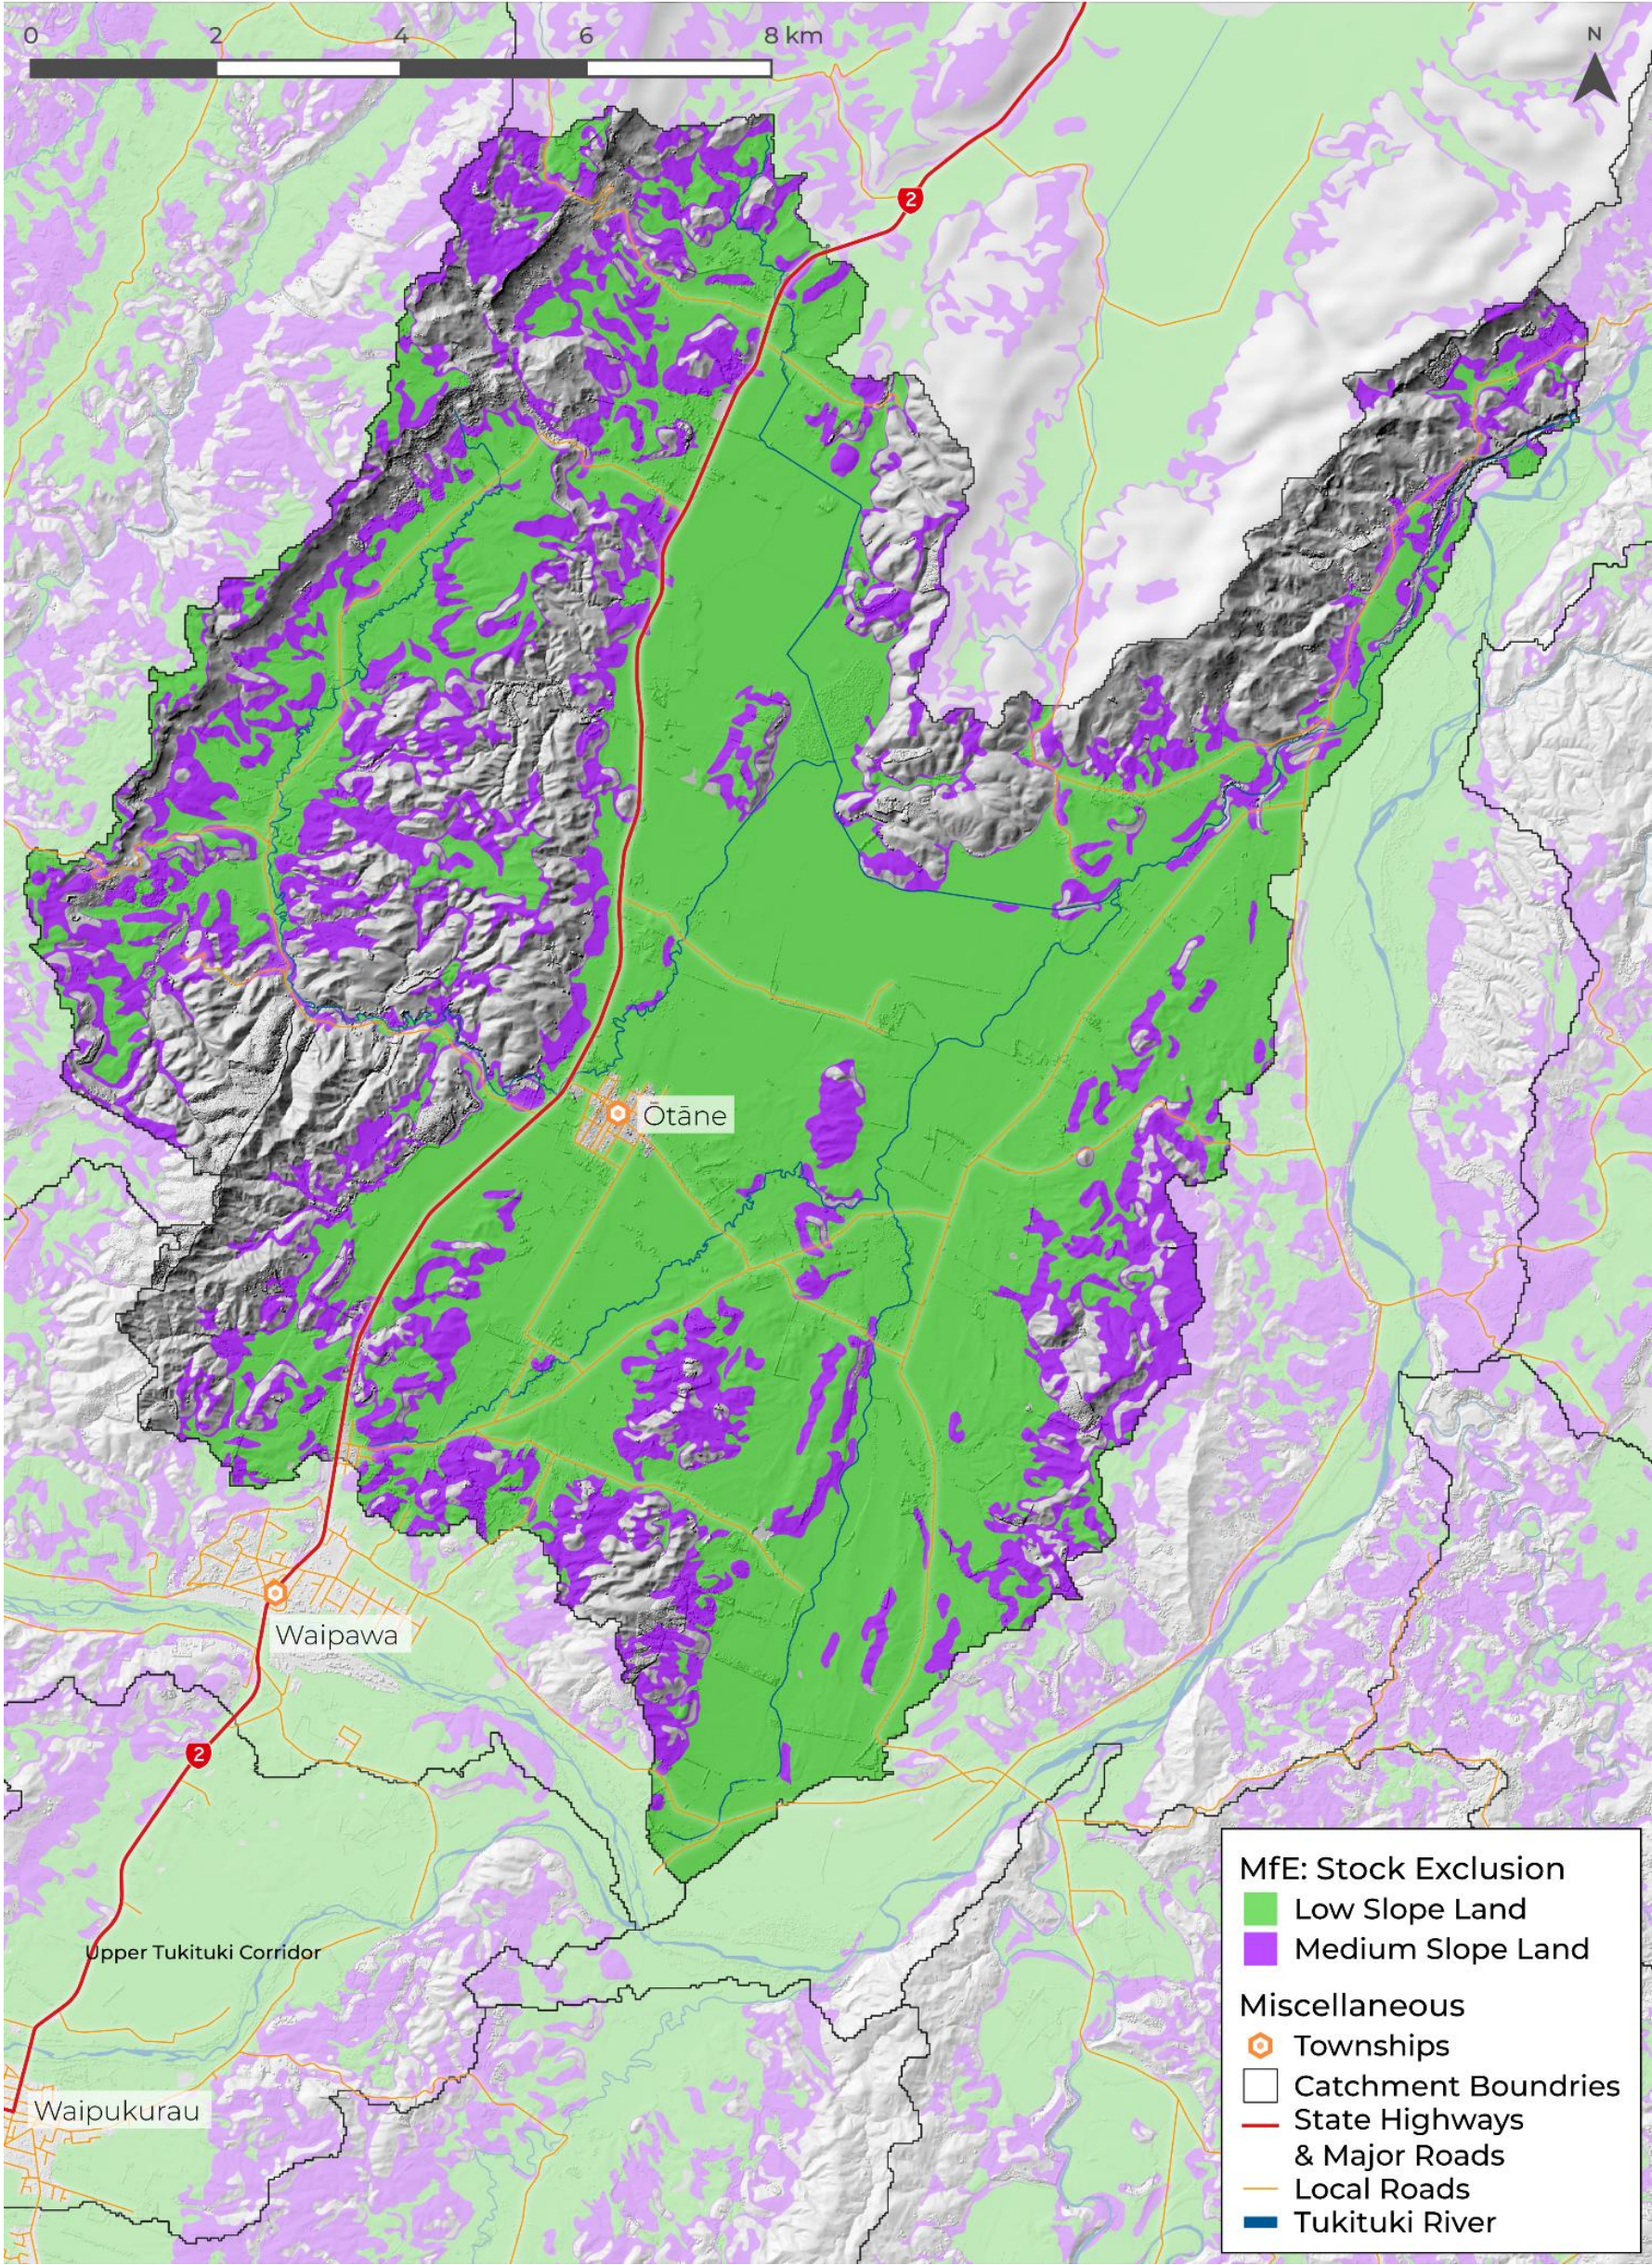

Land Use (LUCAS SubName) 1989 - Papanui

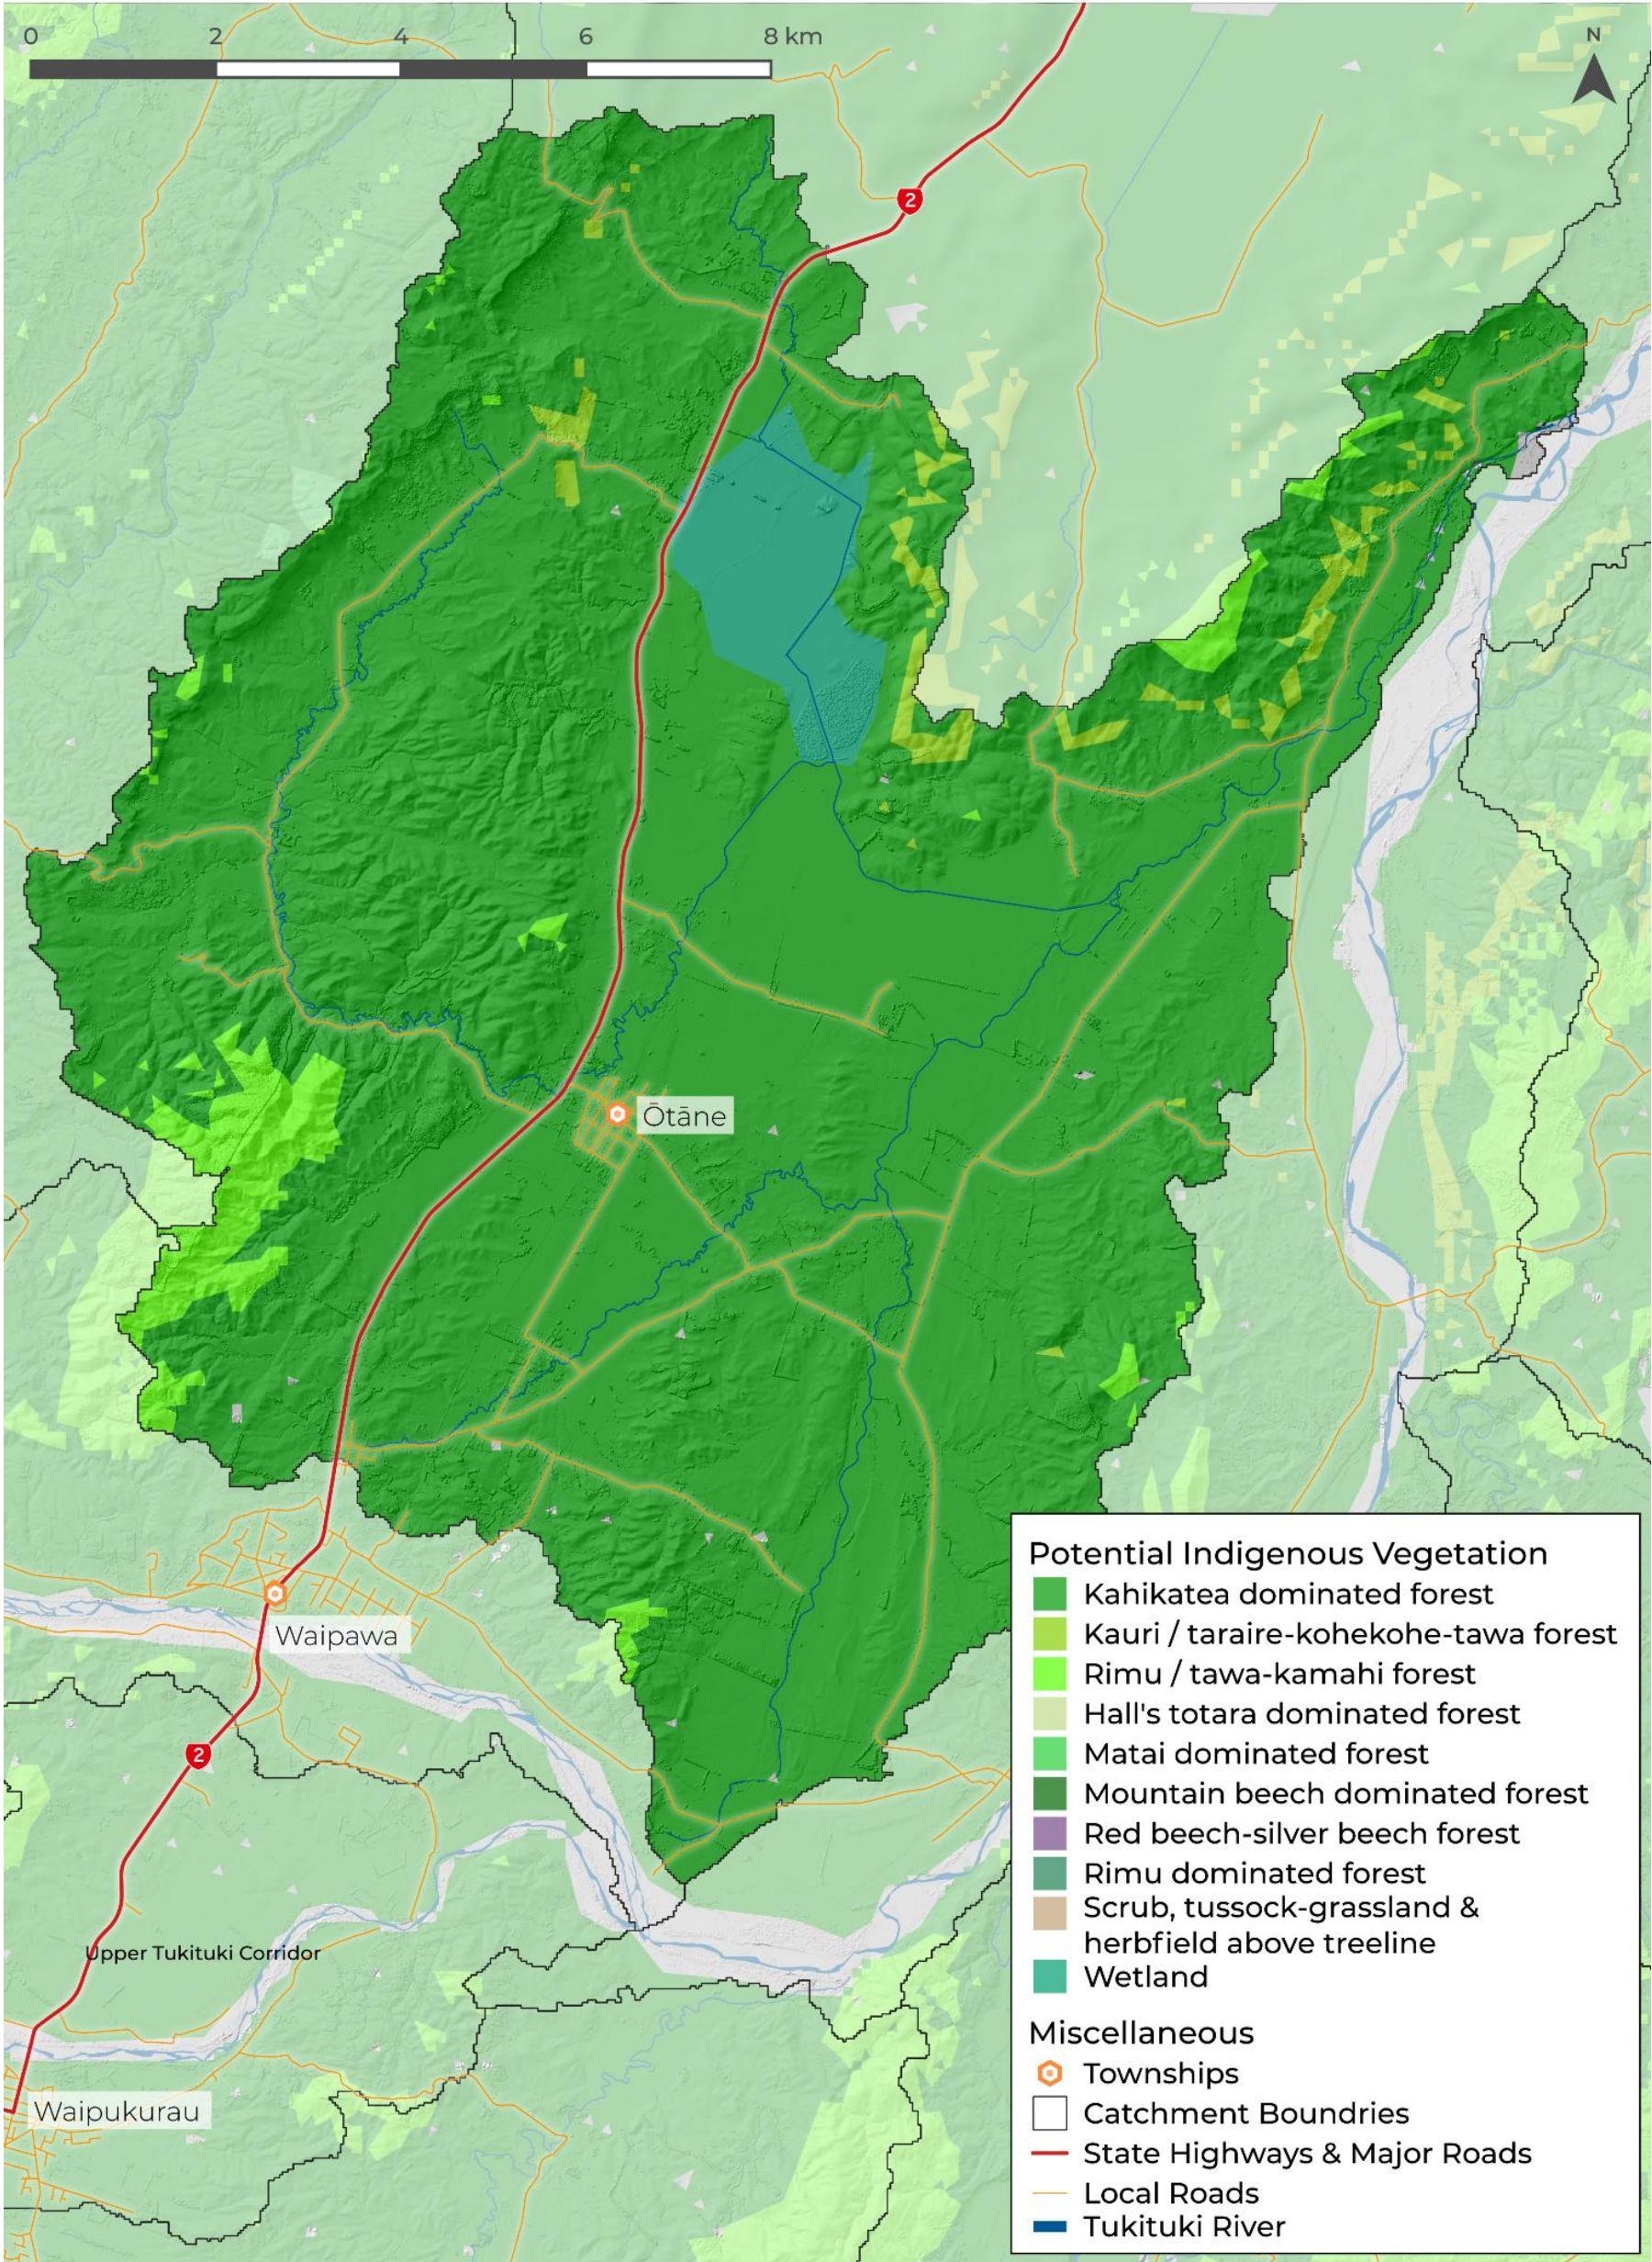

Land Use (LUCAS SubName) 2020 - Papanui

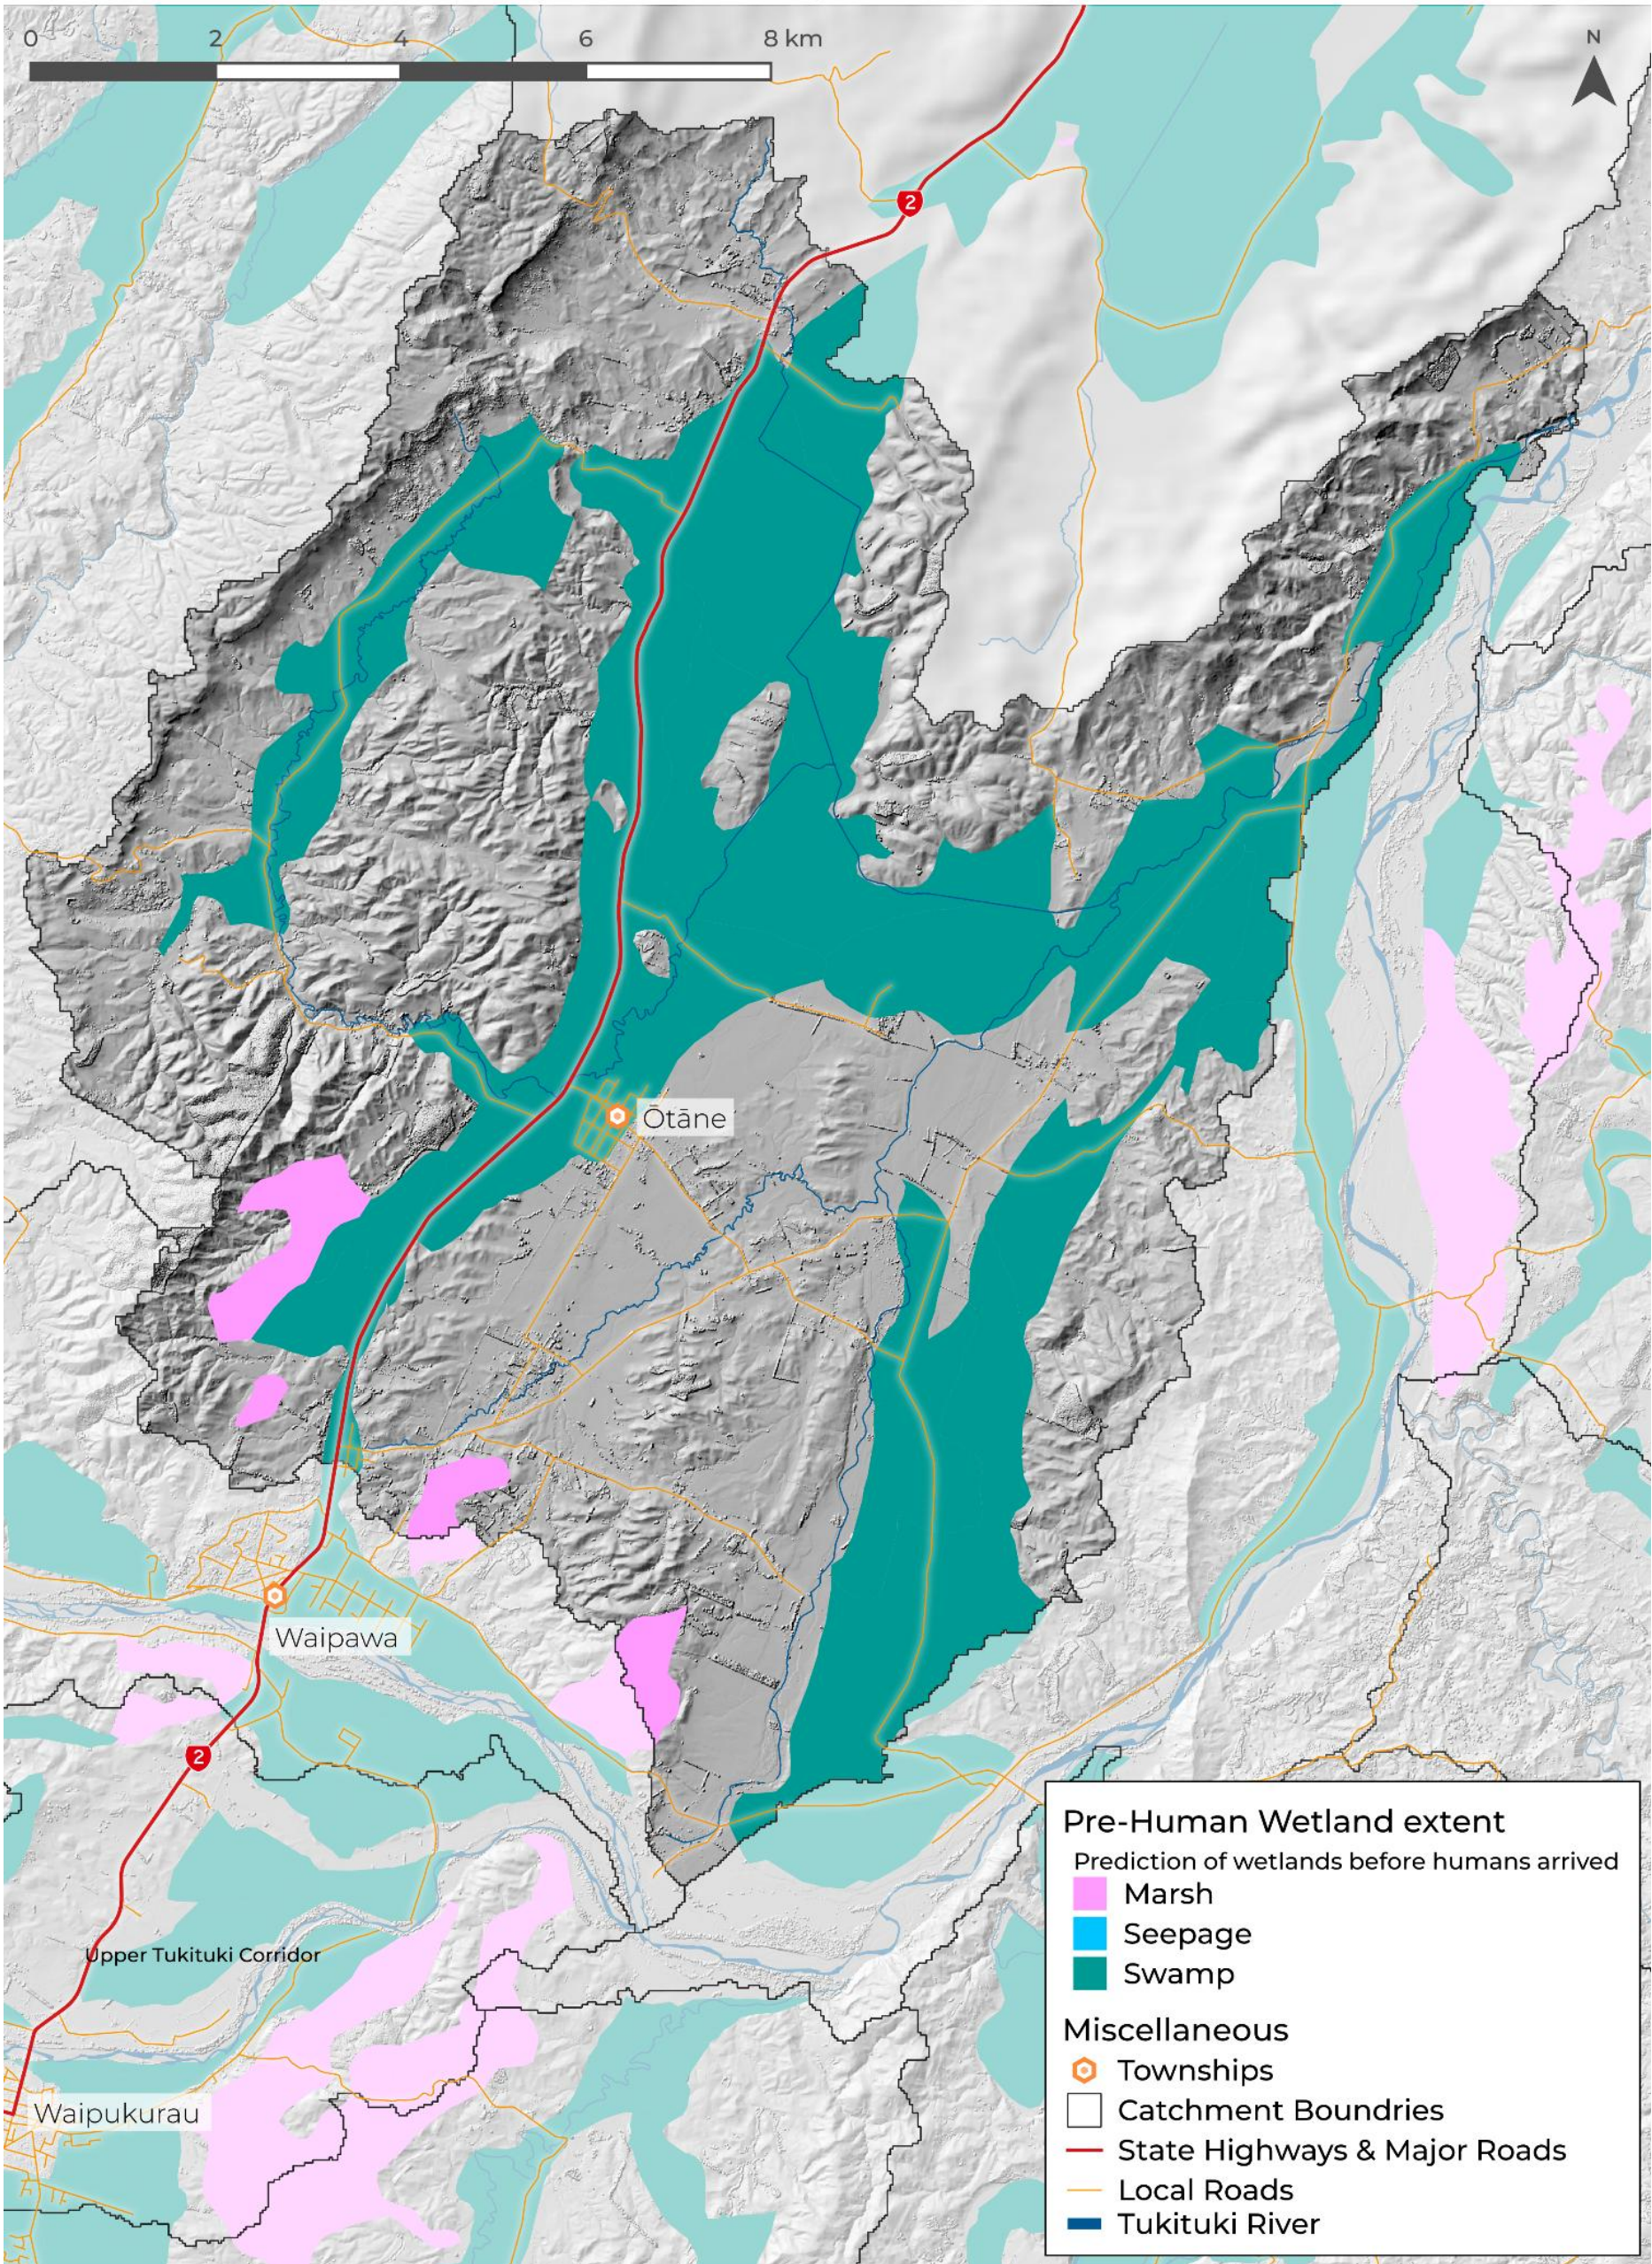

MfE: Stock Exclusion - Papanui

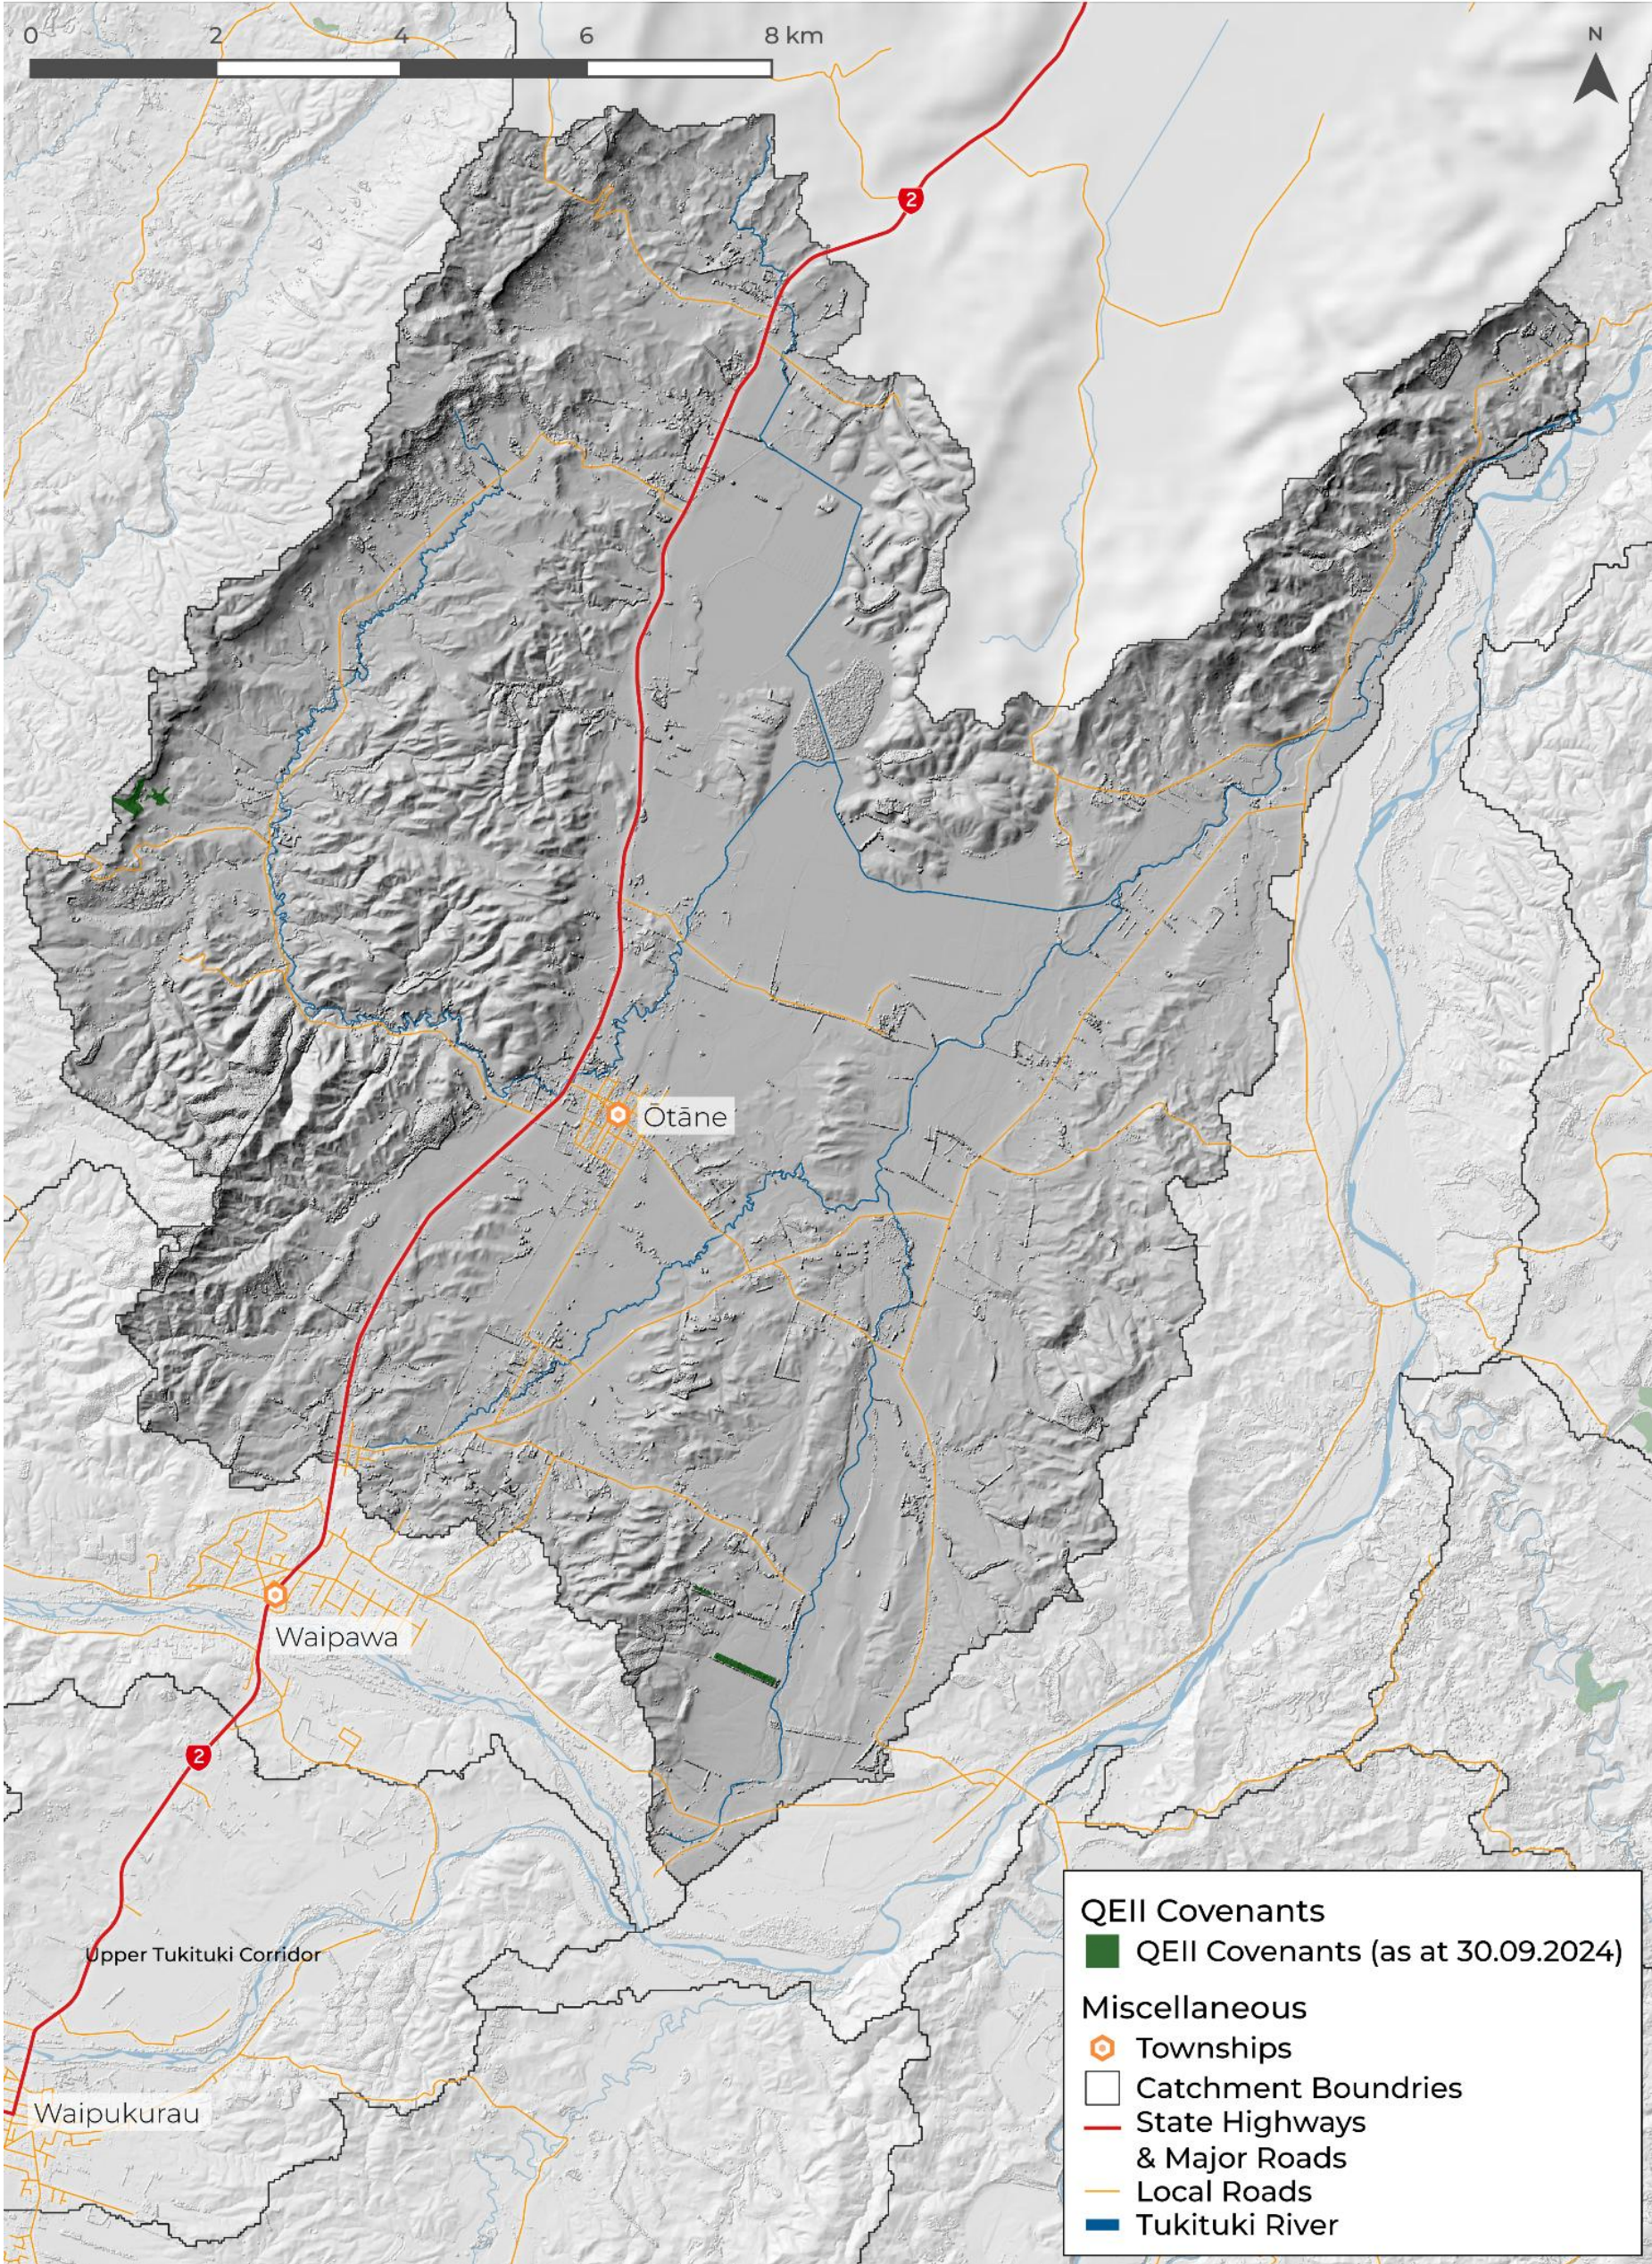

Potential Indigenous Vegetation - Papanui

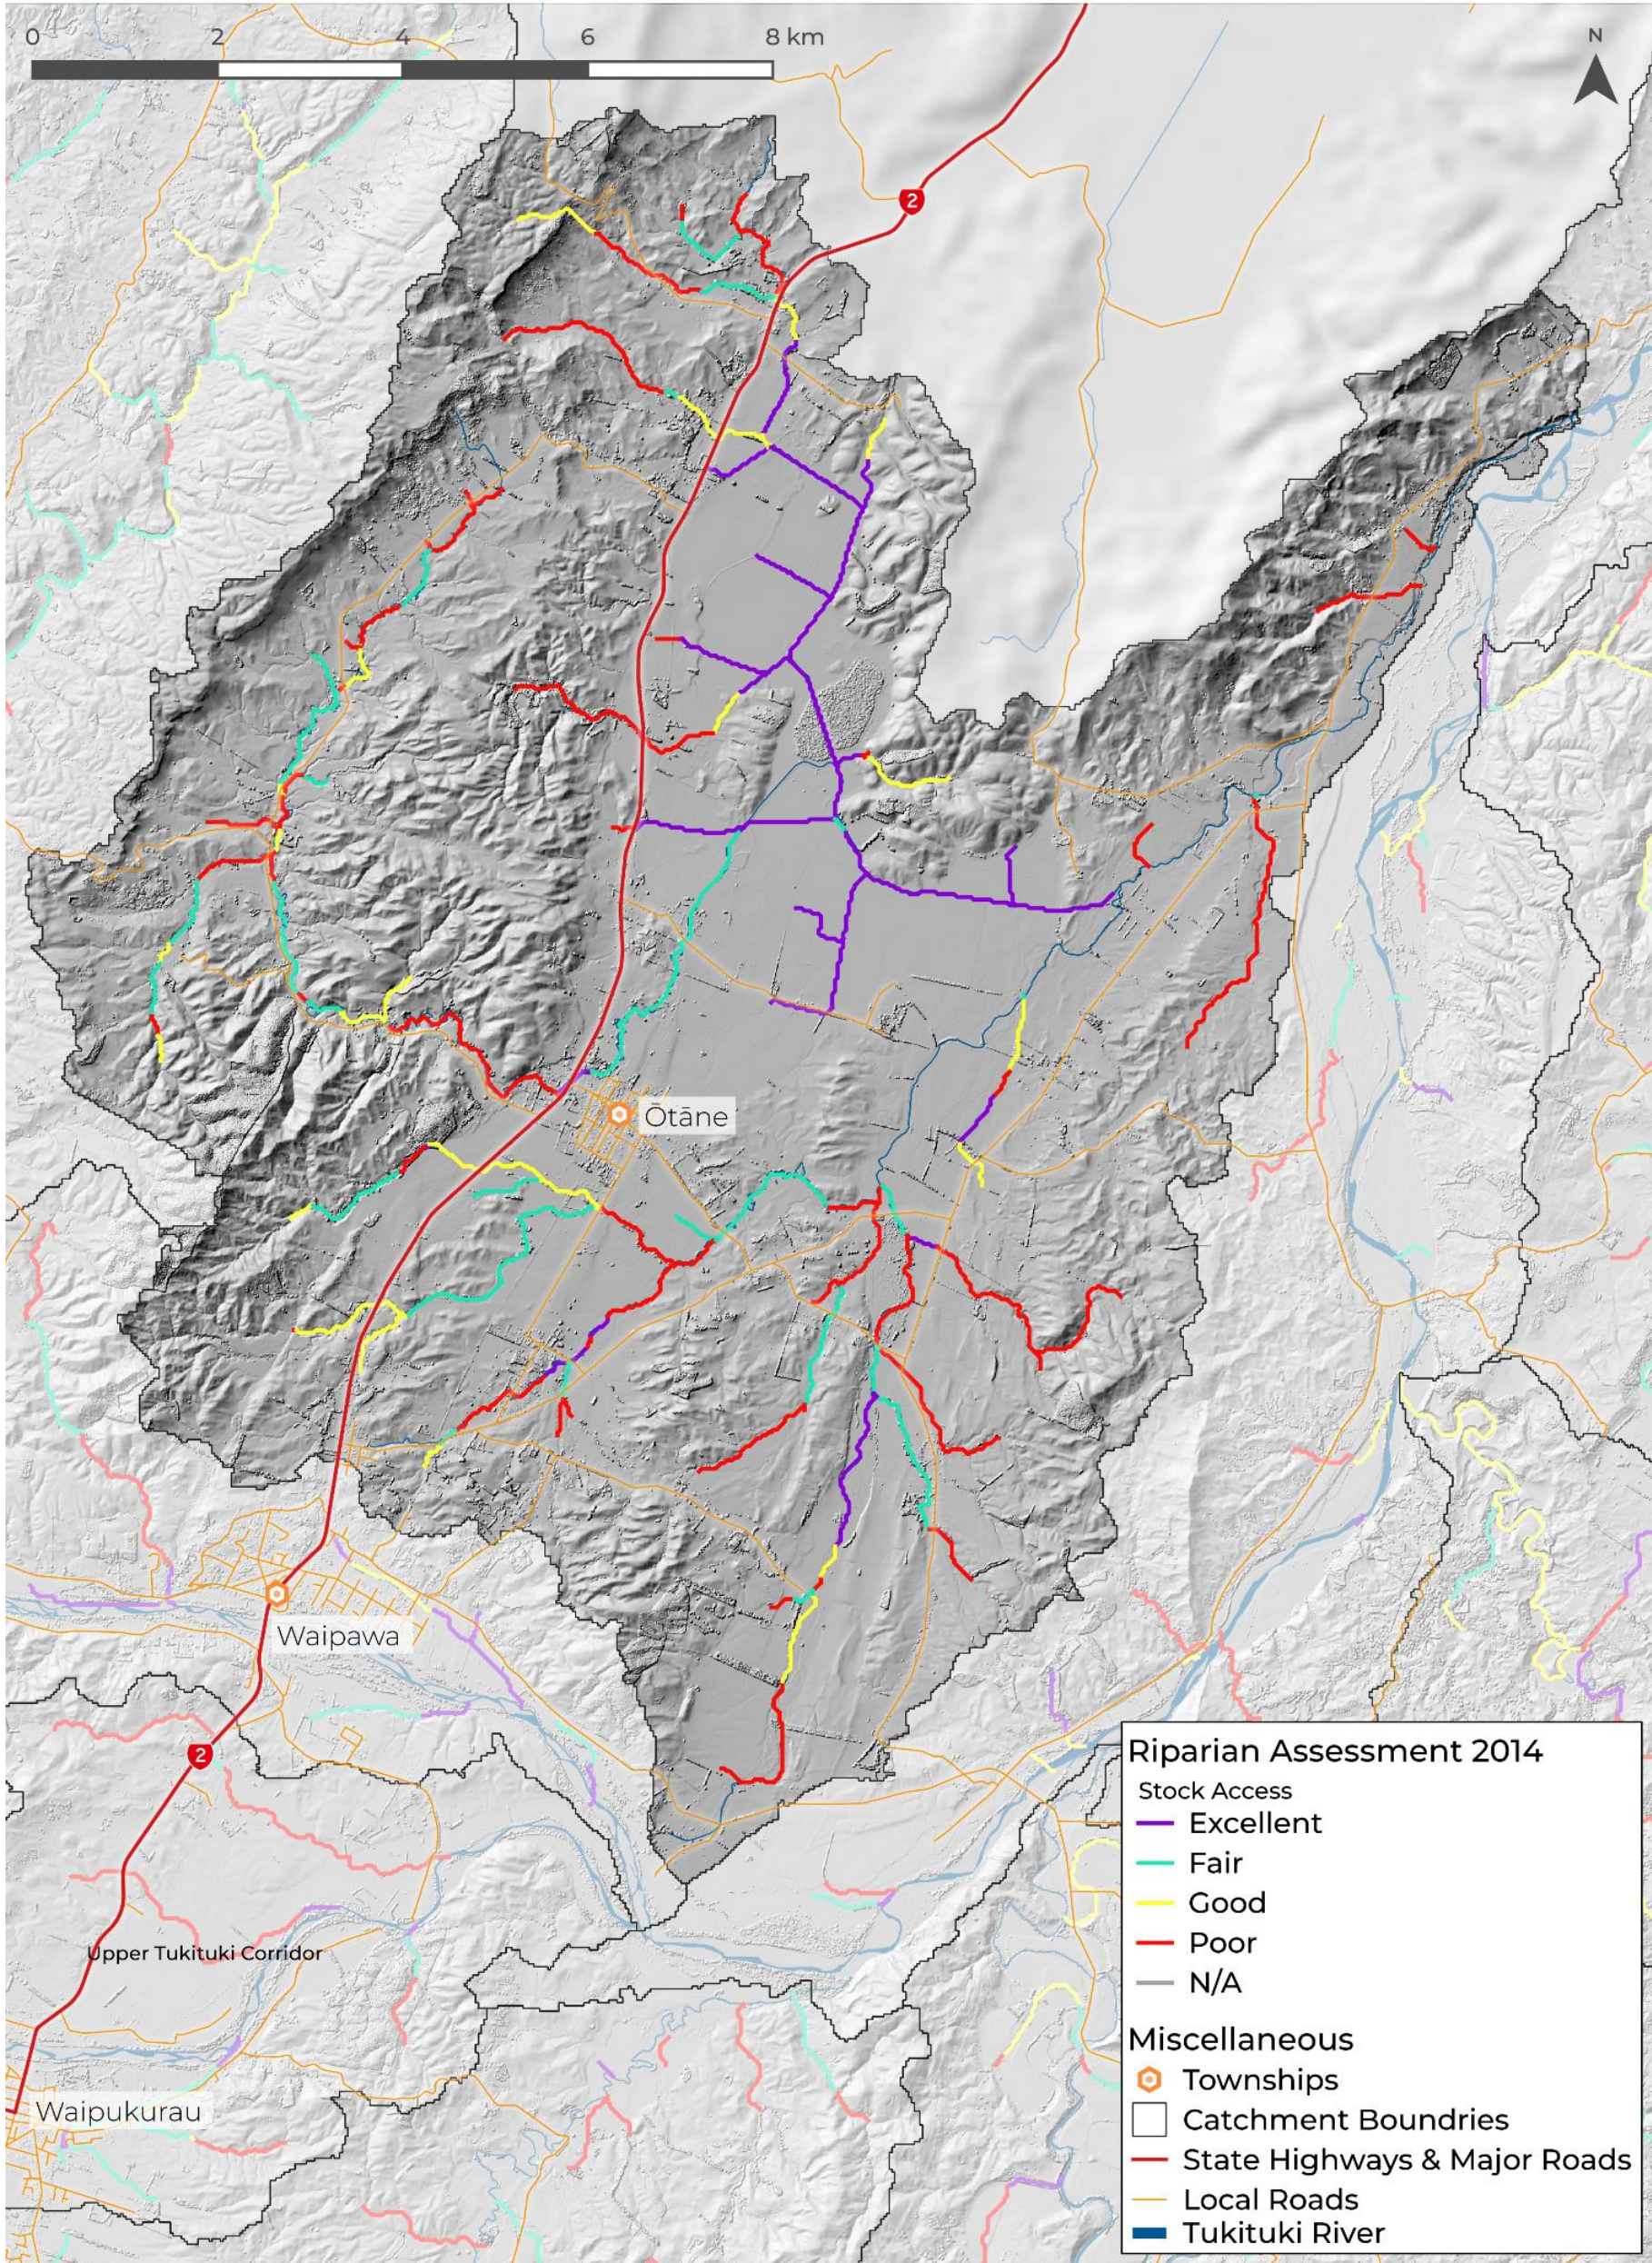

Pre-Human Wetland Extent - Papanui

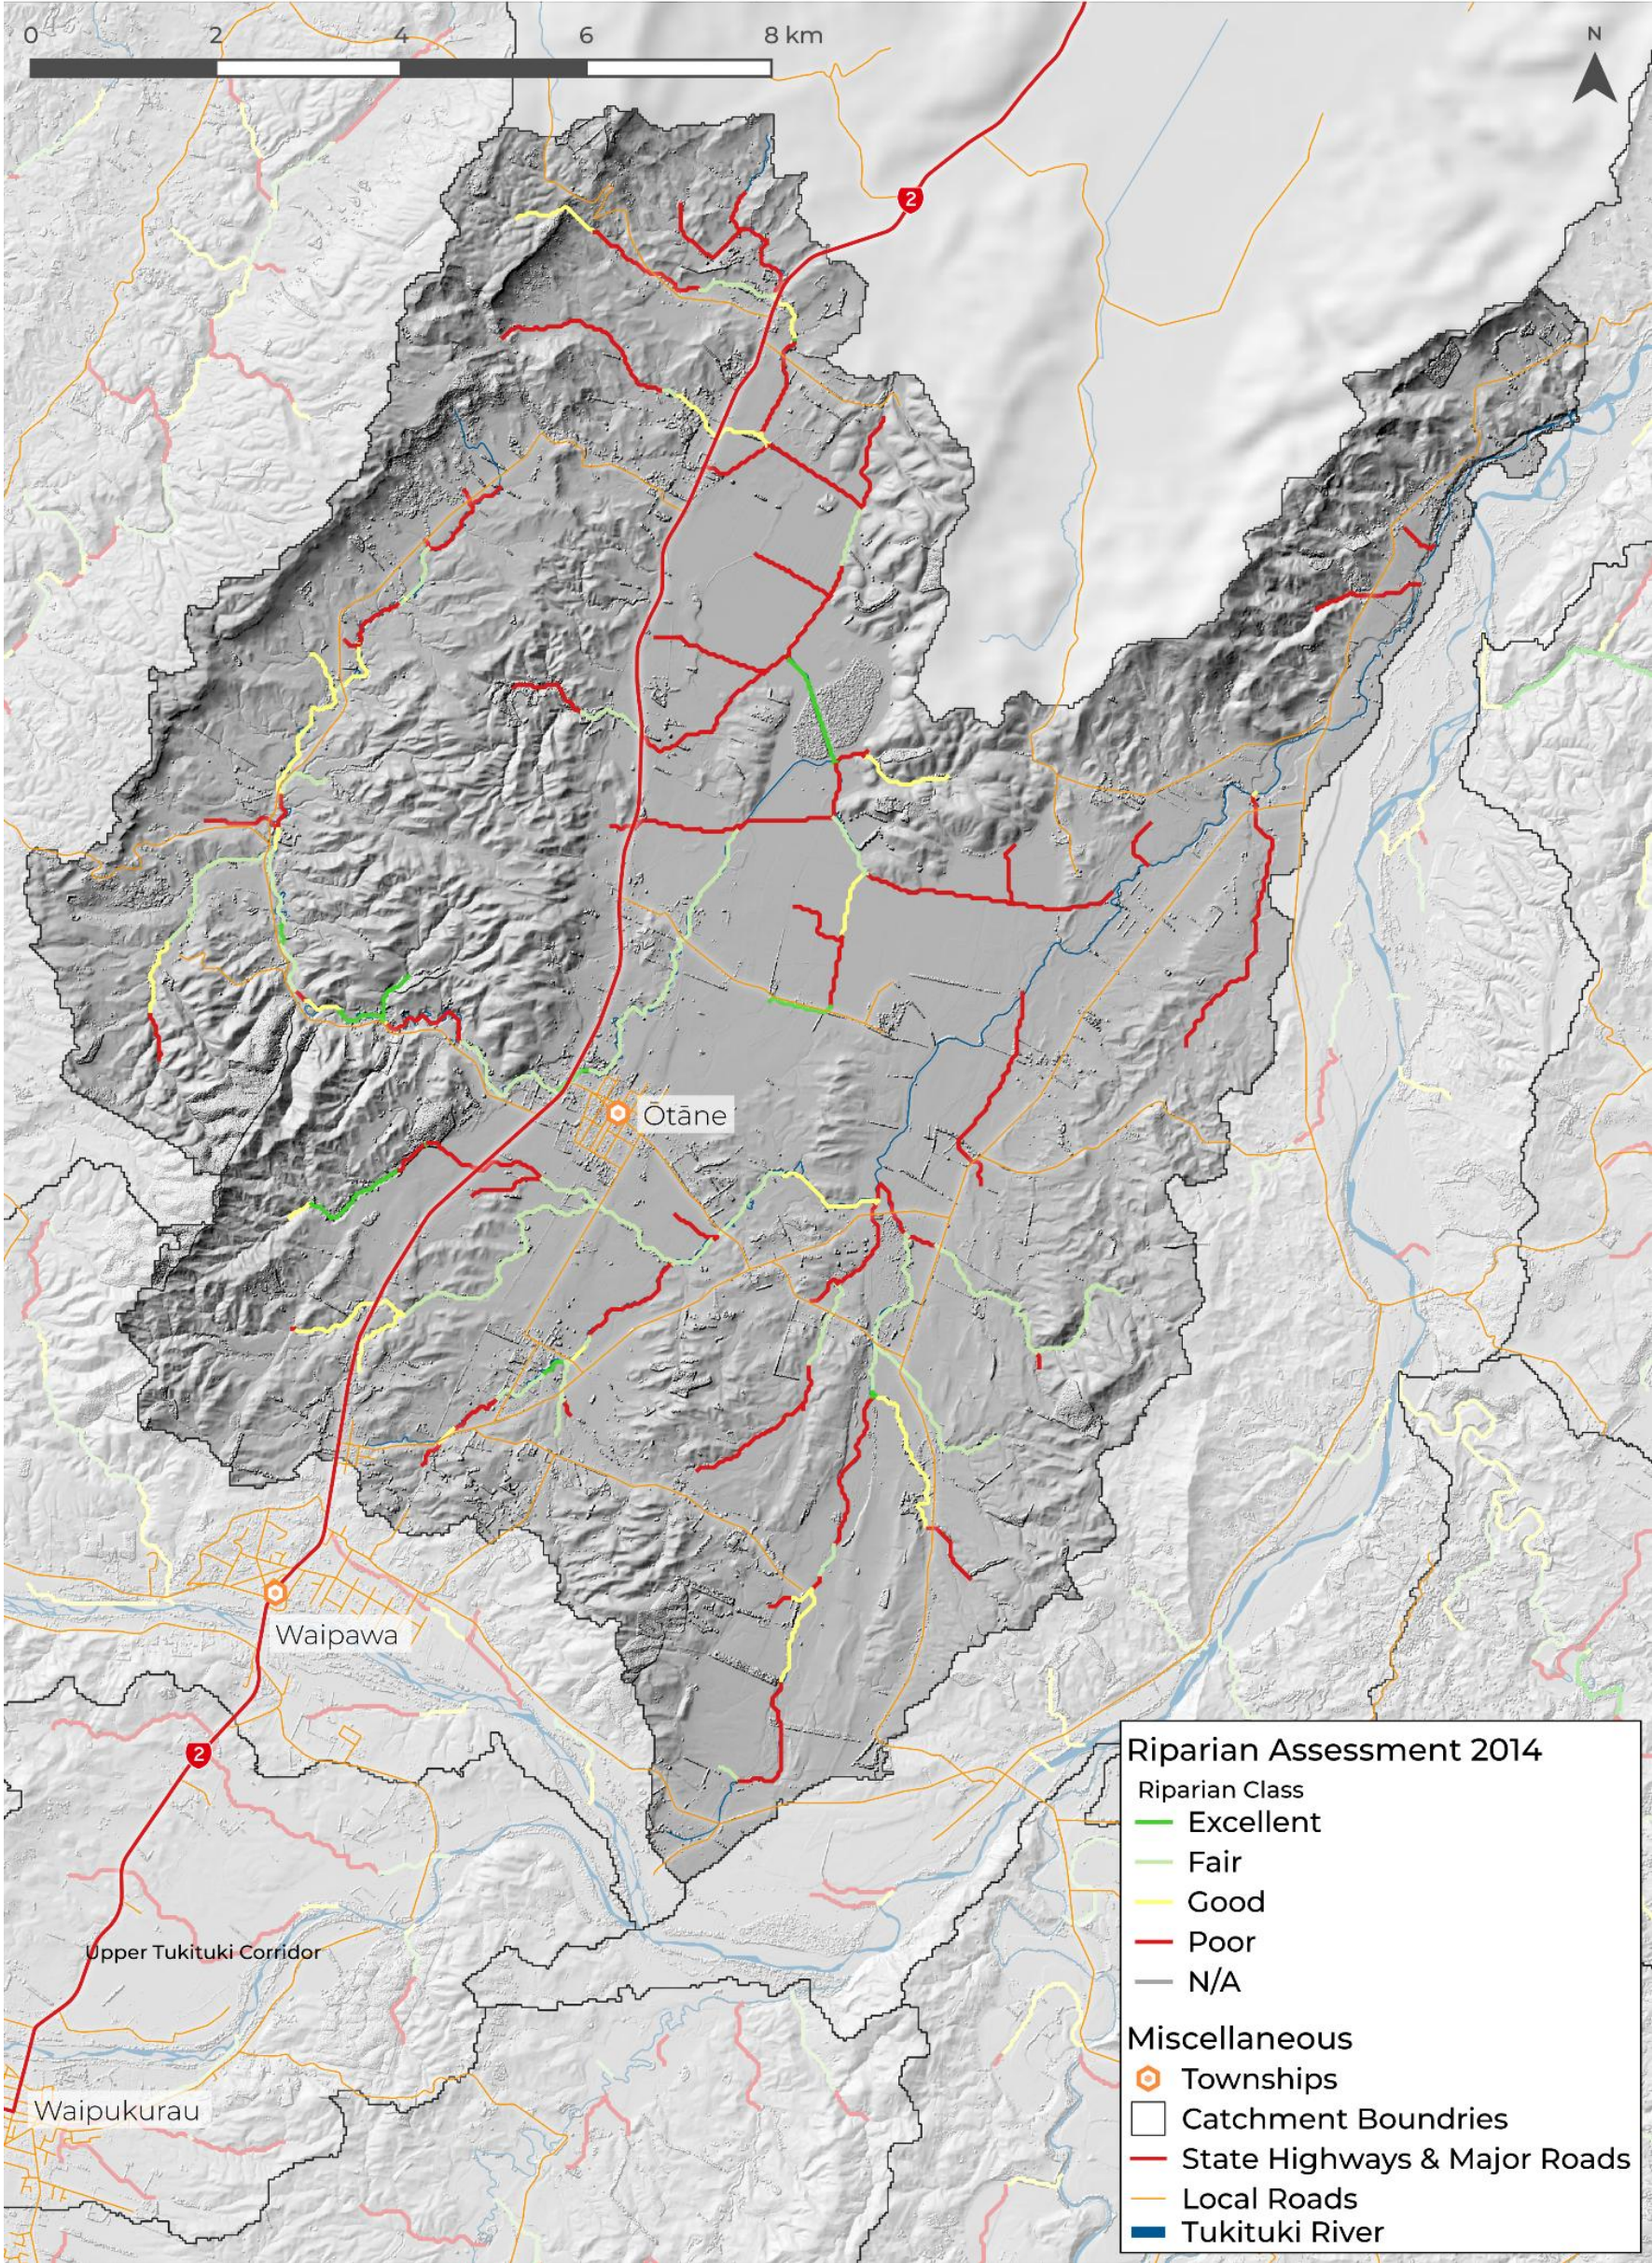

QEII Covenants (as at 30.09.2024) - Papanui

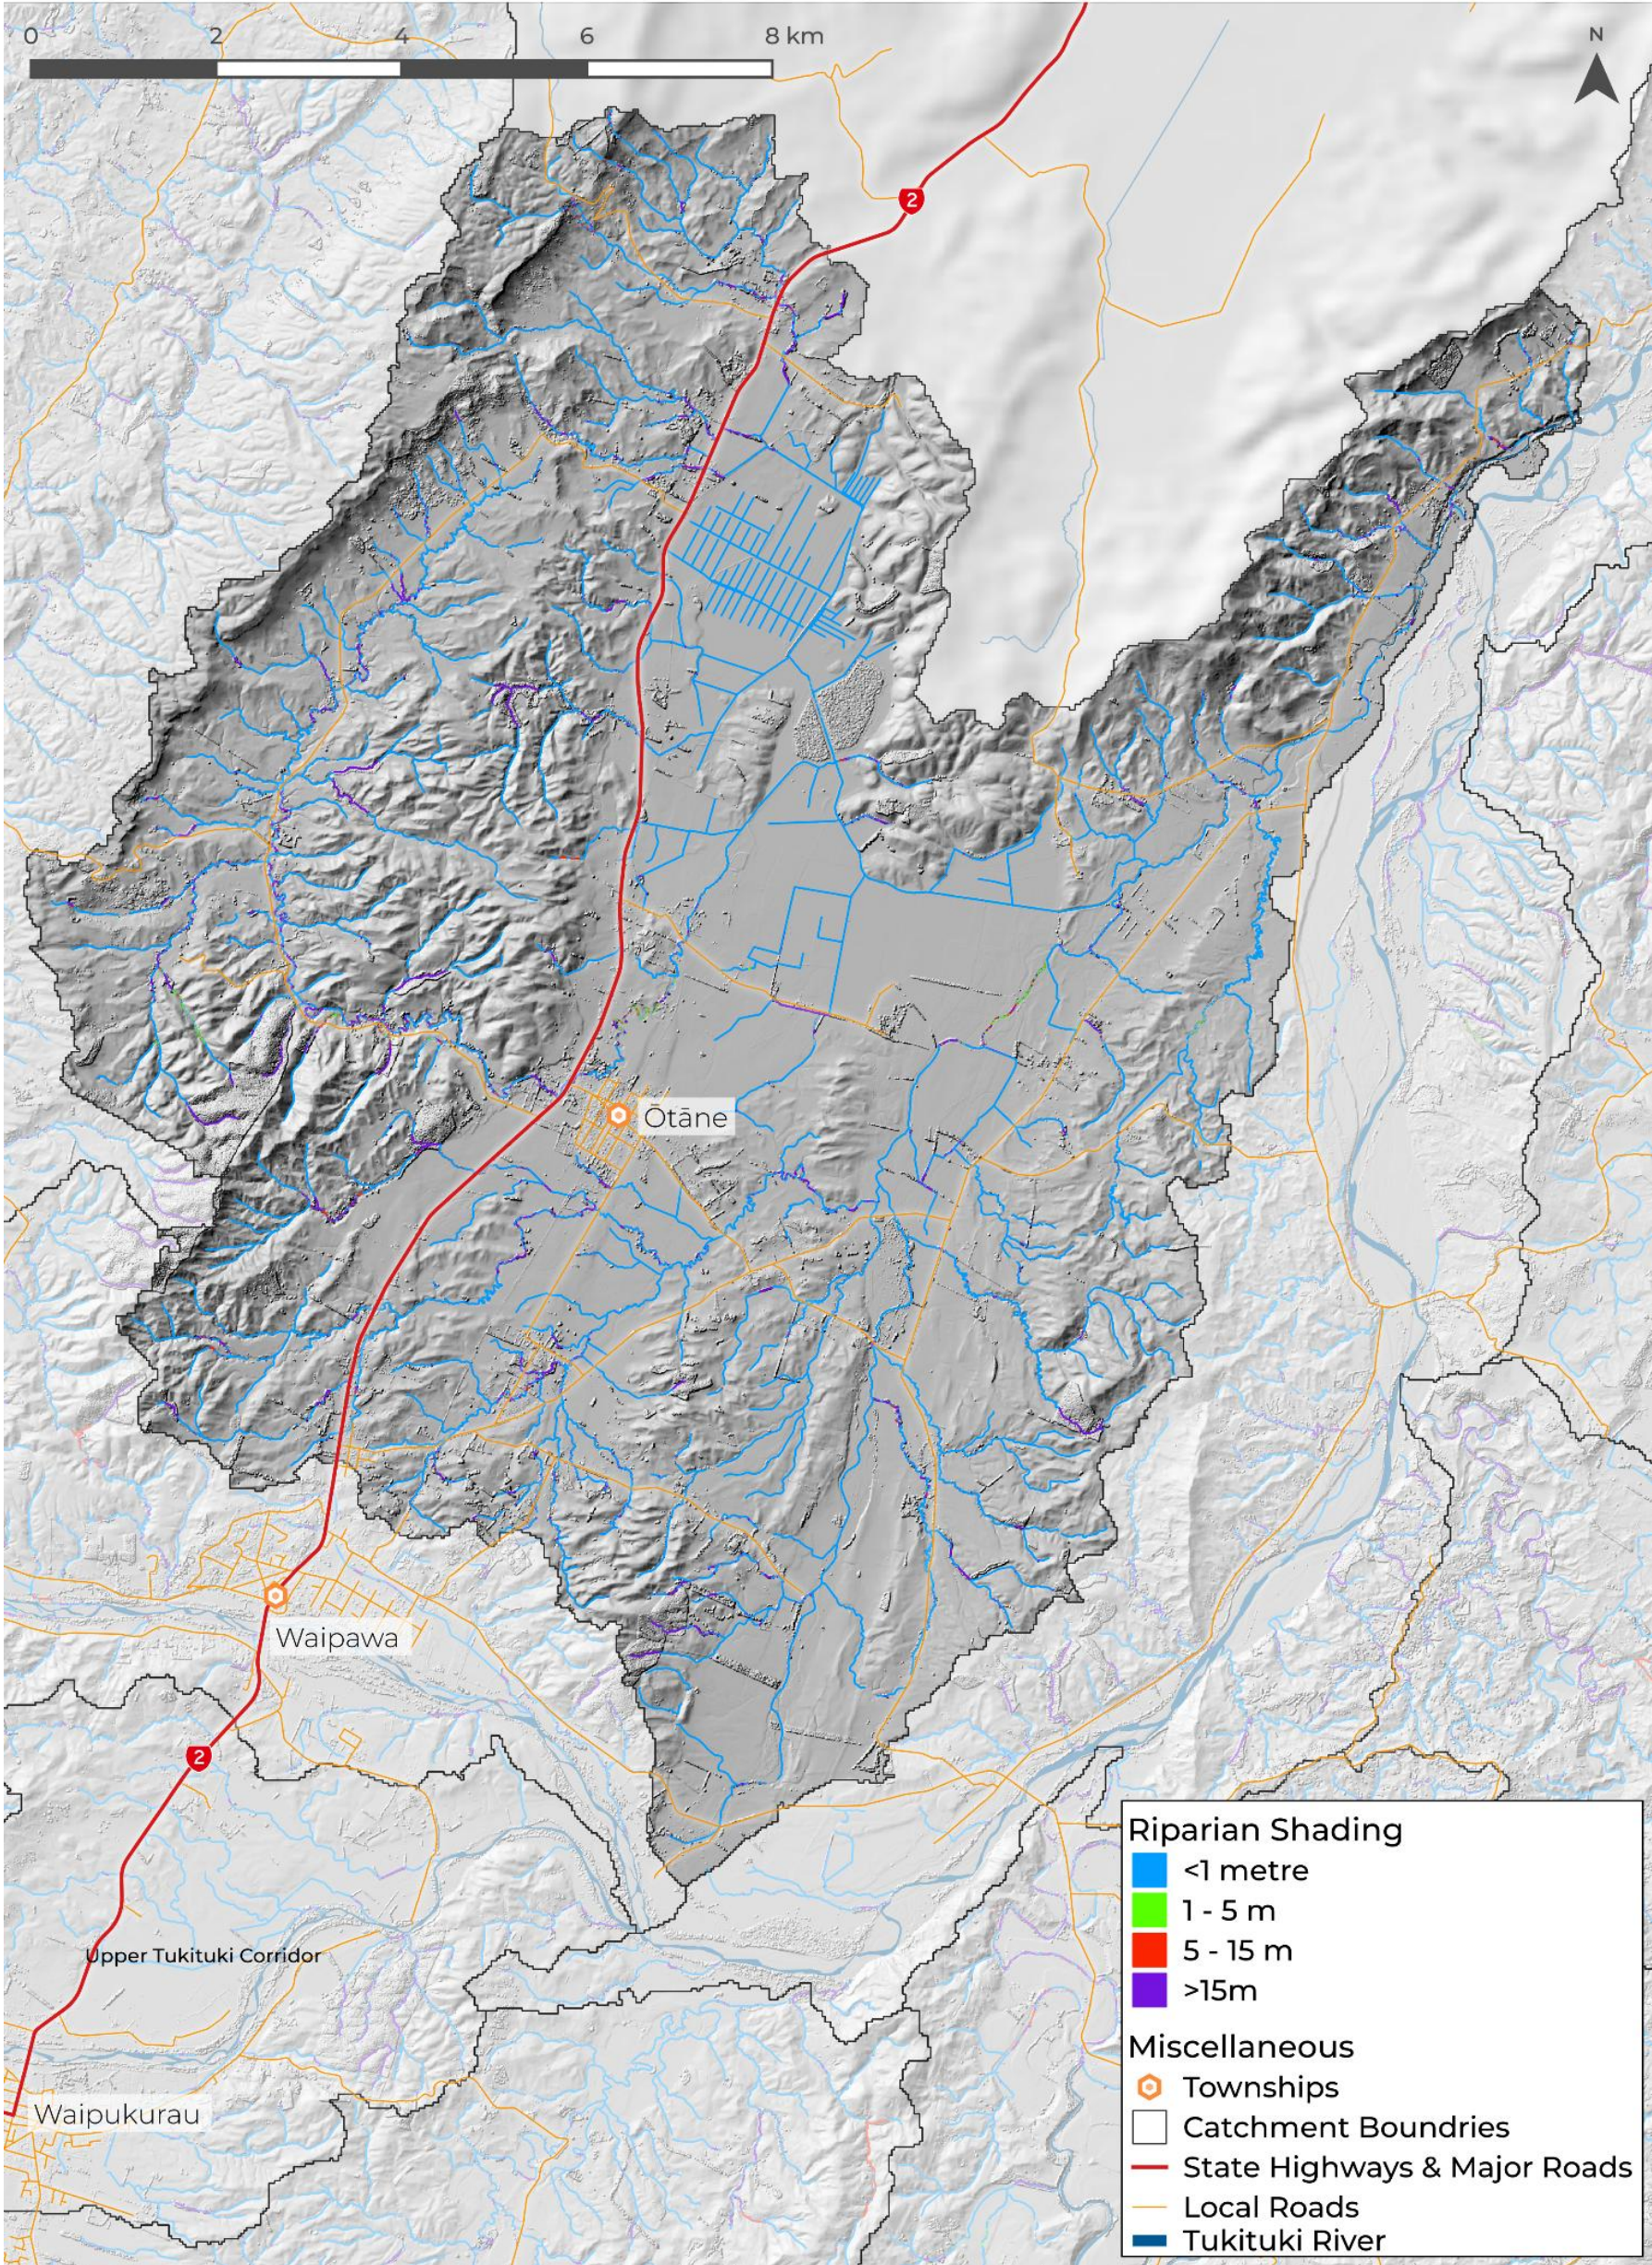

Riparian Assessment 2014 - Stock Access - Papanui

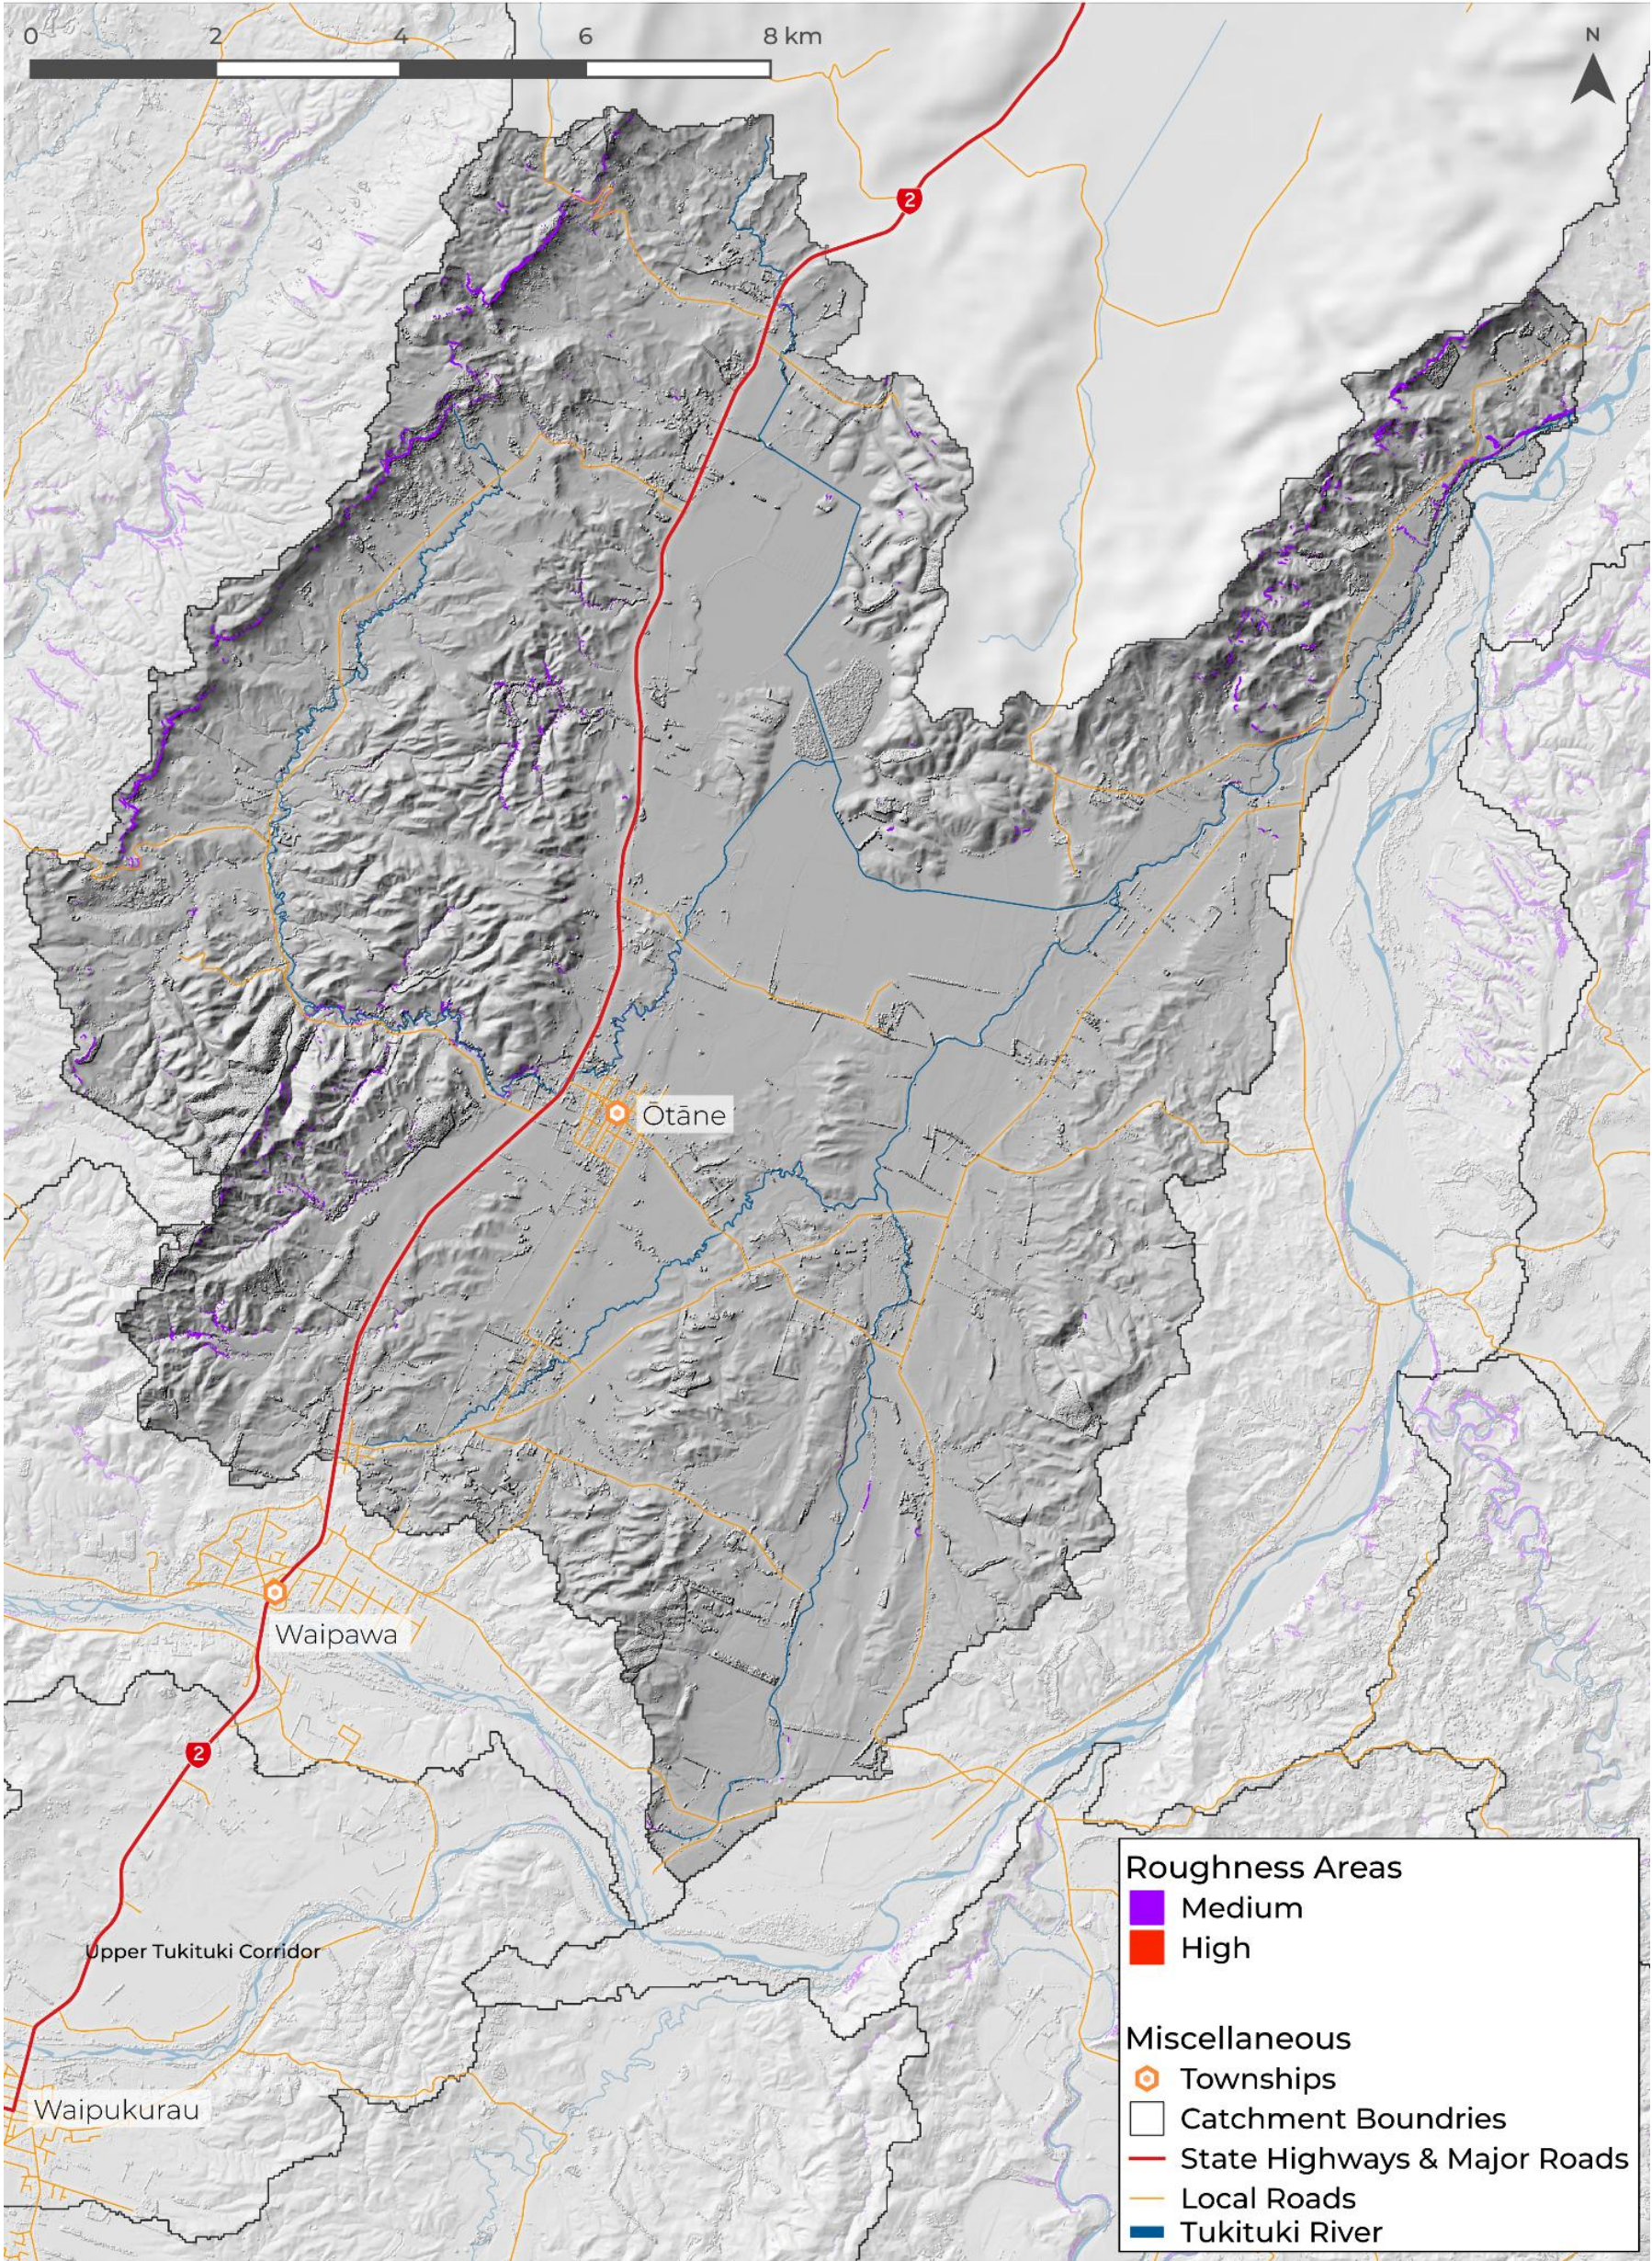

Riparian Assessment 2014 - Riparian Class - Papanui

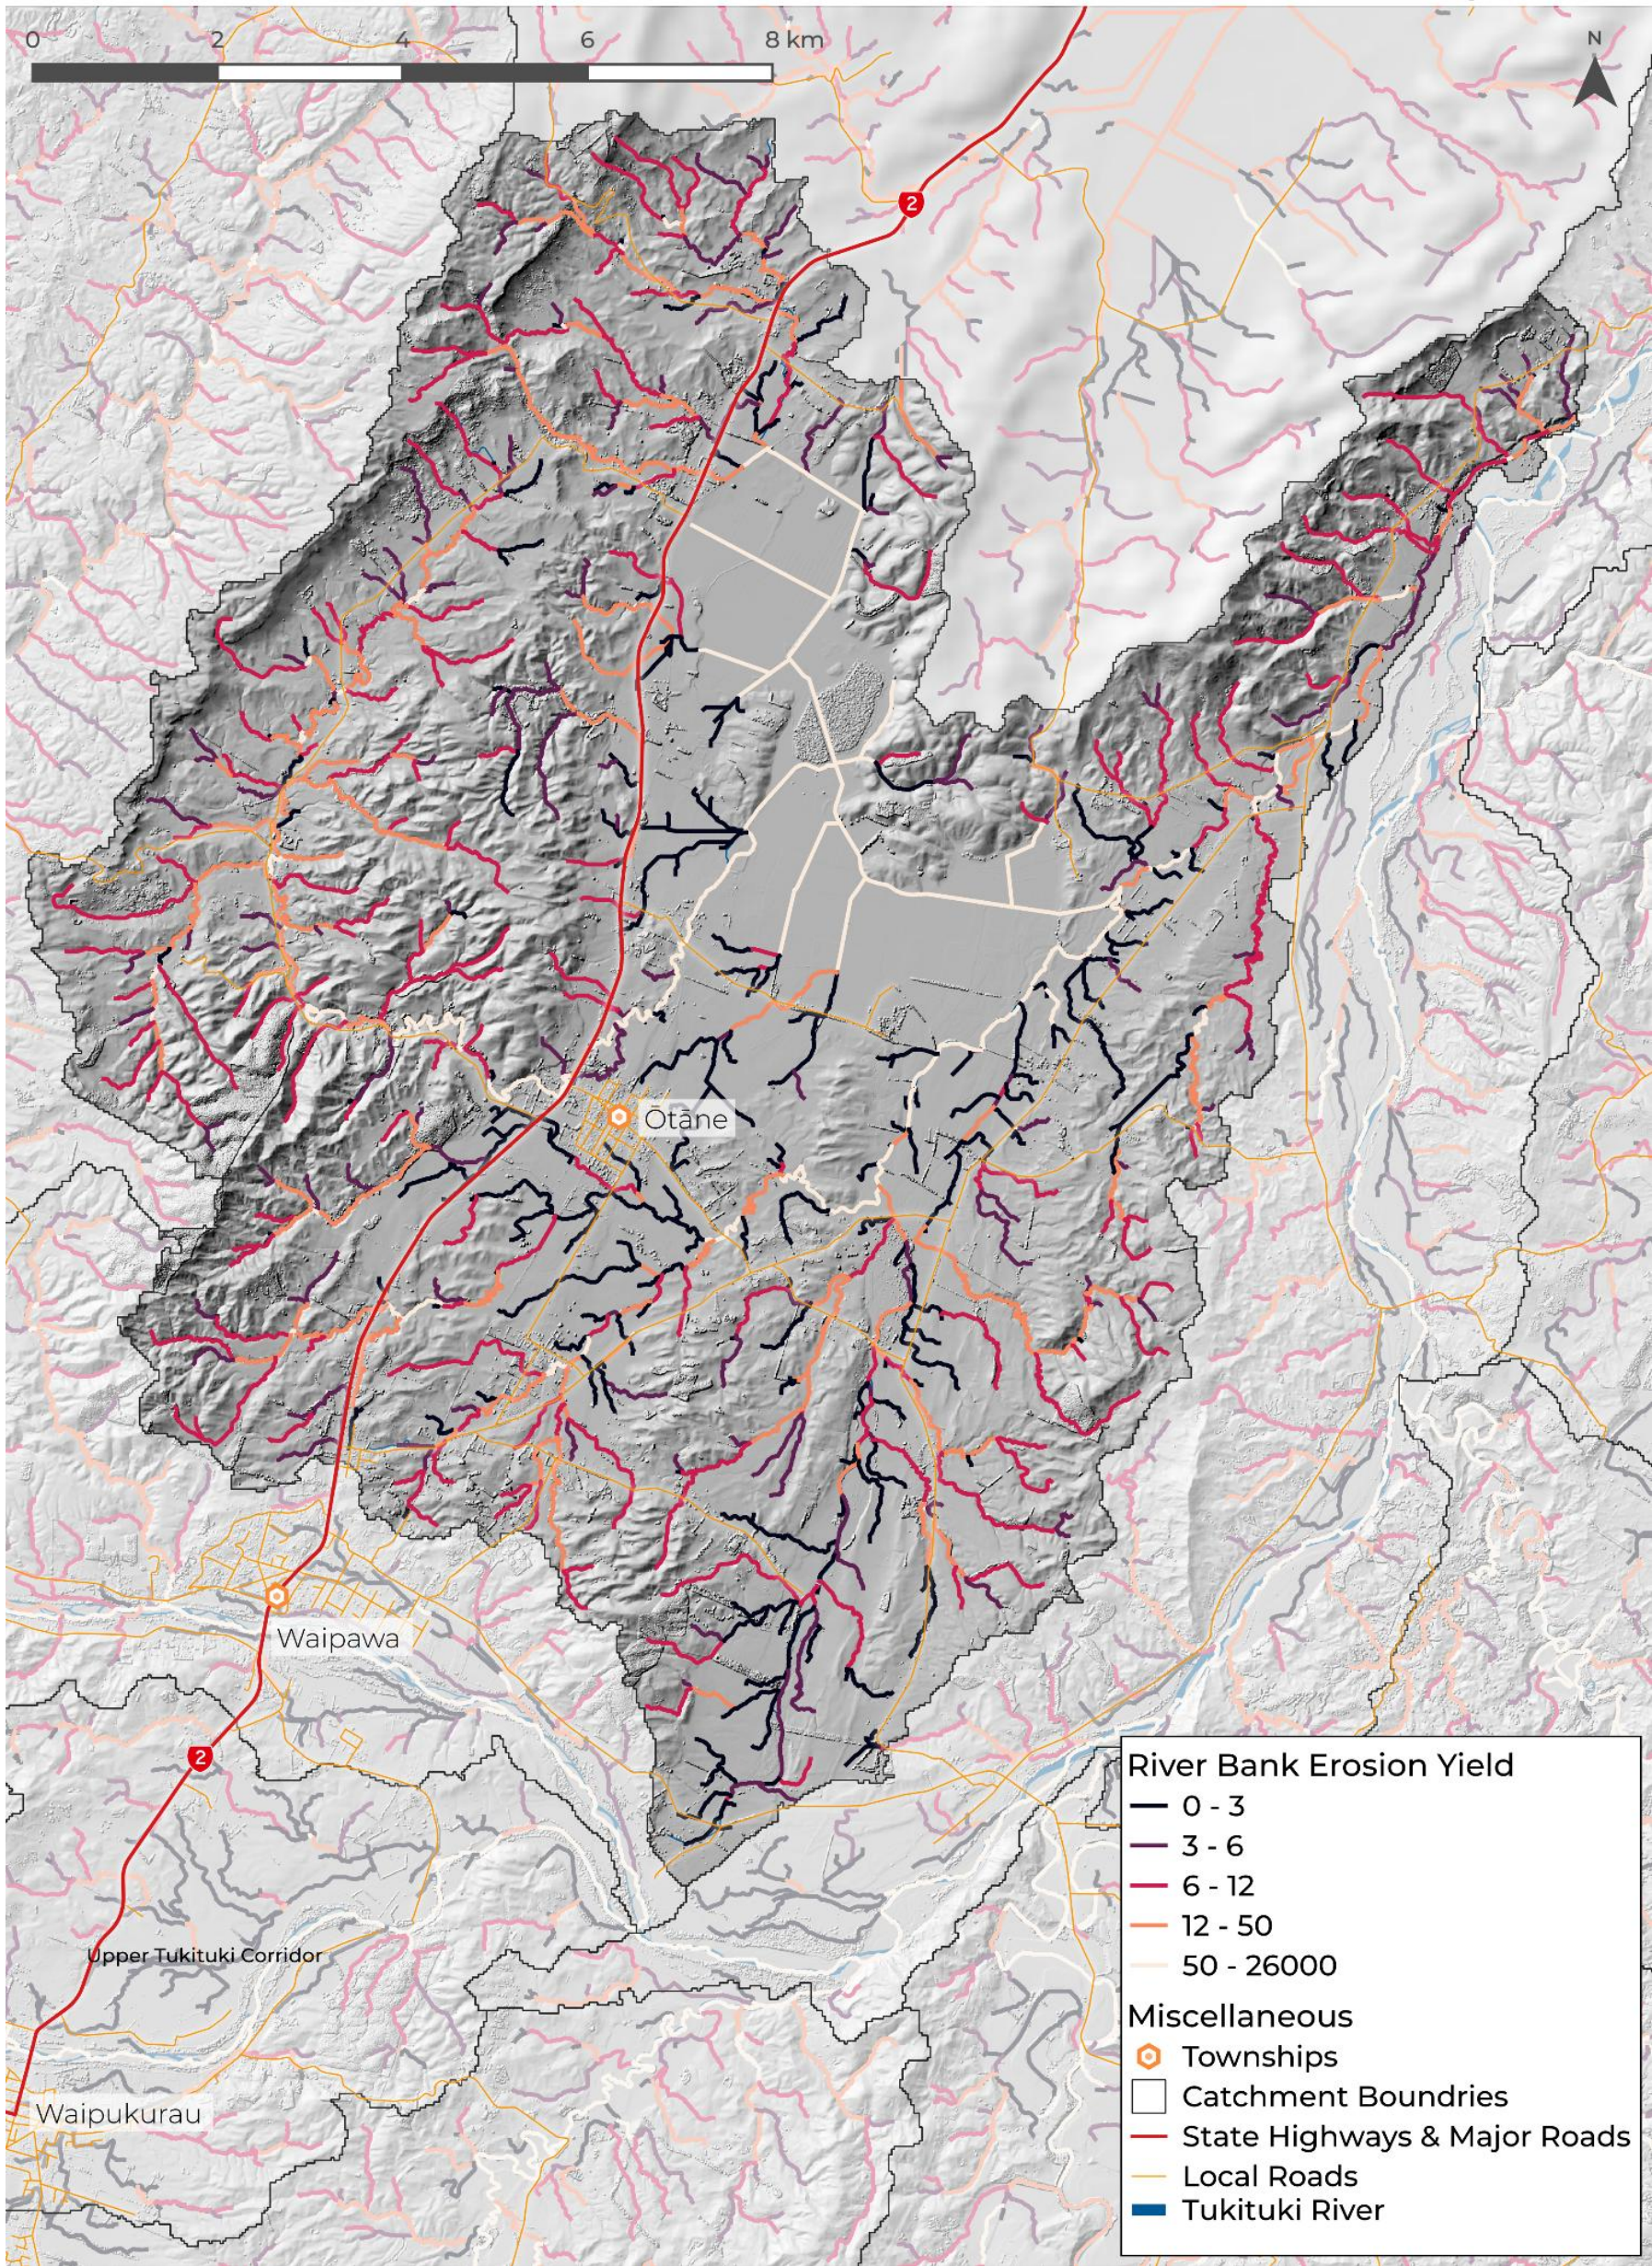

Riparian Shading Assessment - Papanui

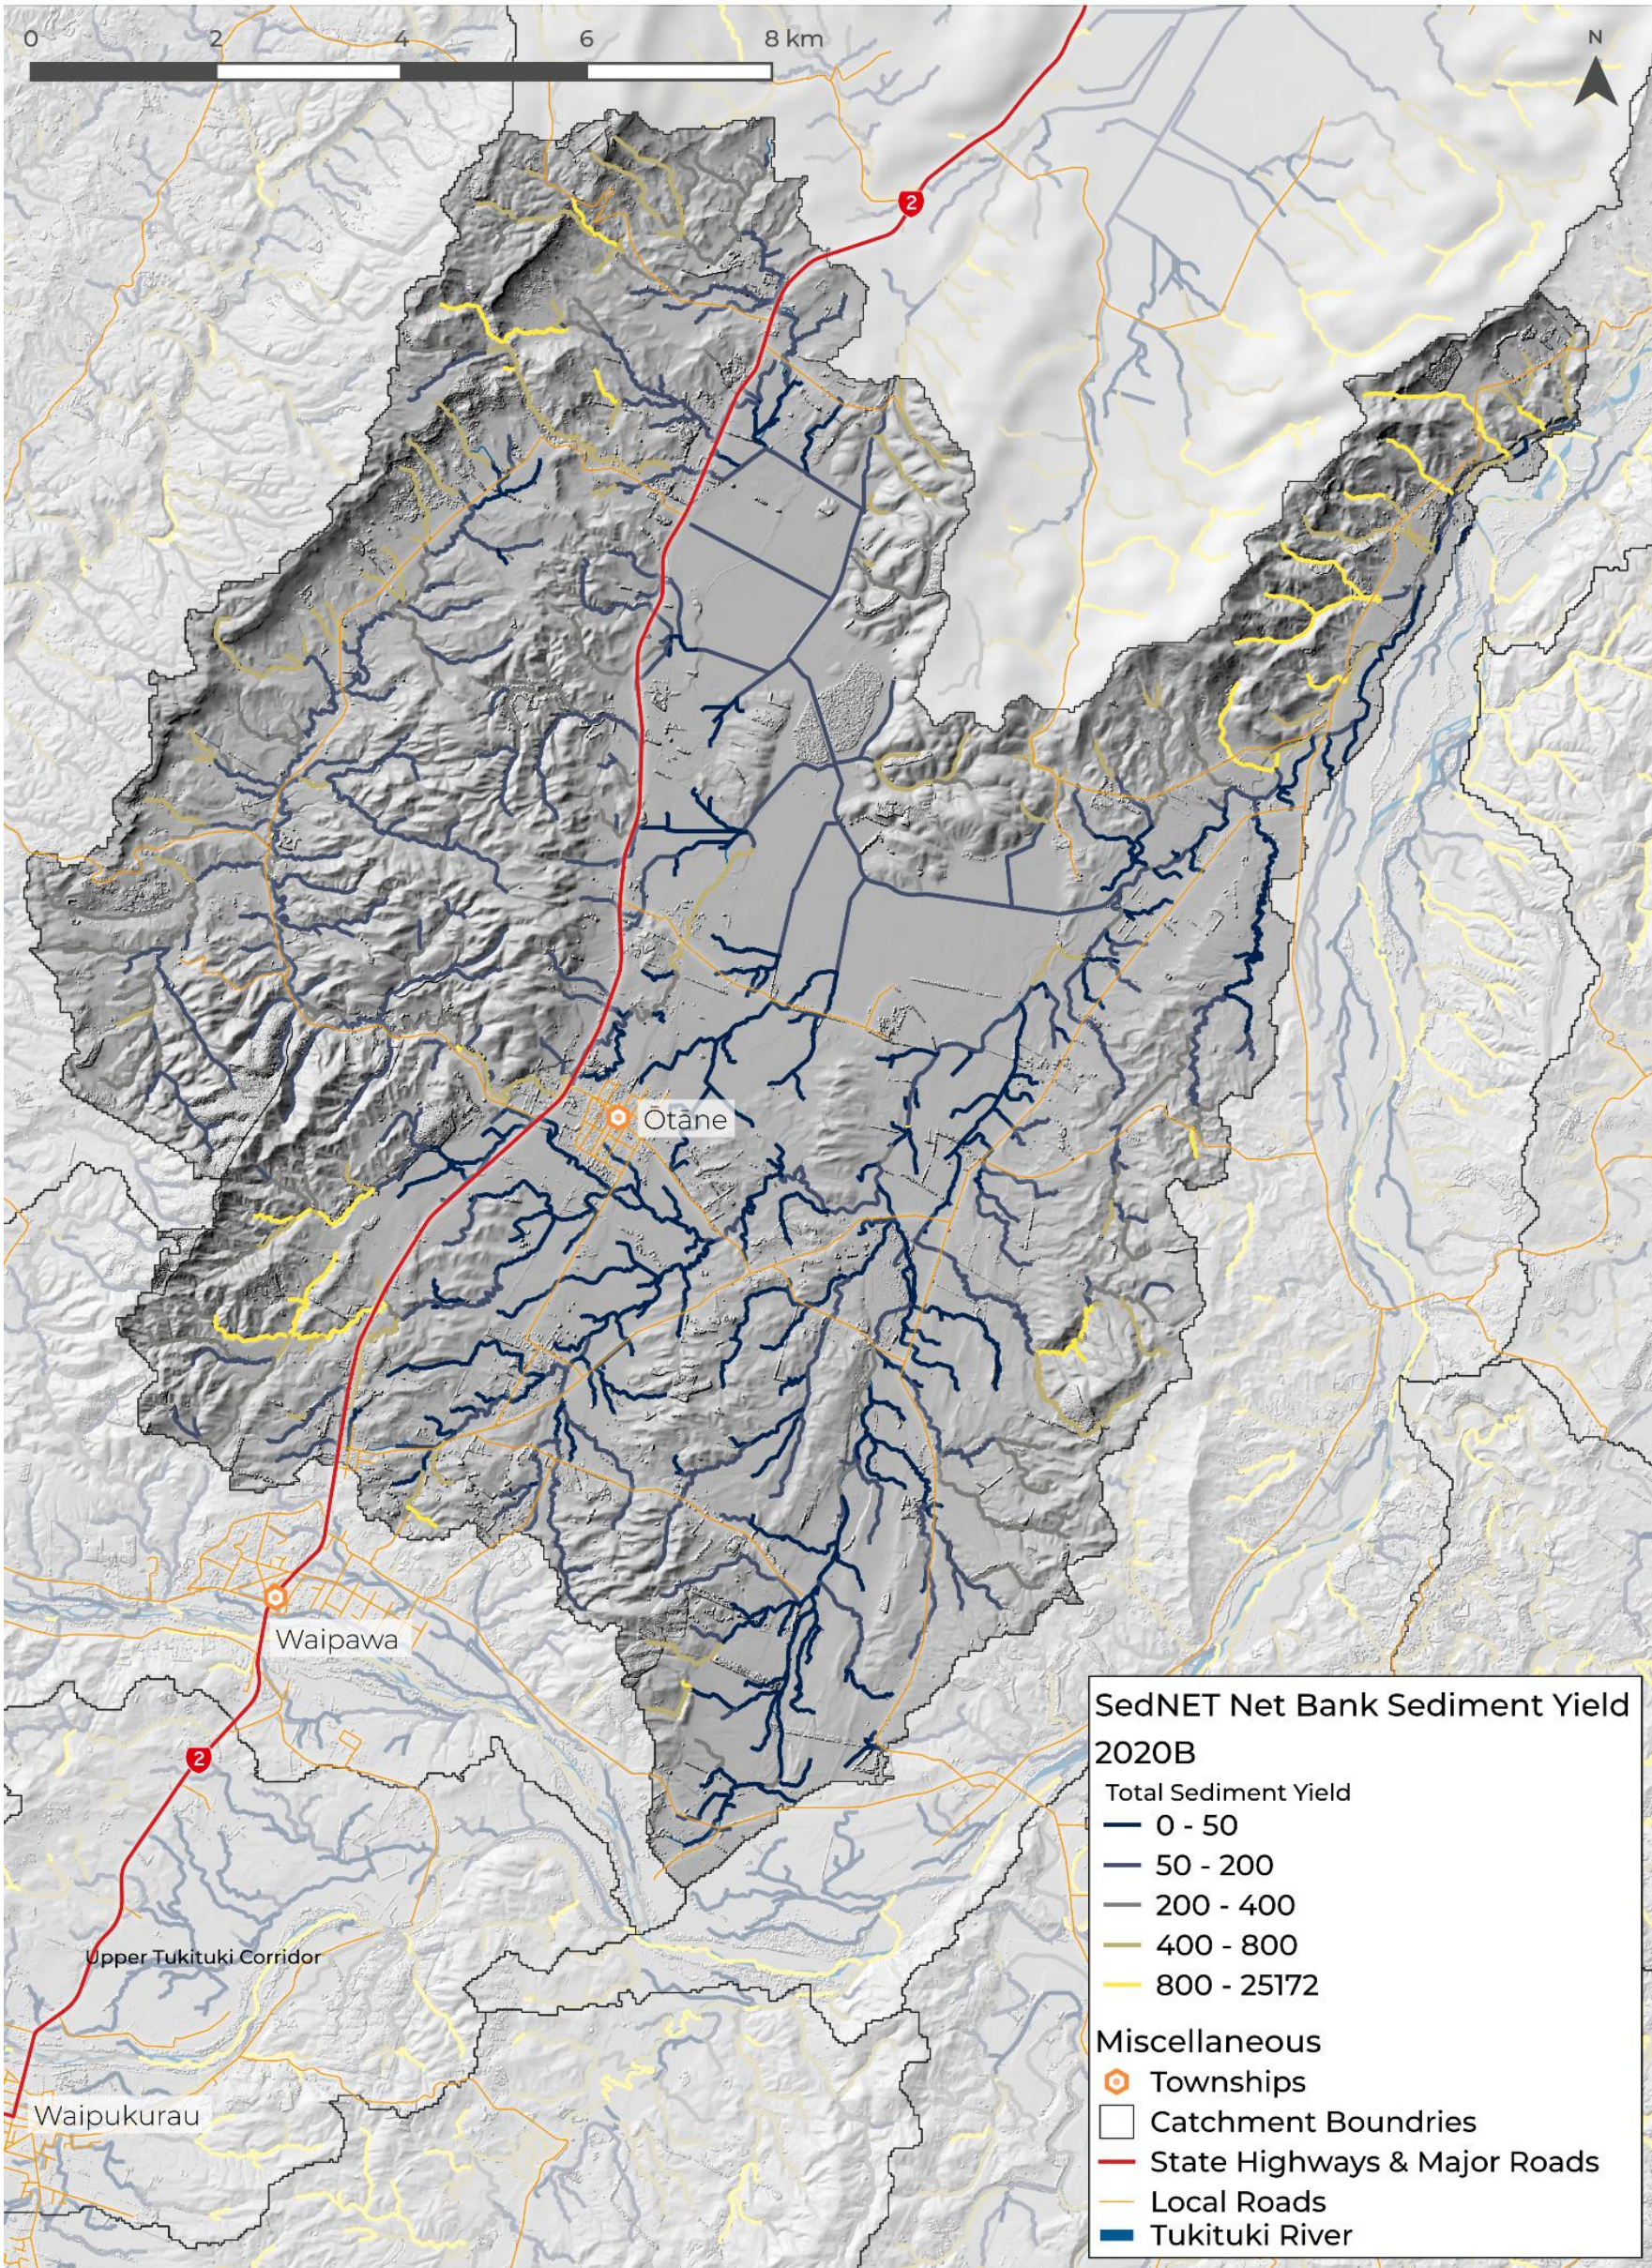

Roughness Areas - Papanui

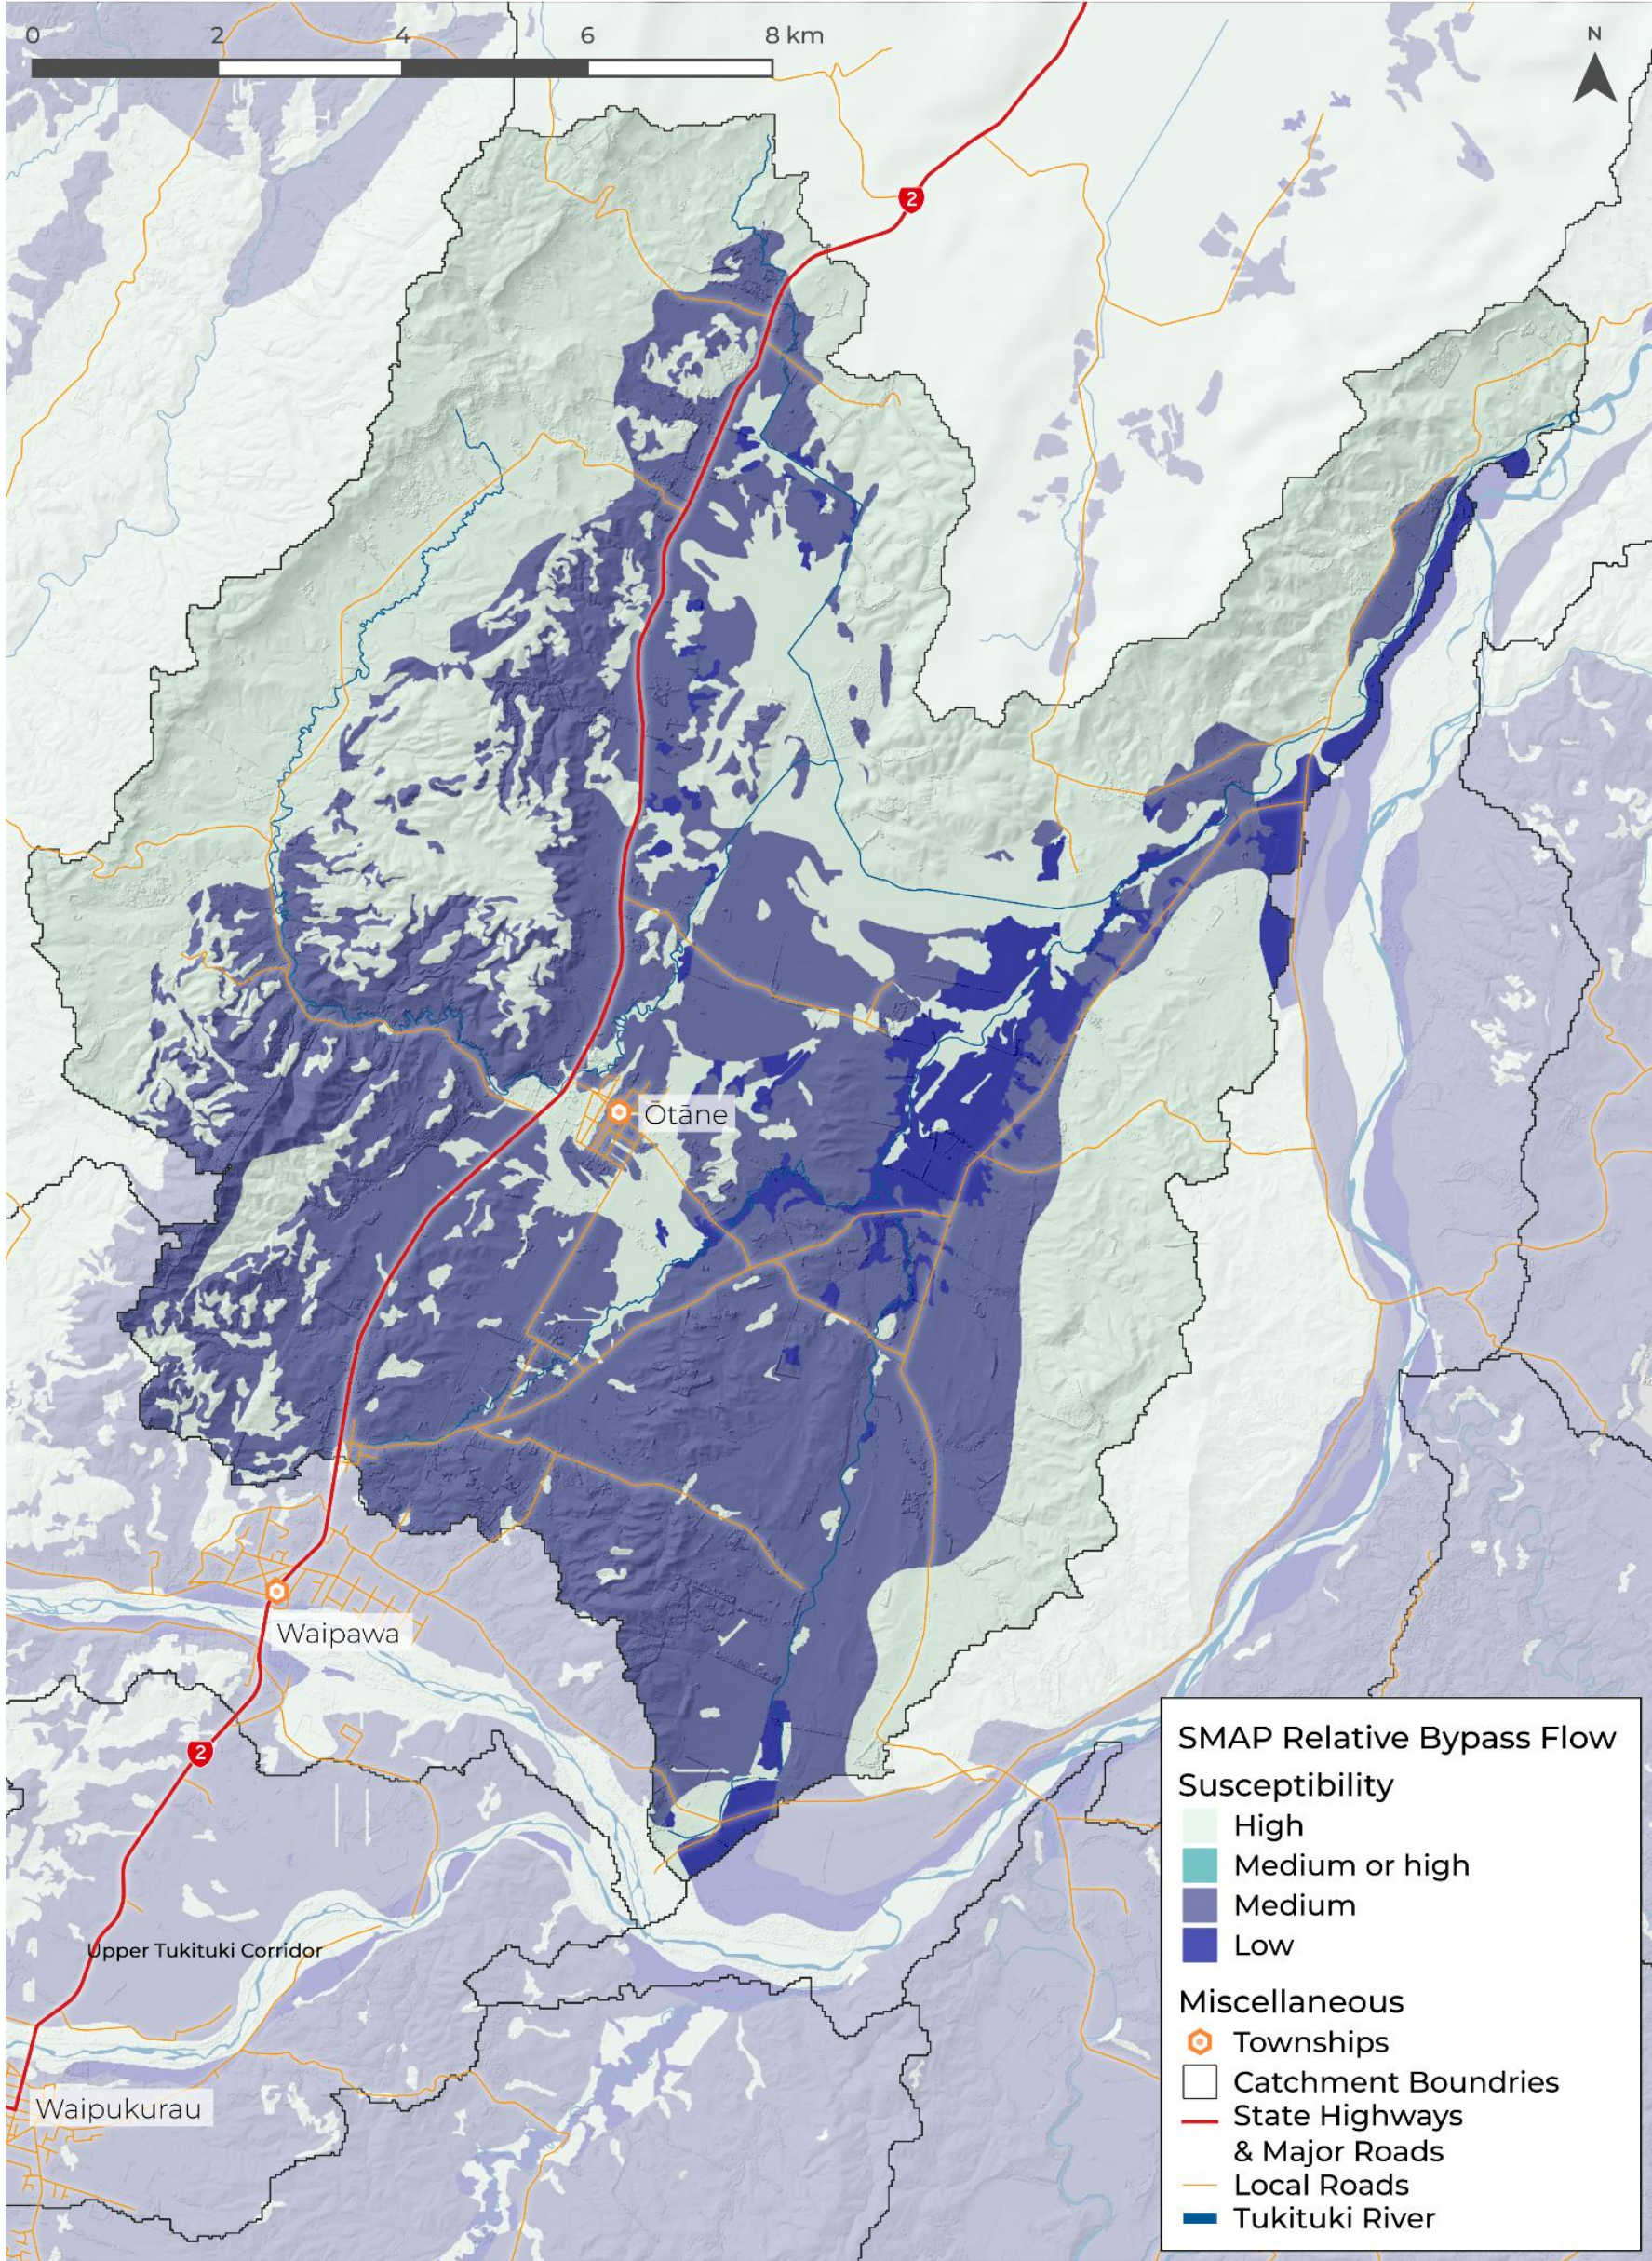

SedNET Net Bank Sediment - River Bank Erosion Yield - Papanui

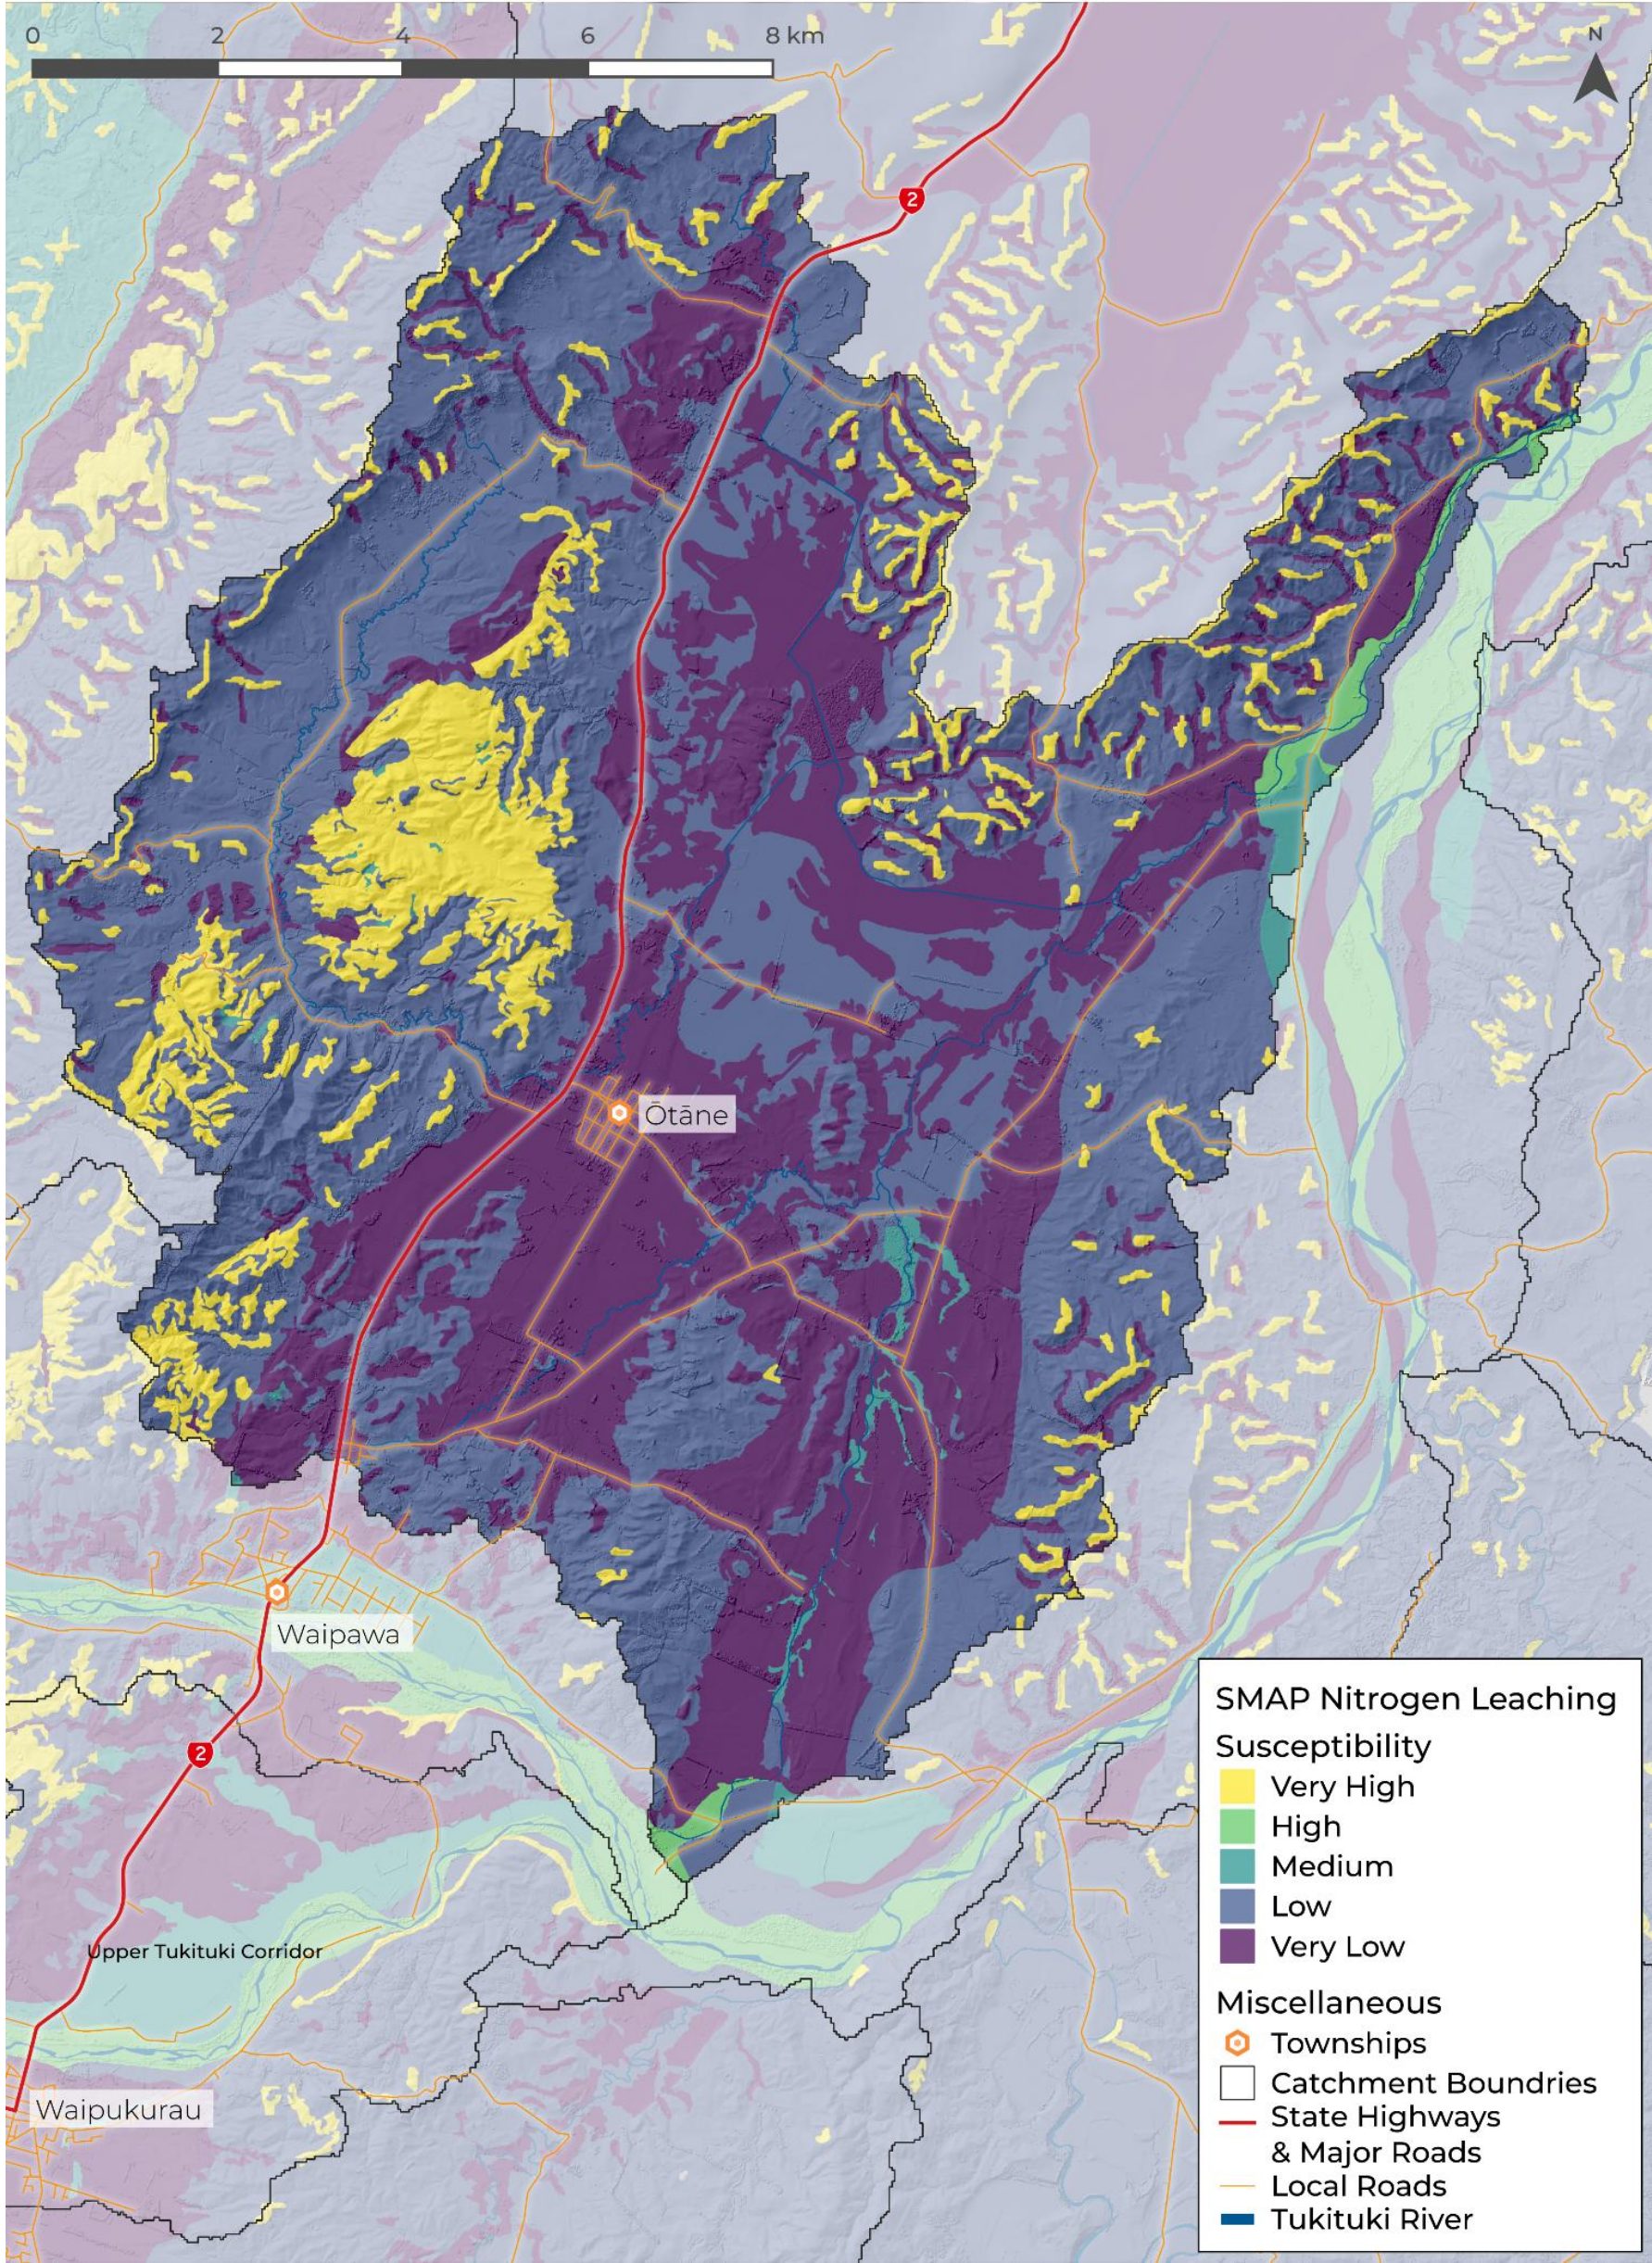

SedNET Net Bank Sediment Yield 2020B - TotSedYld - Papanui

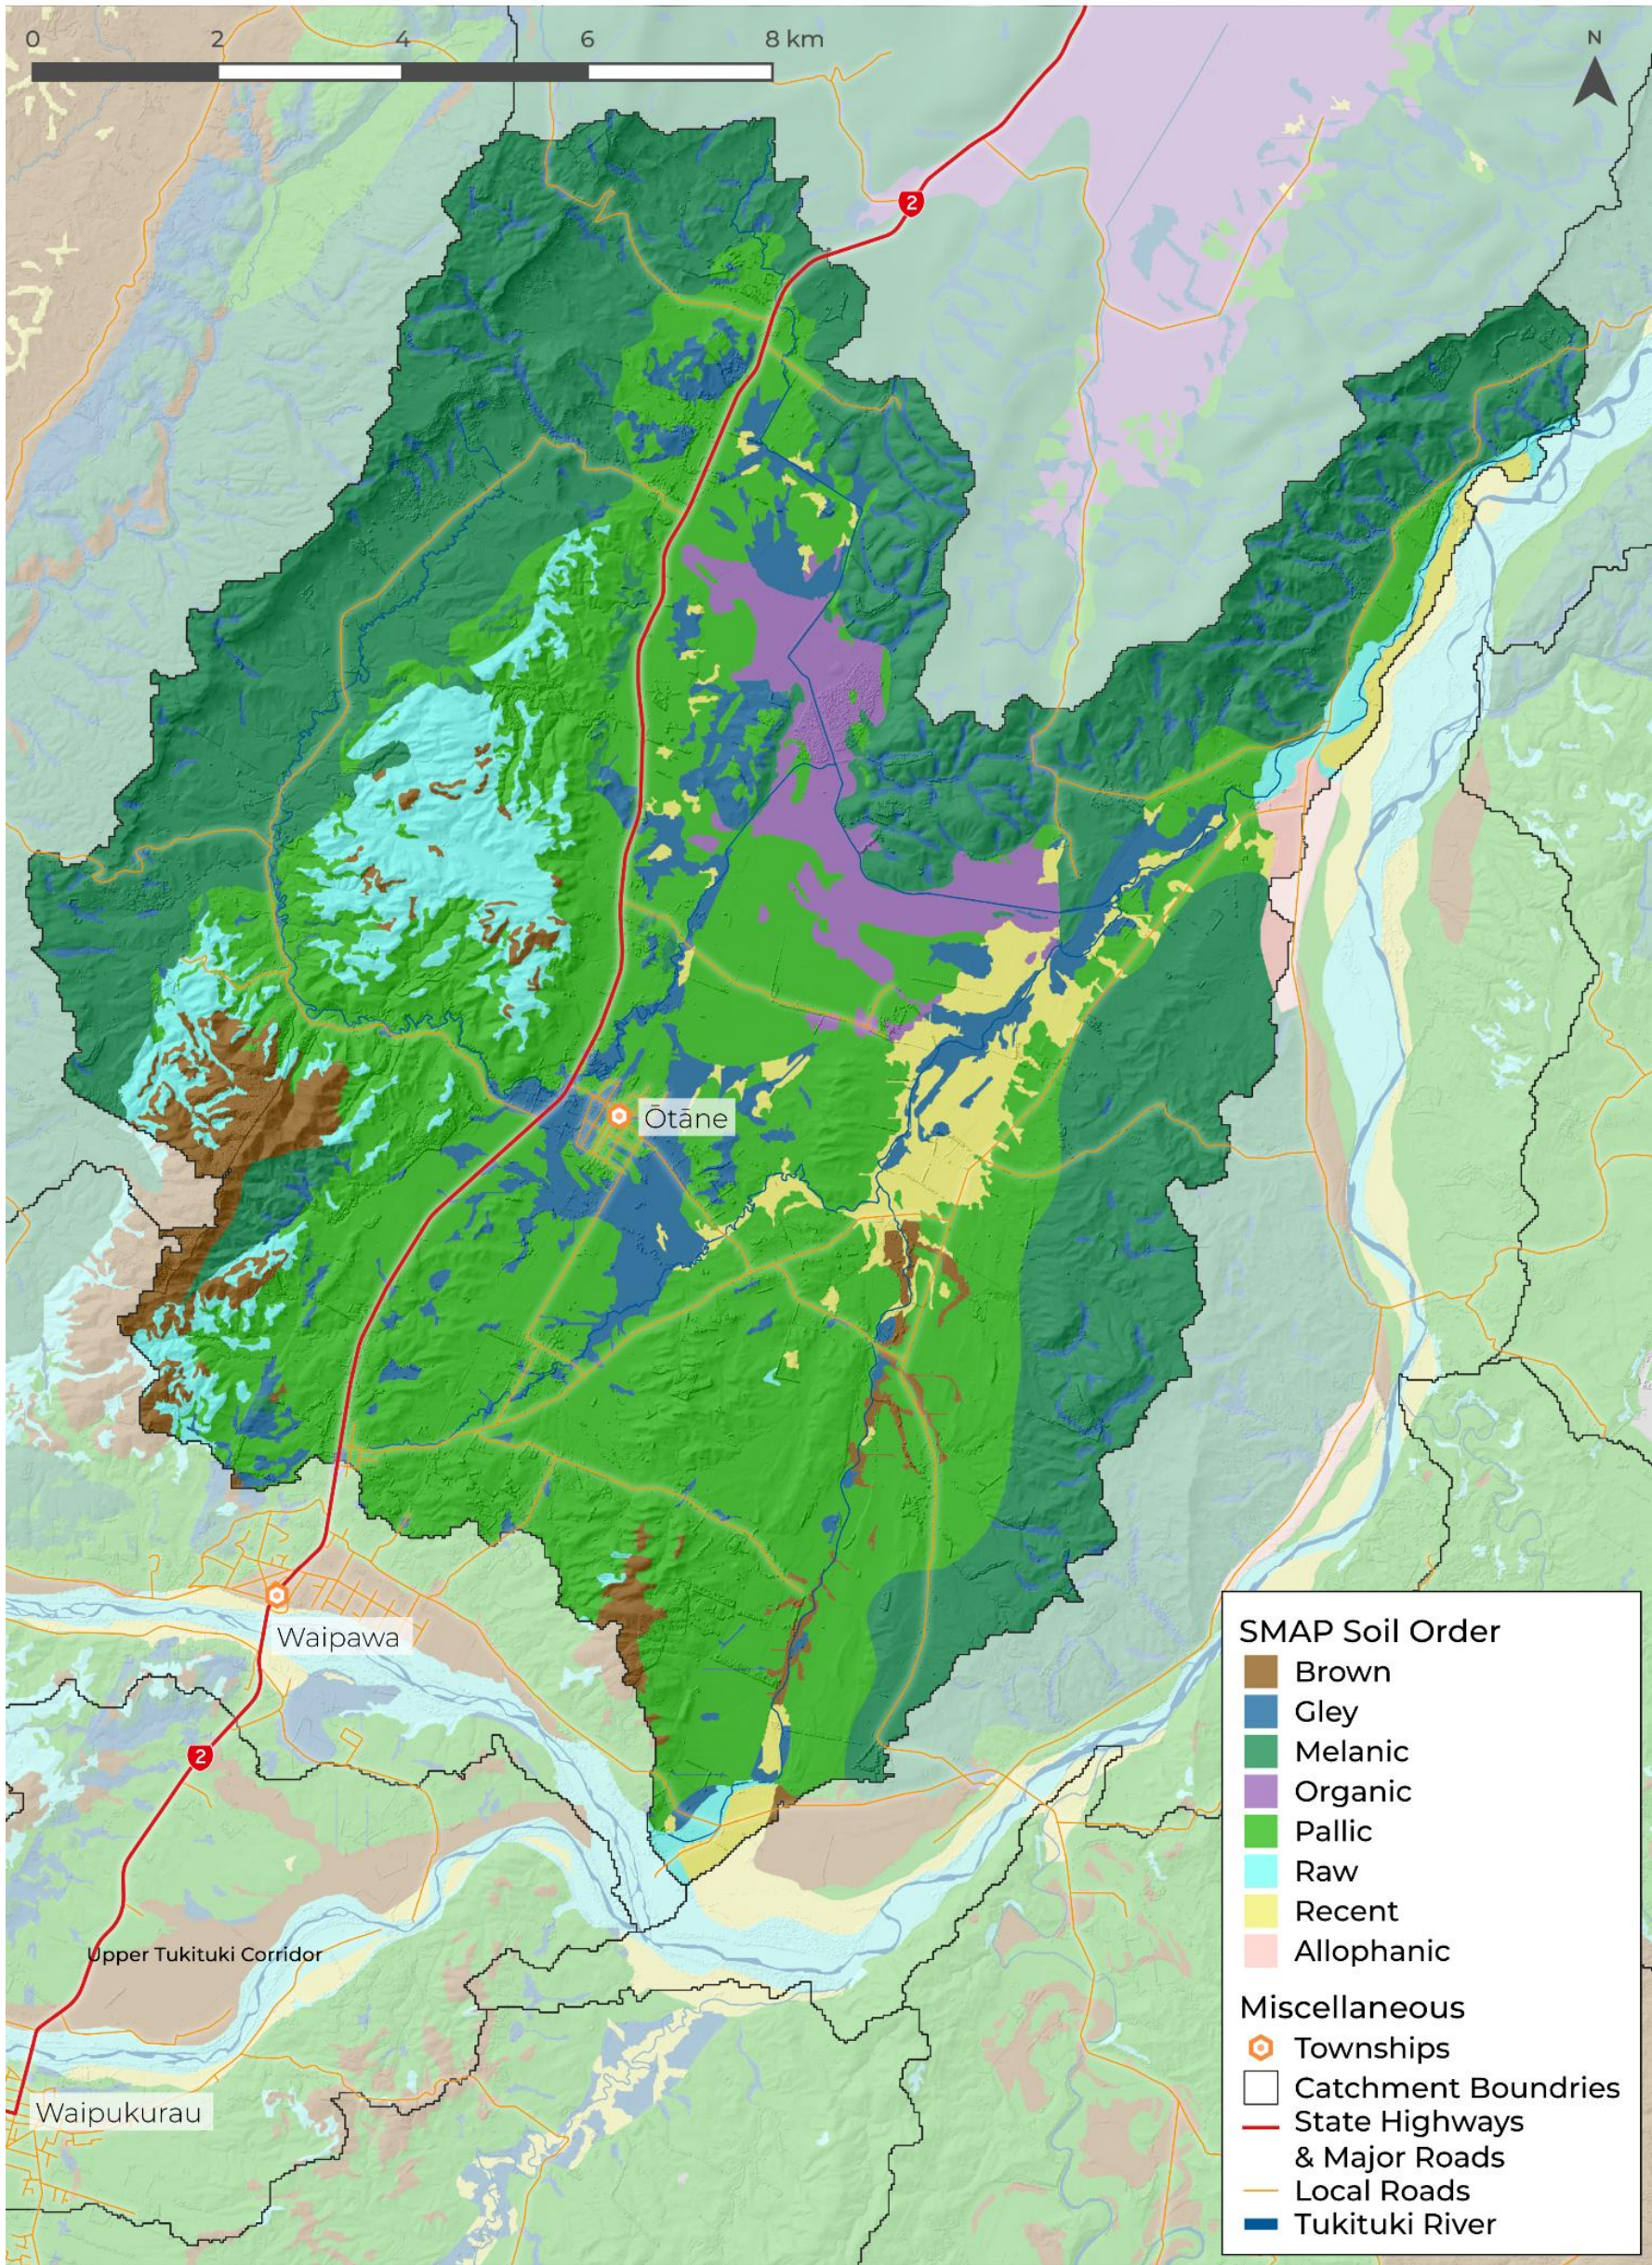

SMAP Relative Bypass Flow Susceptibility - Papanui

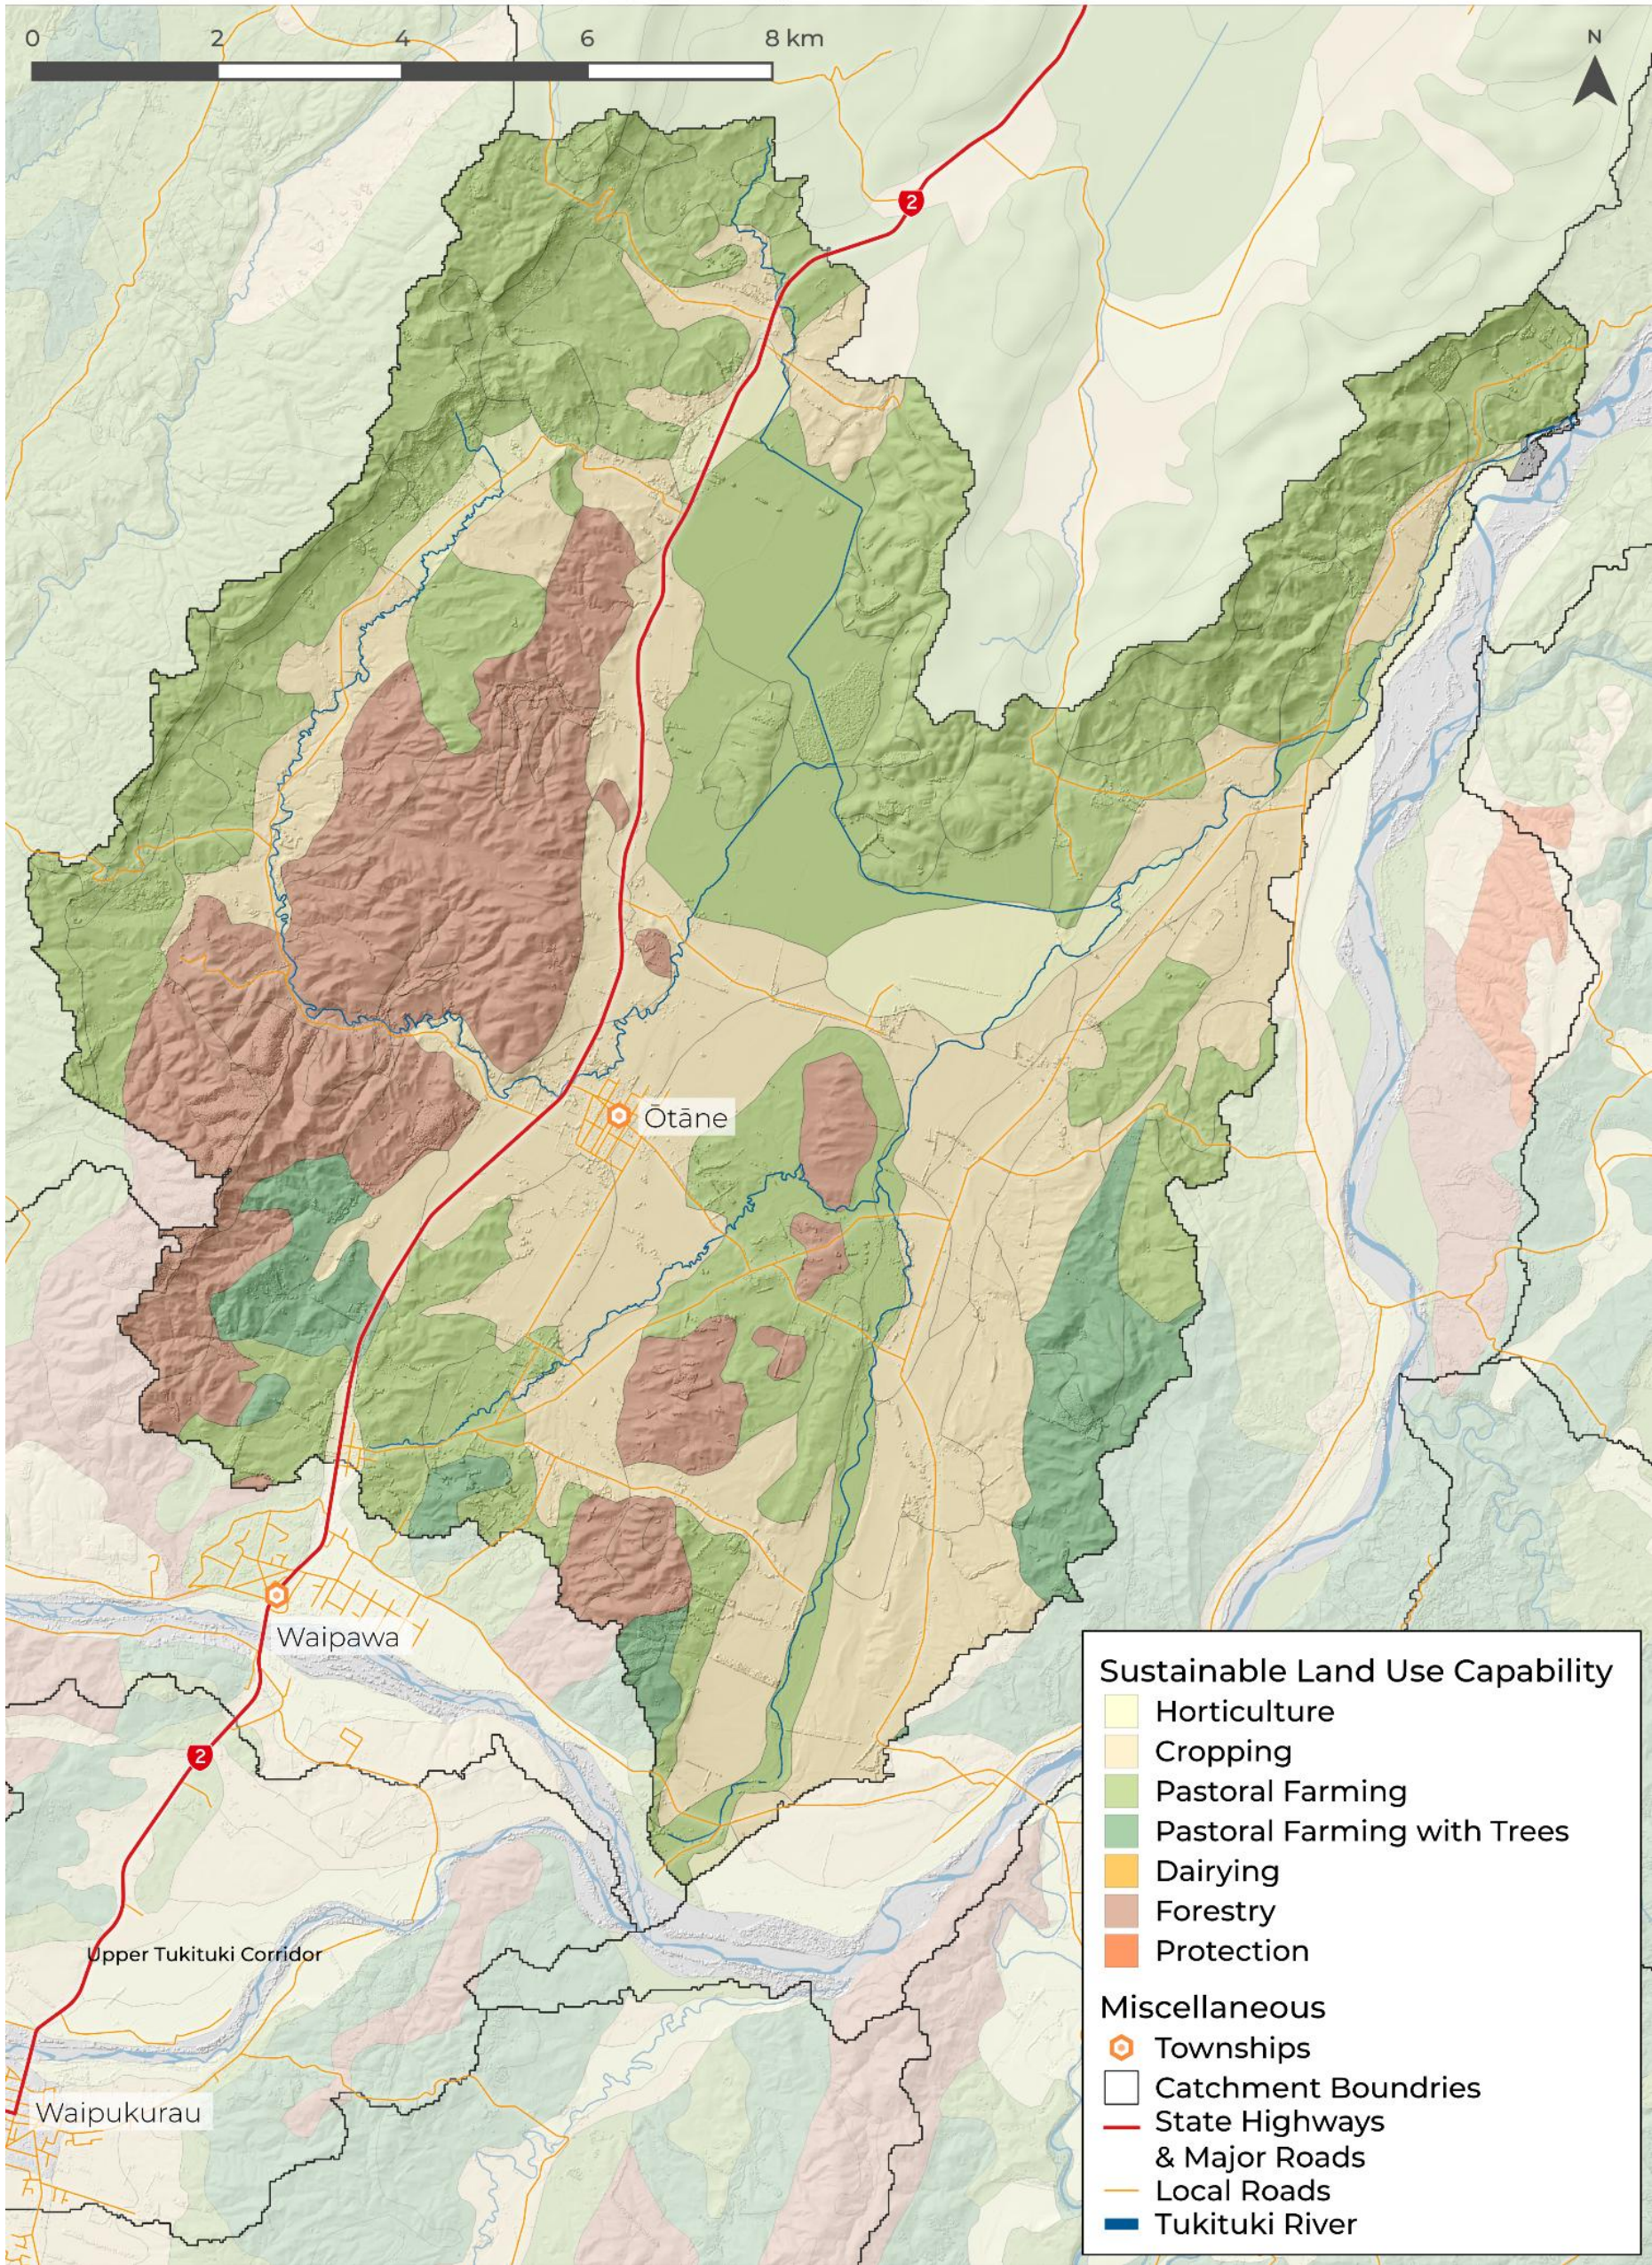

SMAP Nitrogen Leaching Susceptibility - Papanui

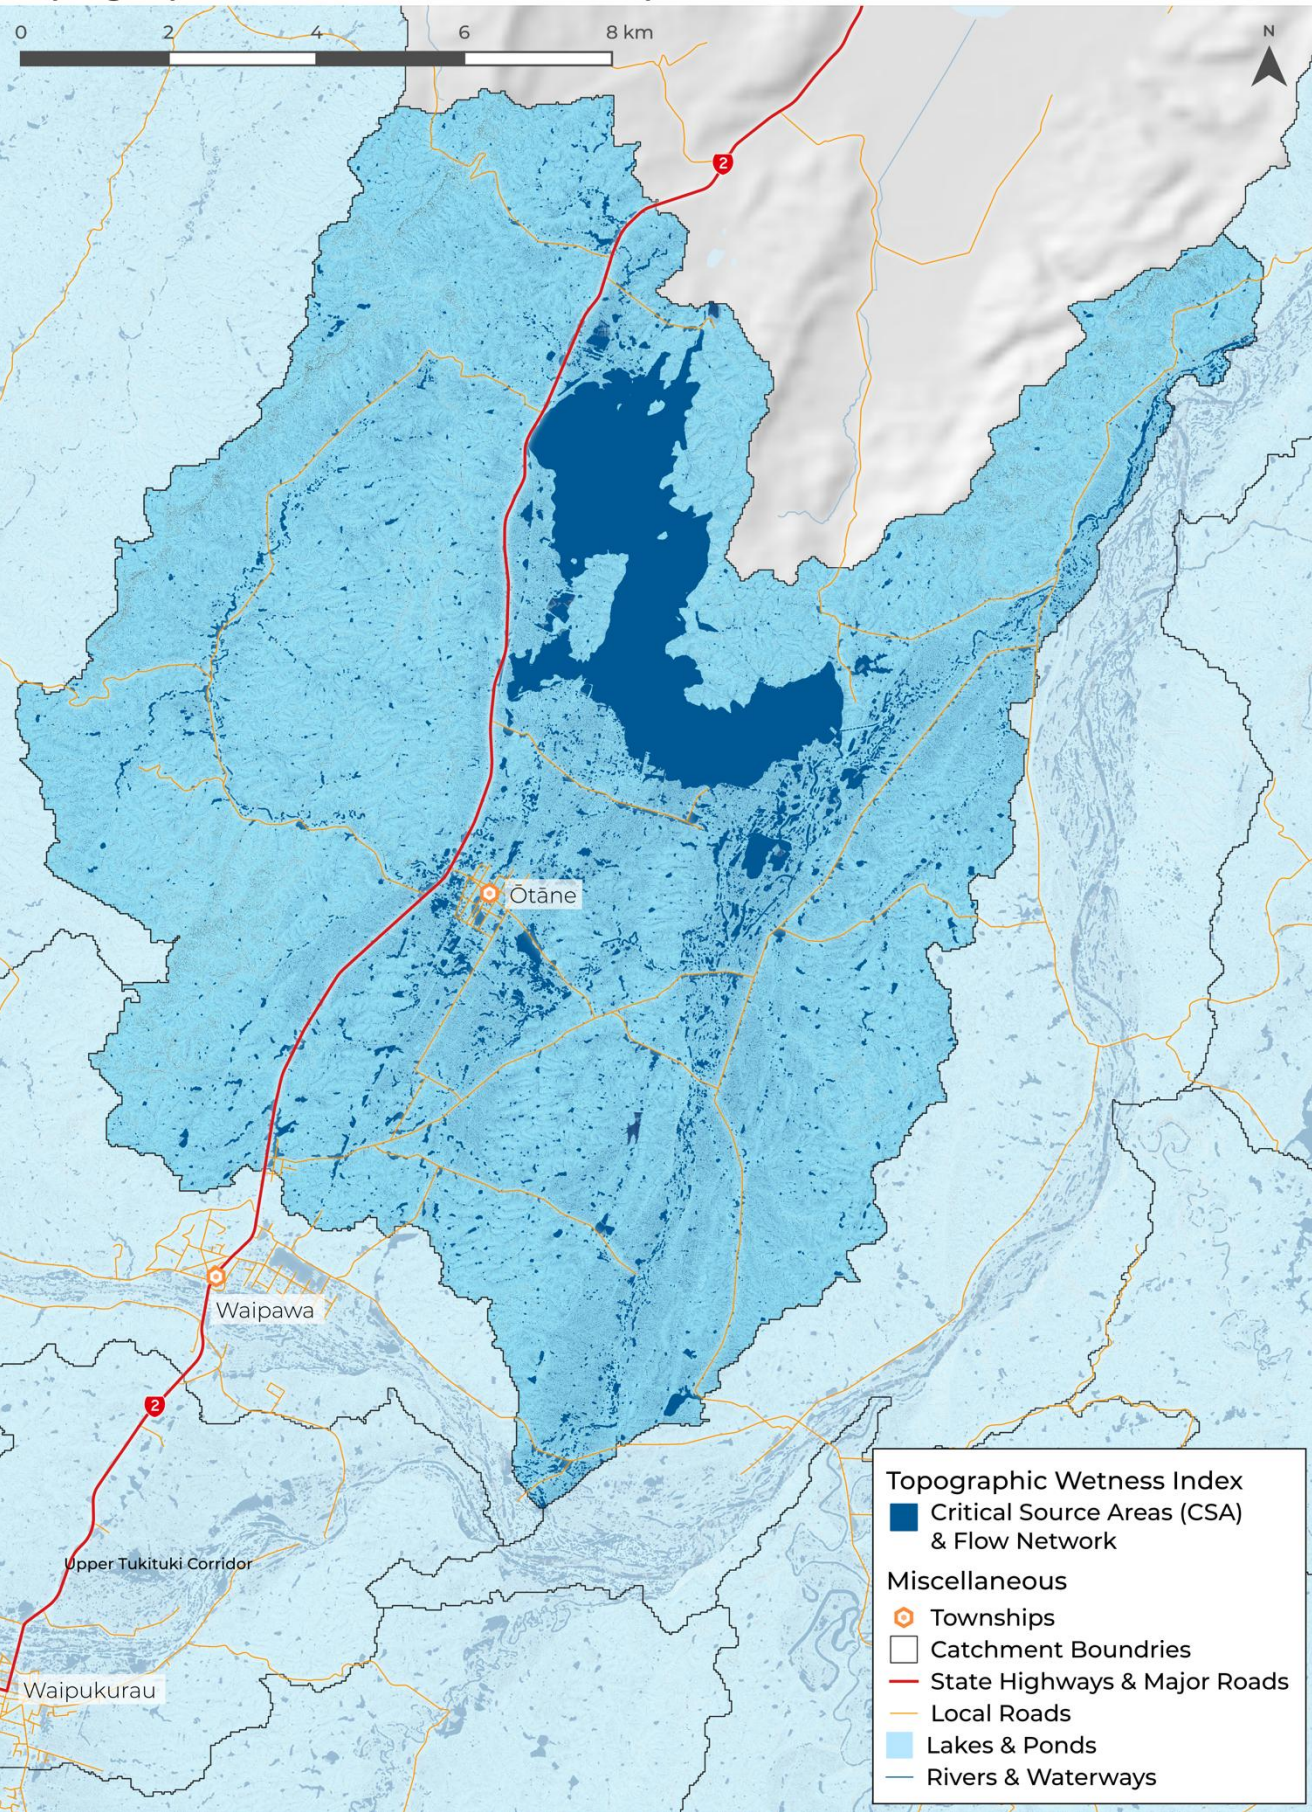

SMAP Soil Order - Papanui

Sustainable Land Use Capability - Papanui

Topographic Wetness Index - Papanui

RUSLE - Revised Universal Soil Loss Equation - Papanui
